Missile Launcher

- Go to Chozo Ruins West
- All the way back and to the left
- Do a boss fight
- Collect Missile Launcher
- Collect Health Expansion

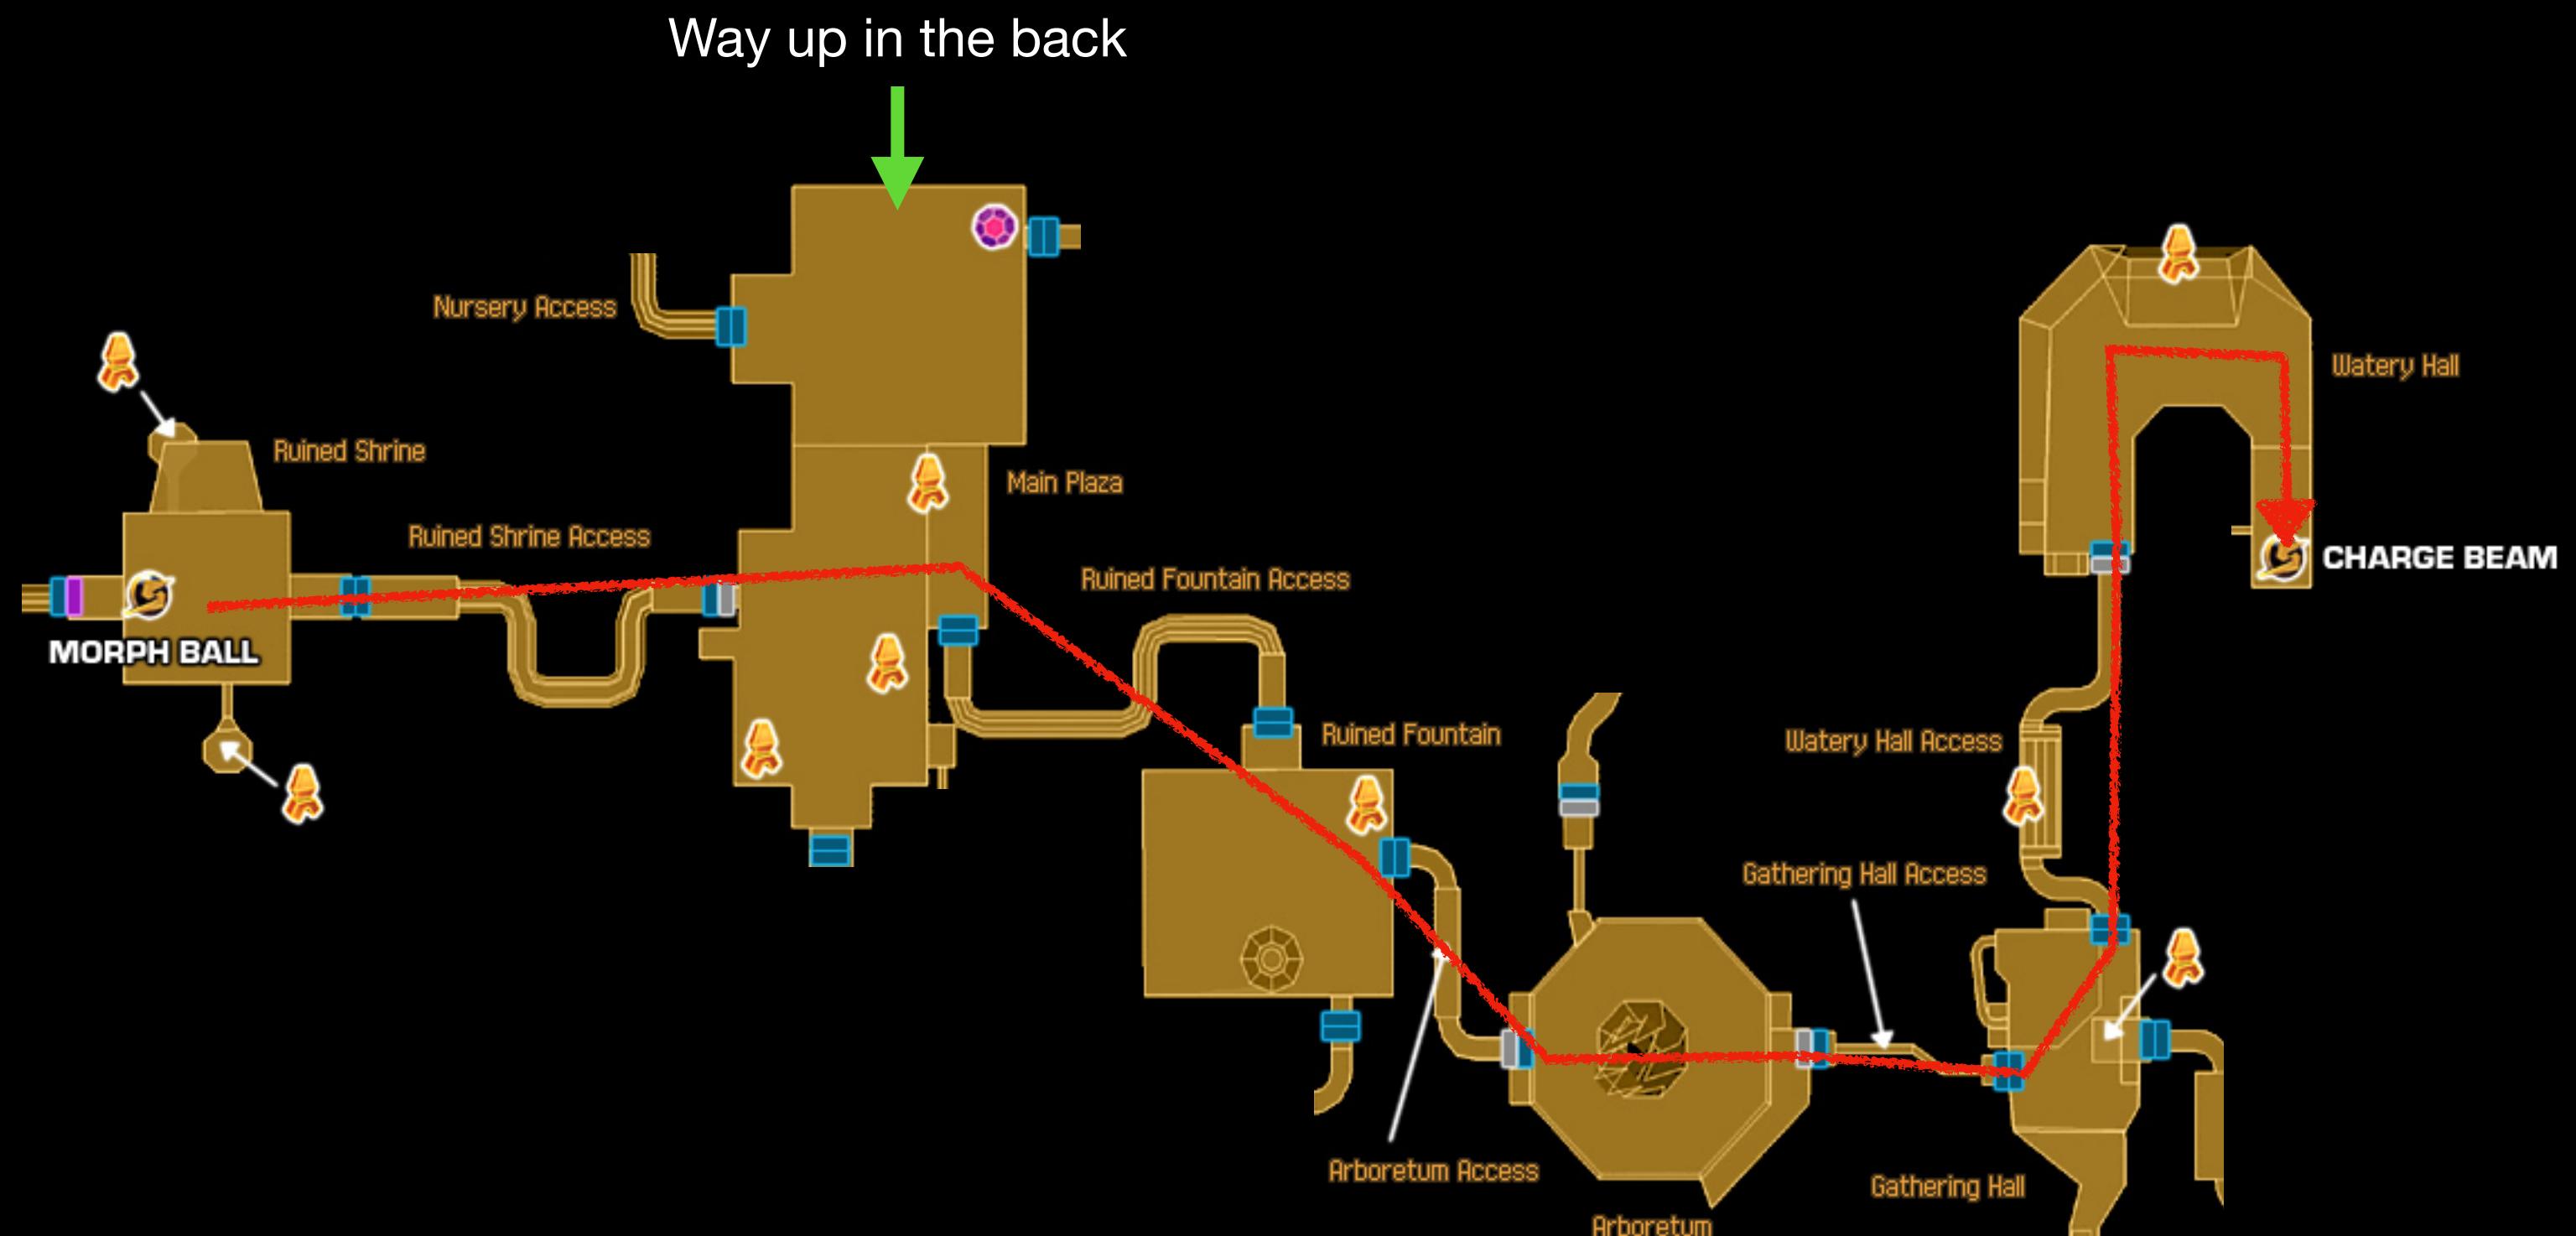

Morph Ball

- Exit back to main area
- Stay right in the main area
- Fight mini boss and collect Morph Ball

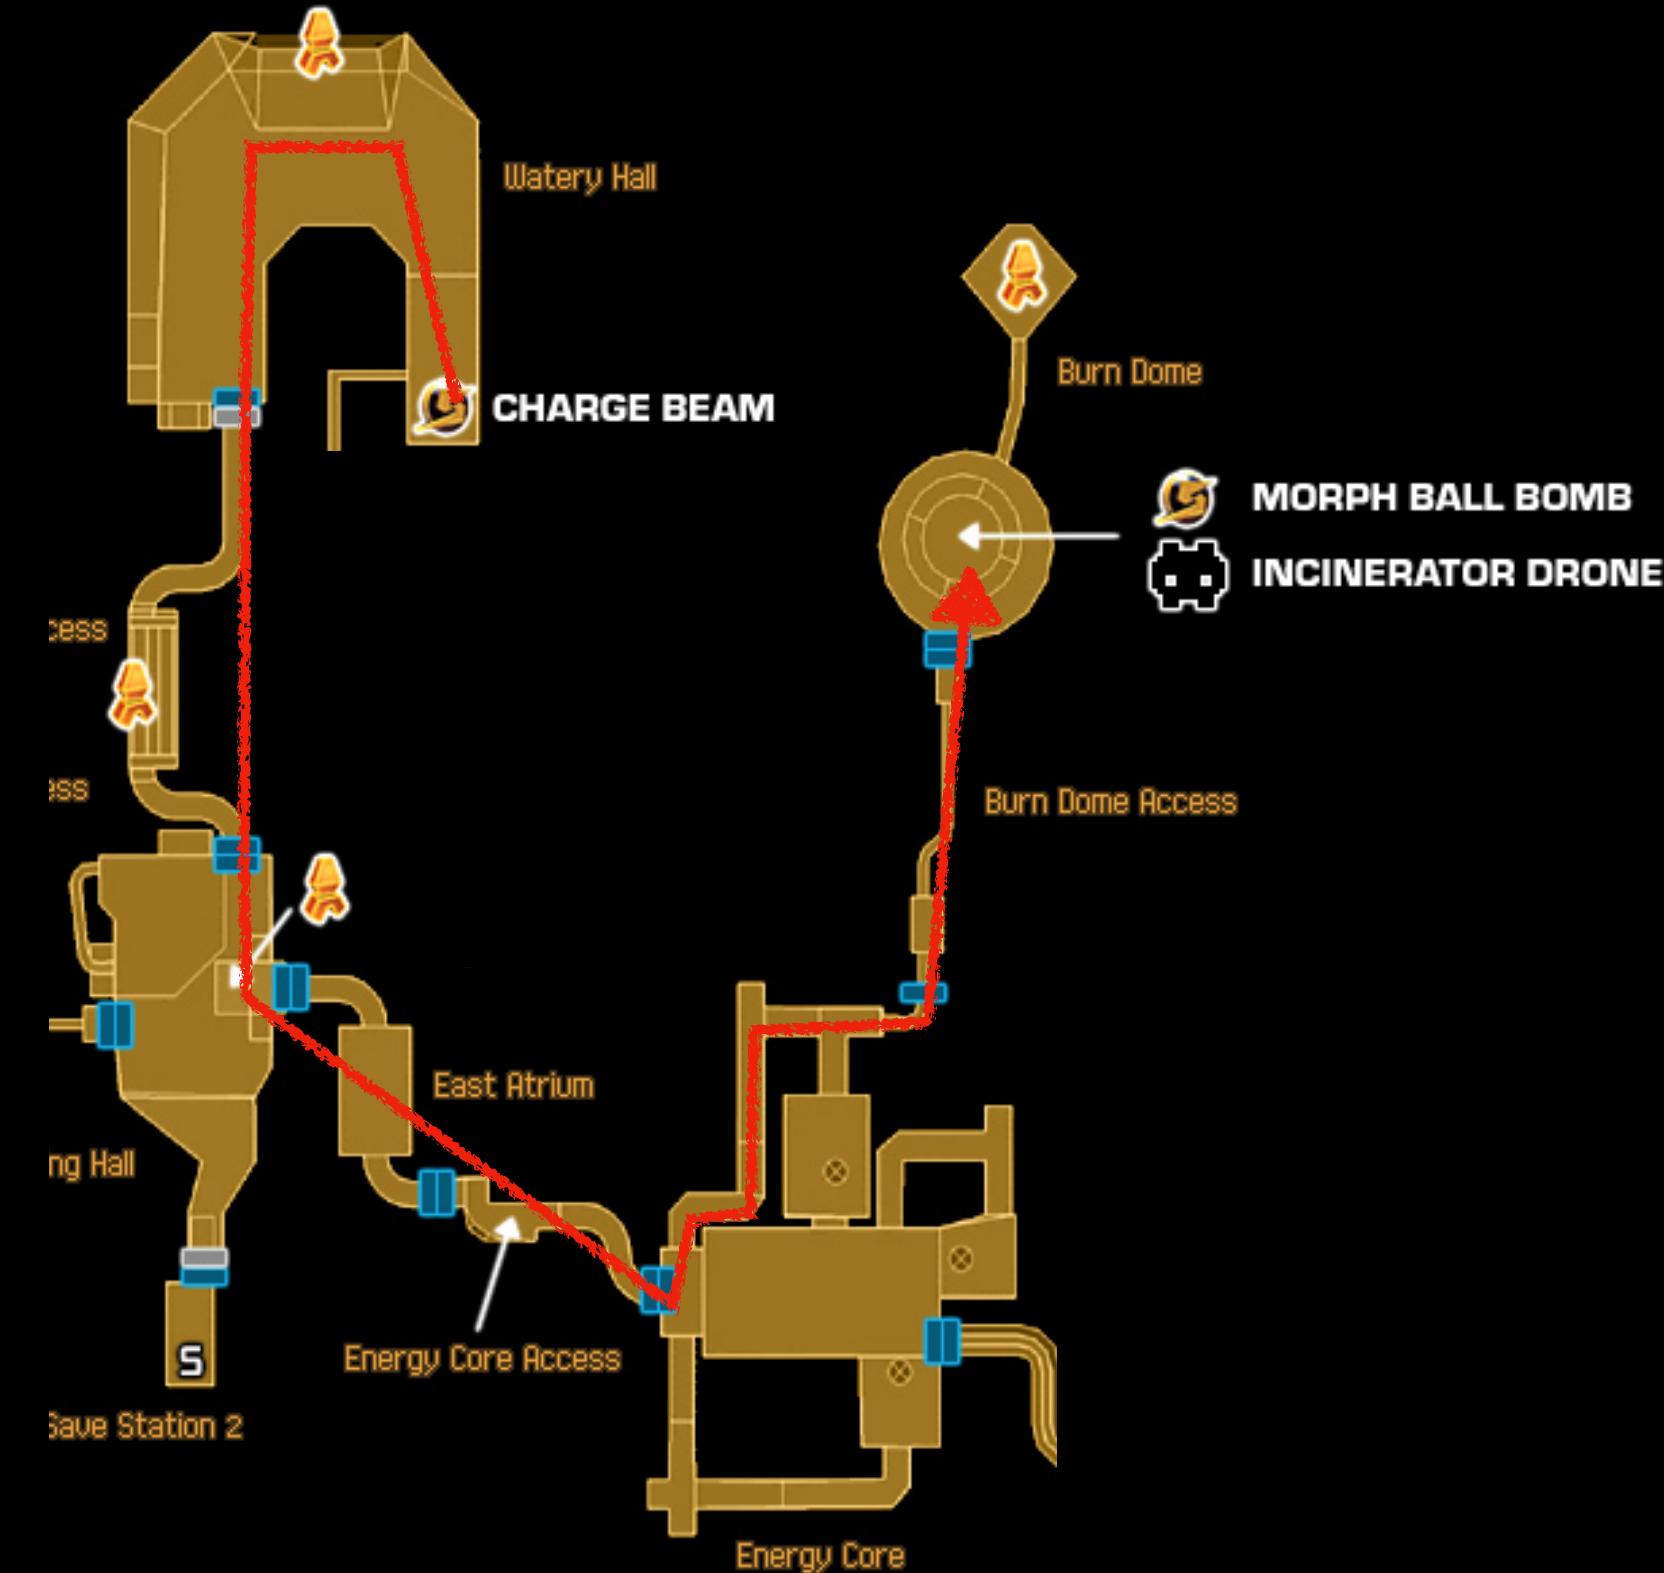

Charge Beam

- Exit back to main area
- Take door on the second floor closer to the entrance
- In big tree room, go straight and take the bottom door
- Pass the mushrooms on the ground floor and take the door to the left
- Room with the poison water requires 4 unlock scans

Morph Ball Bombs

- Head back to the room with the mushrooms
- Climb round and take the door at the top
- In the puzzle room, stay left
- Fight mini boss and collect Morph Ball Bomb

Varia Suit

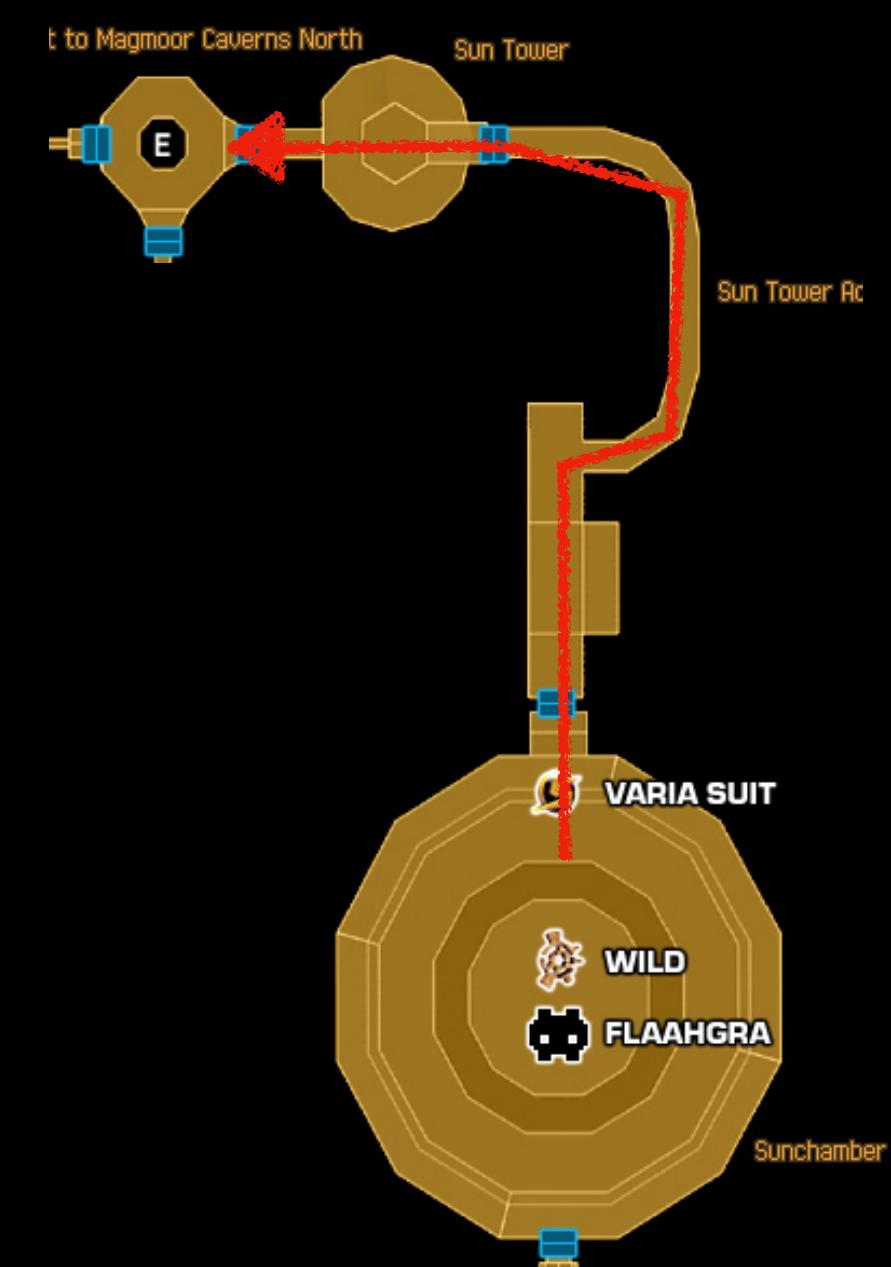

- Head to the Arboretum
- In the Arboretum, three unlocks need to be scanned to open the door at the top
- Fight boss and collect suit

Boost Ball

Boost Ball

- Exit through the new door after the boss
- Take lift to Magmoor Caverns
- Go straight until the first ‘cutscene’ plays. This room has an artefact in the middle
- Use bombs on wall with yellow cracks
- In the jump puzzle room, stay left and go up
- In the control room, take the lift to Phendrana Drifts North

Boost Ball

- Go to main area
- Solve the puzzle and take the left most door
- Take door to the right which requires a missle
- Do jump puzzle and collect Boost Ball

Space Boots

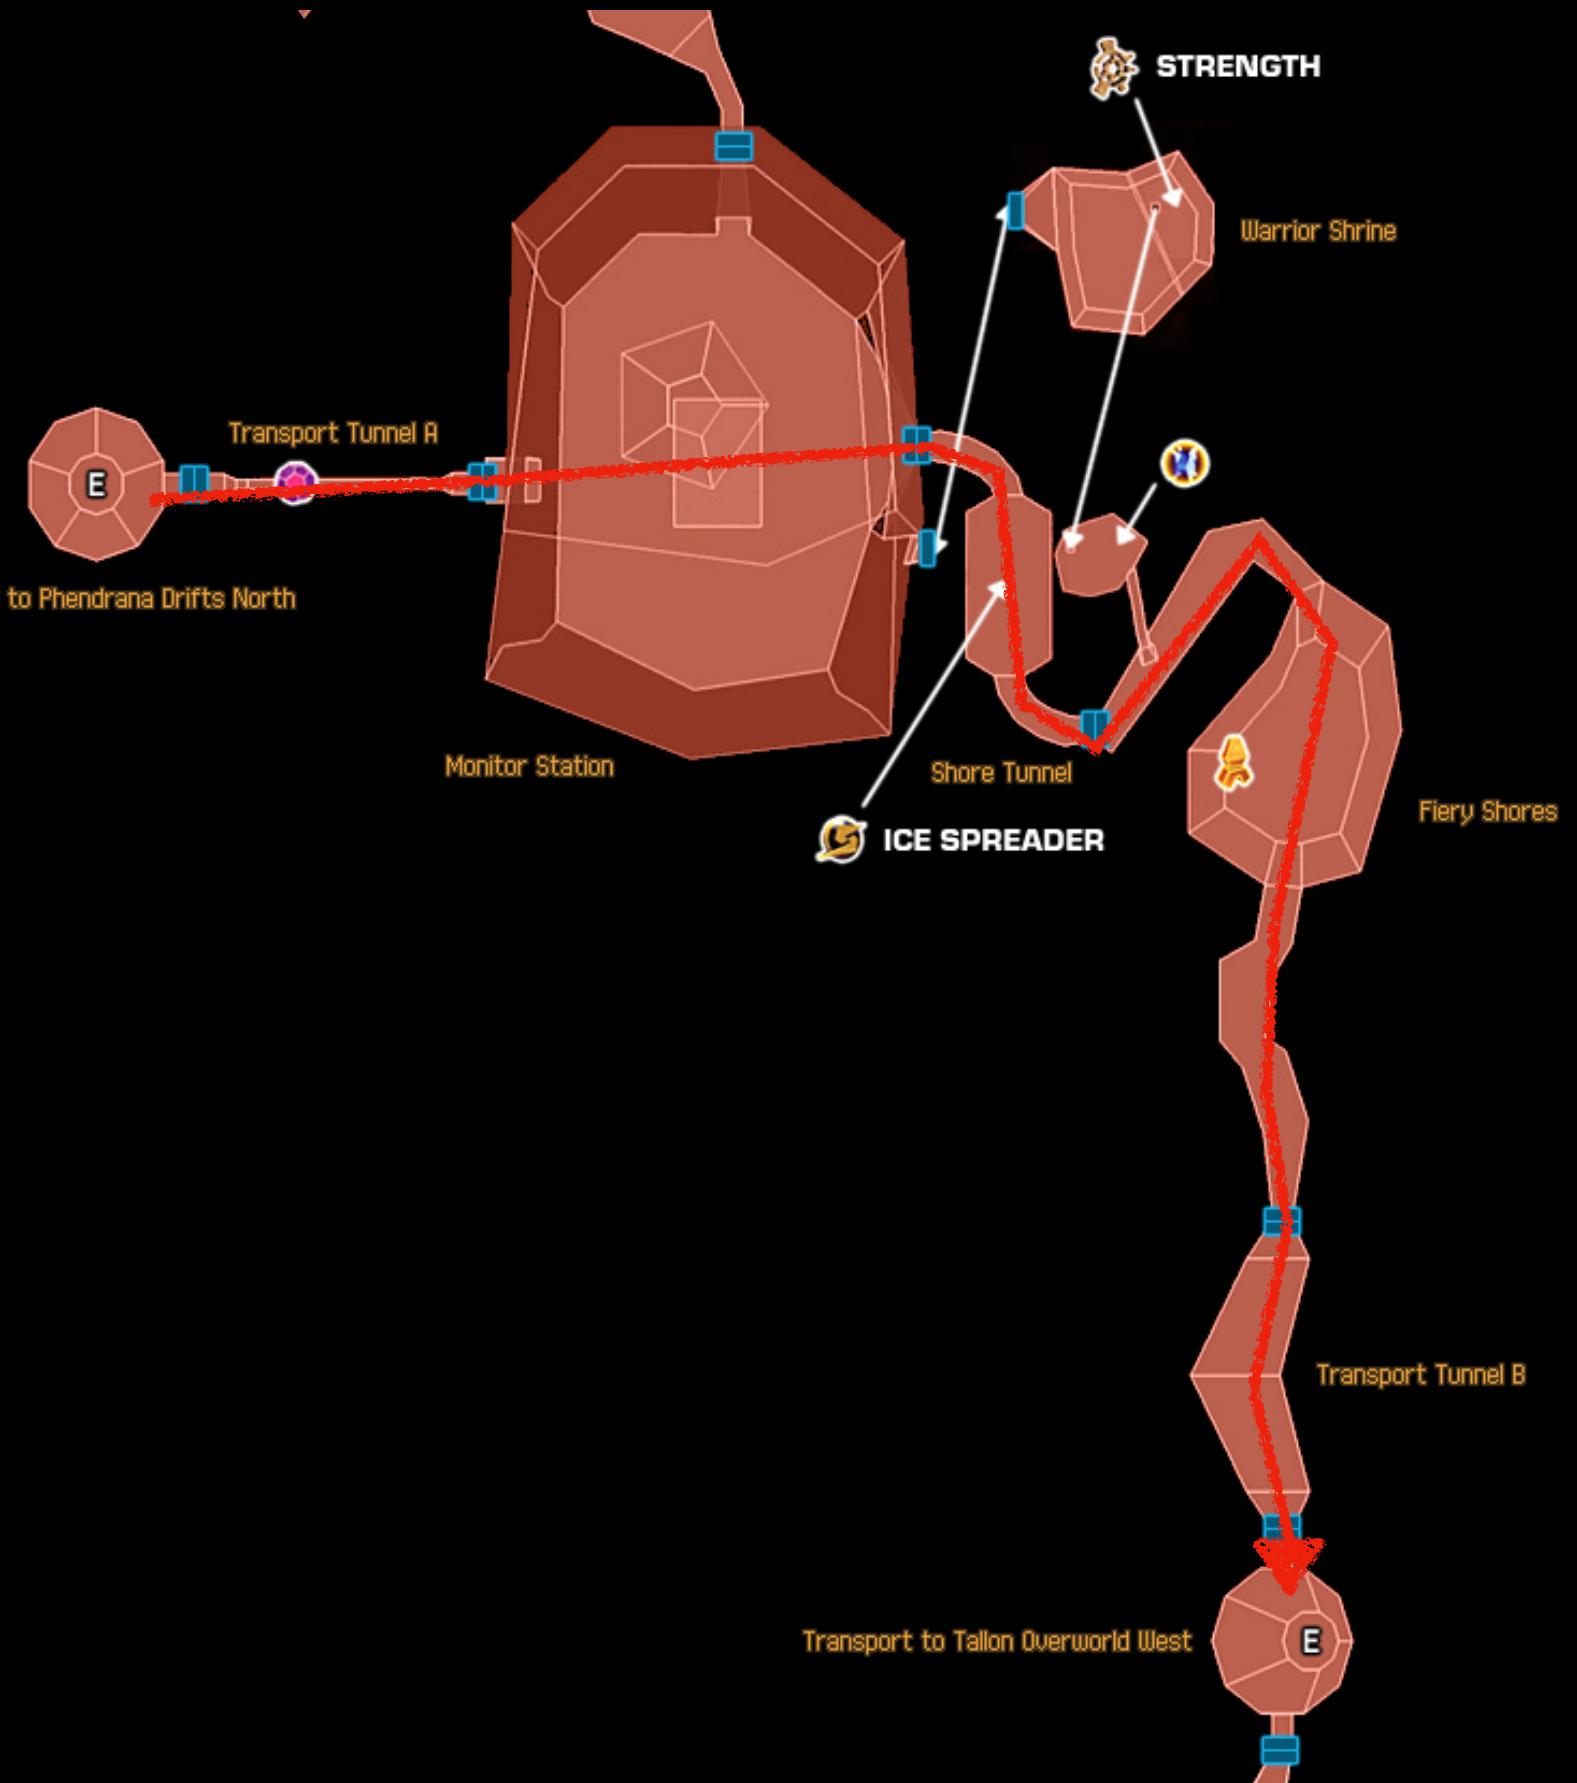

Space boots

- Exit all the way back to Magmoor Caverns

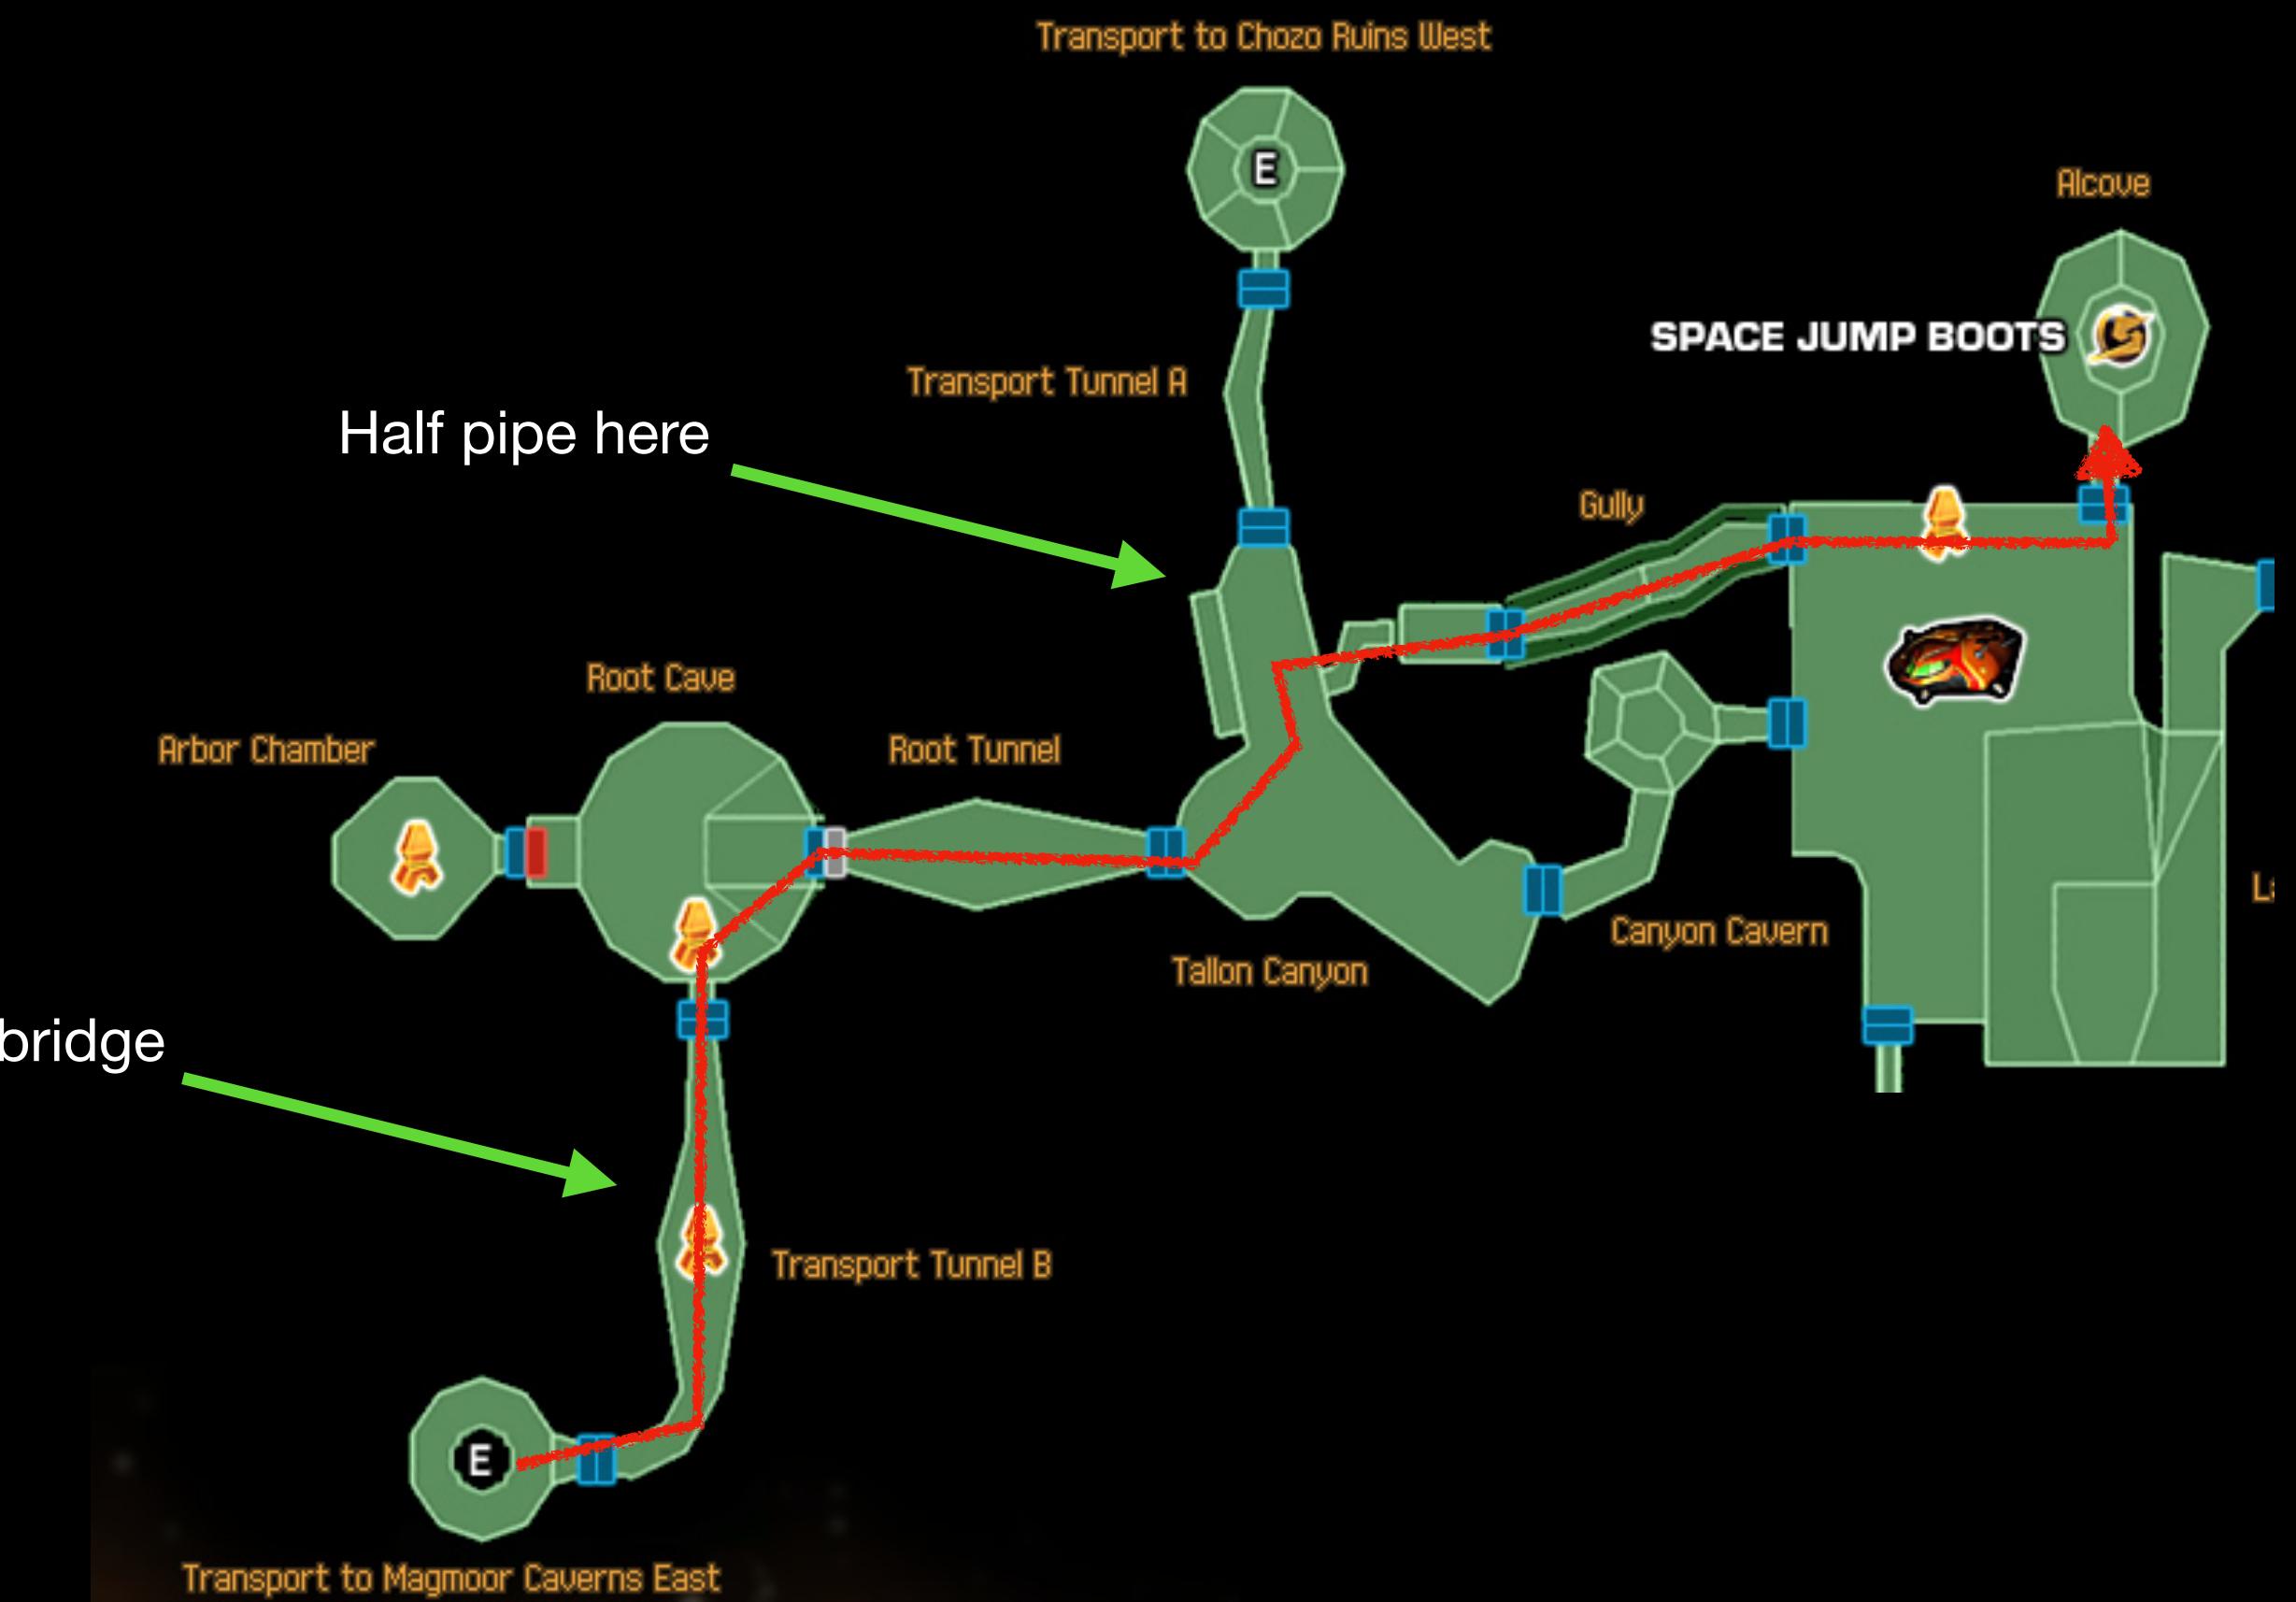

Space Boots

- Enter big control room
- Take the door straight ahead on the ground floor
- Make it to the elevator and take it to Tallon Overworld West

Space Boots

- Grab the rockets under the stone bridge
- Head to lift for Chozo Ruins West, but don't take the life
- Using Morph Ball & Boost Ball, get up the slop and use the highest exit towards your ship
- When you get to the outdoor space with your ship, don't fall and stick to the left
- Collect Space Boots

Wave Beam

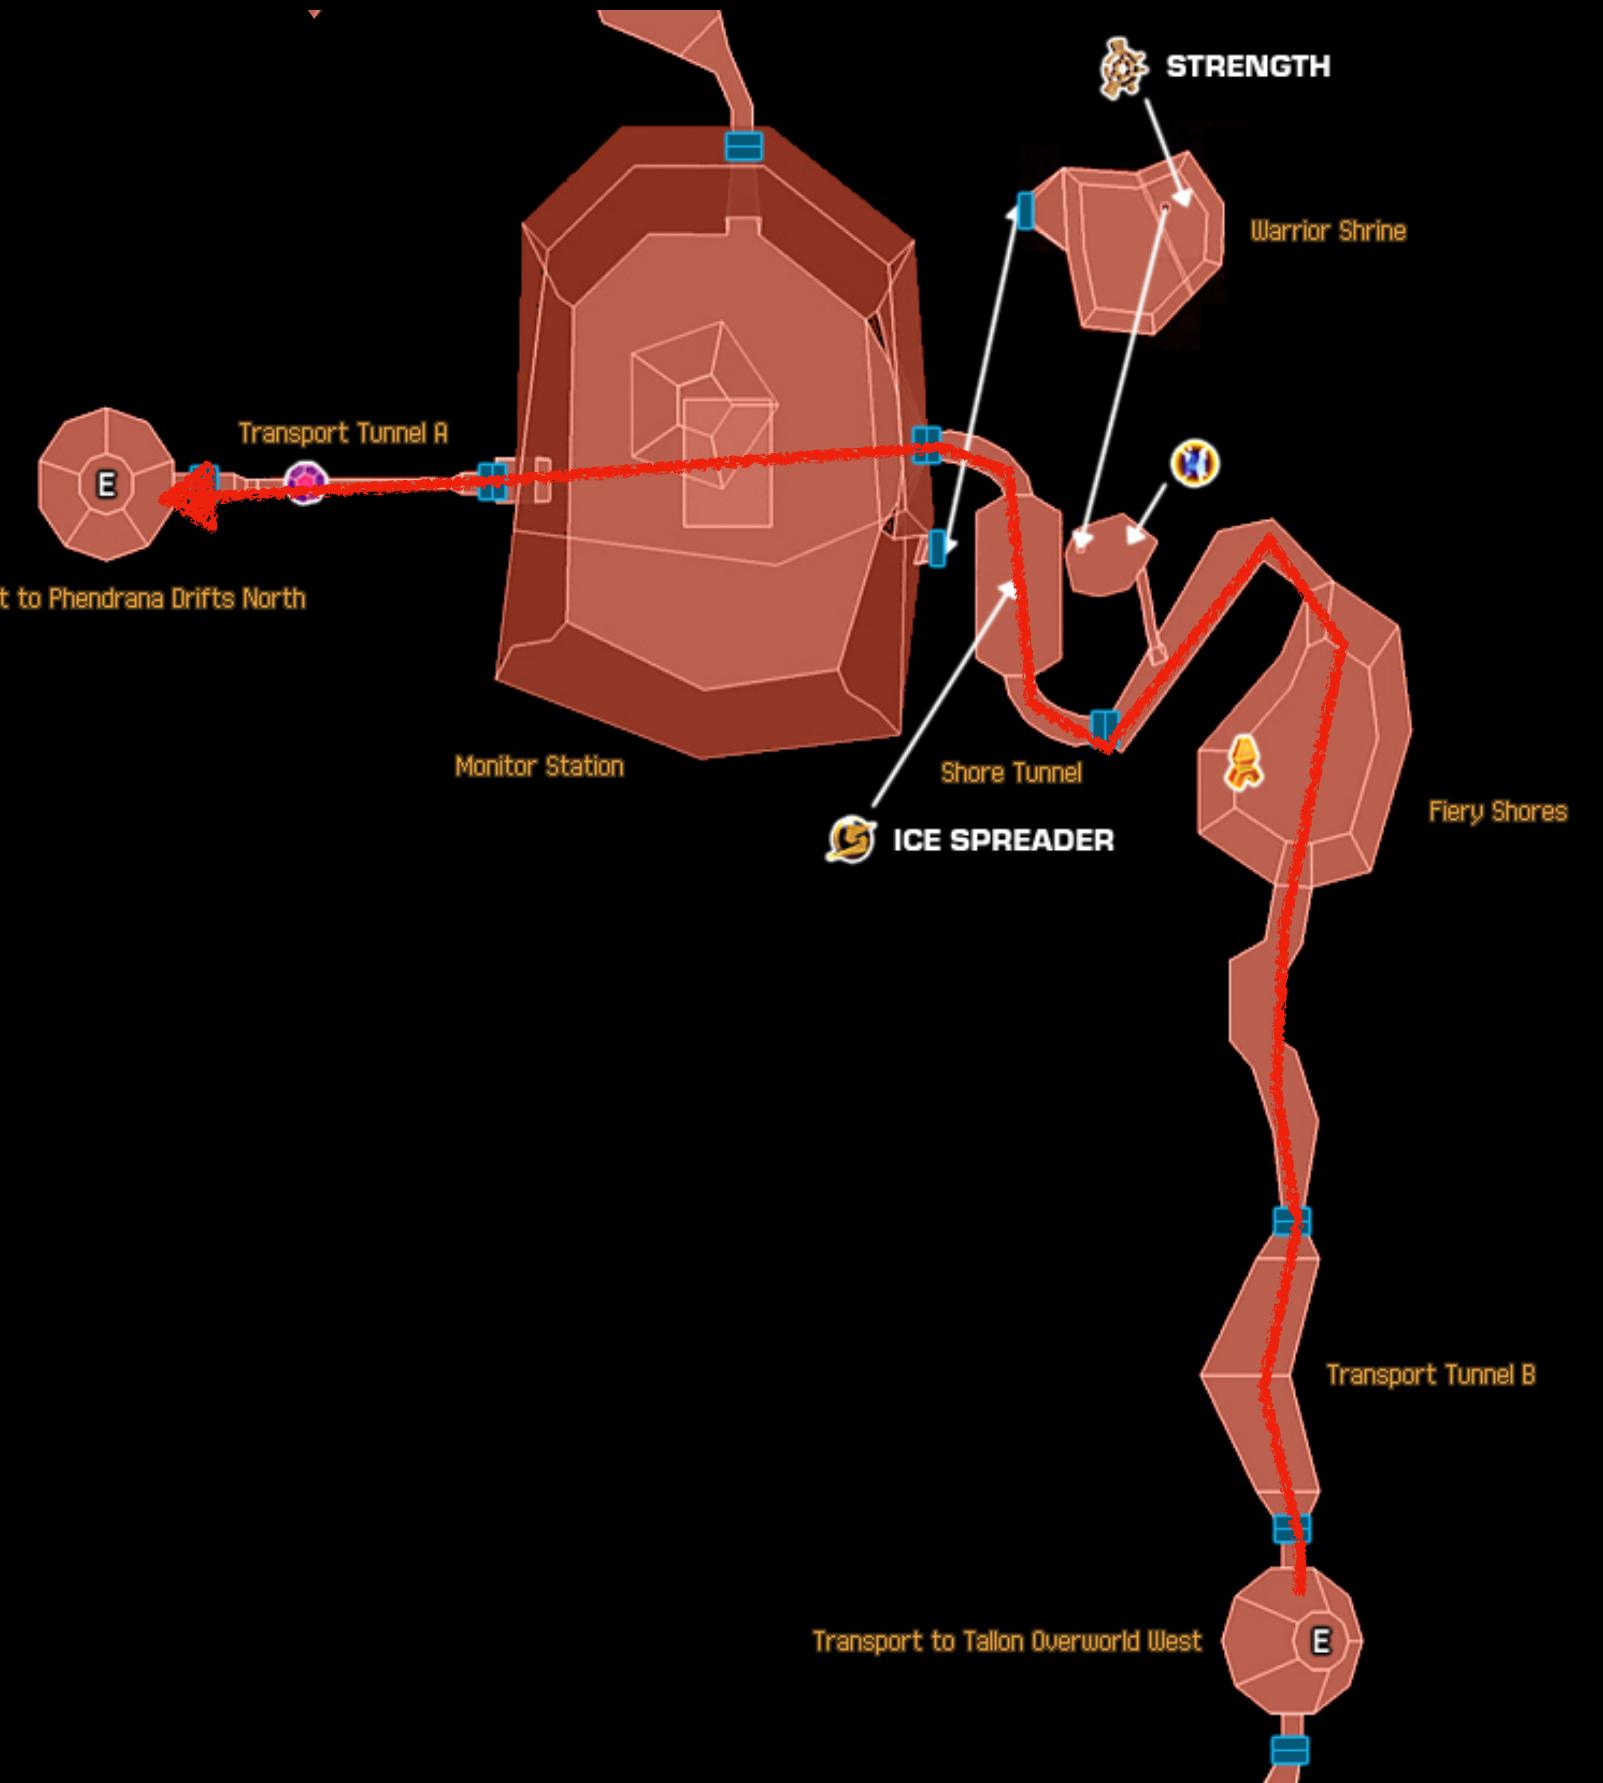

Space Boots

- Head back to Magmoor Caverns East

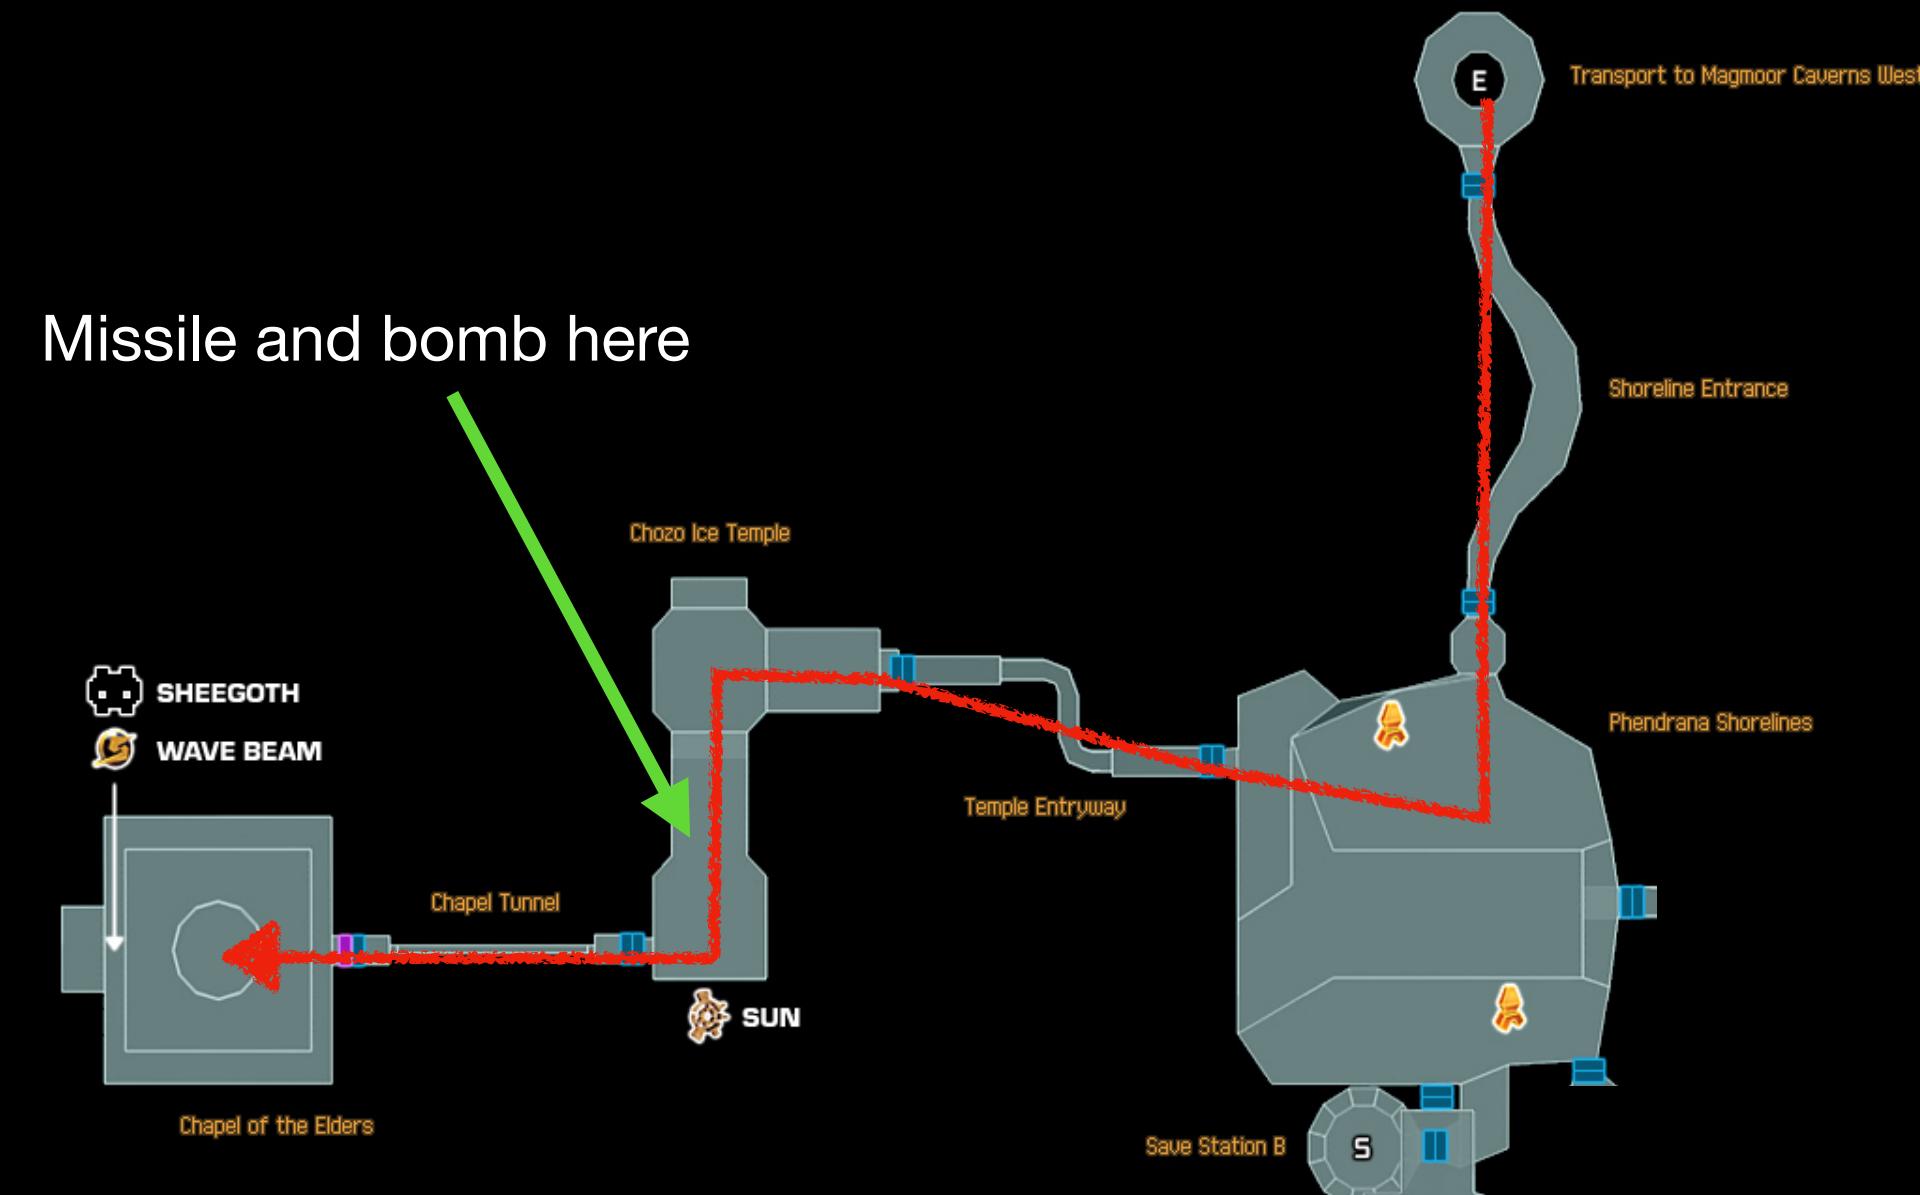

Space Boots

- Head back to Phandrana Drifts

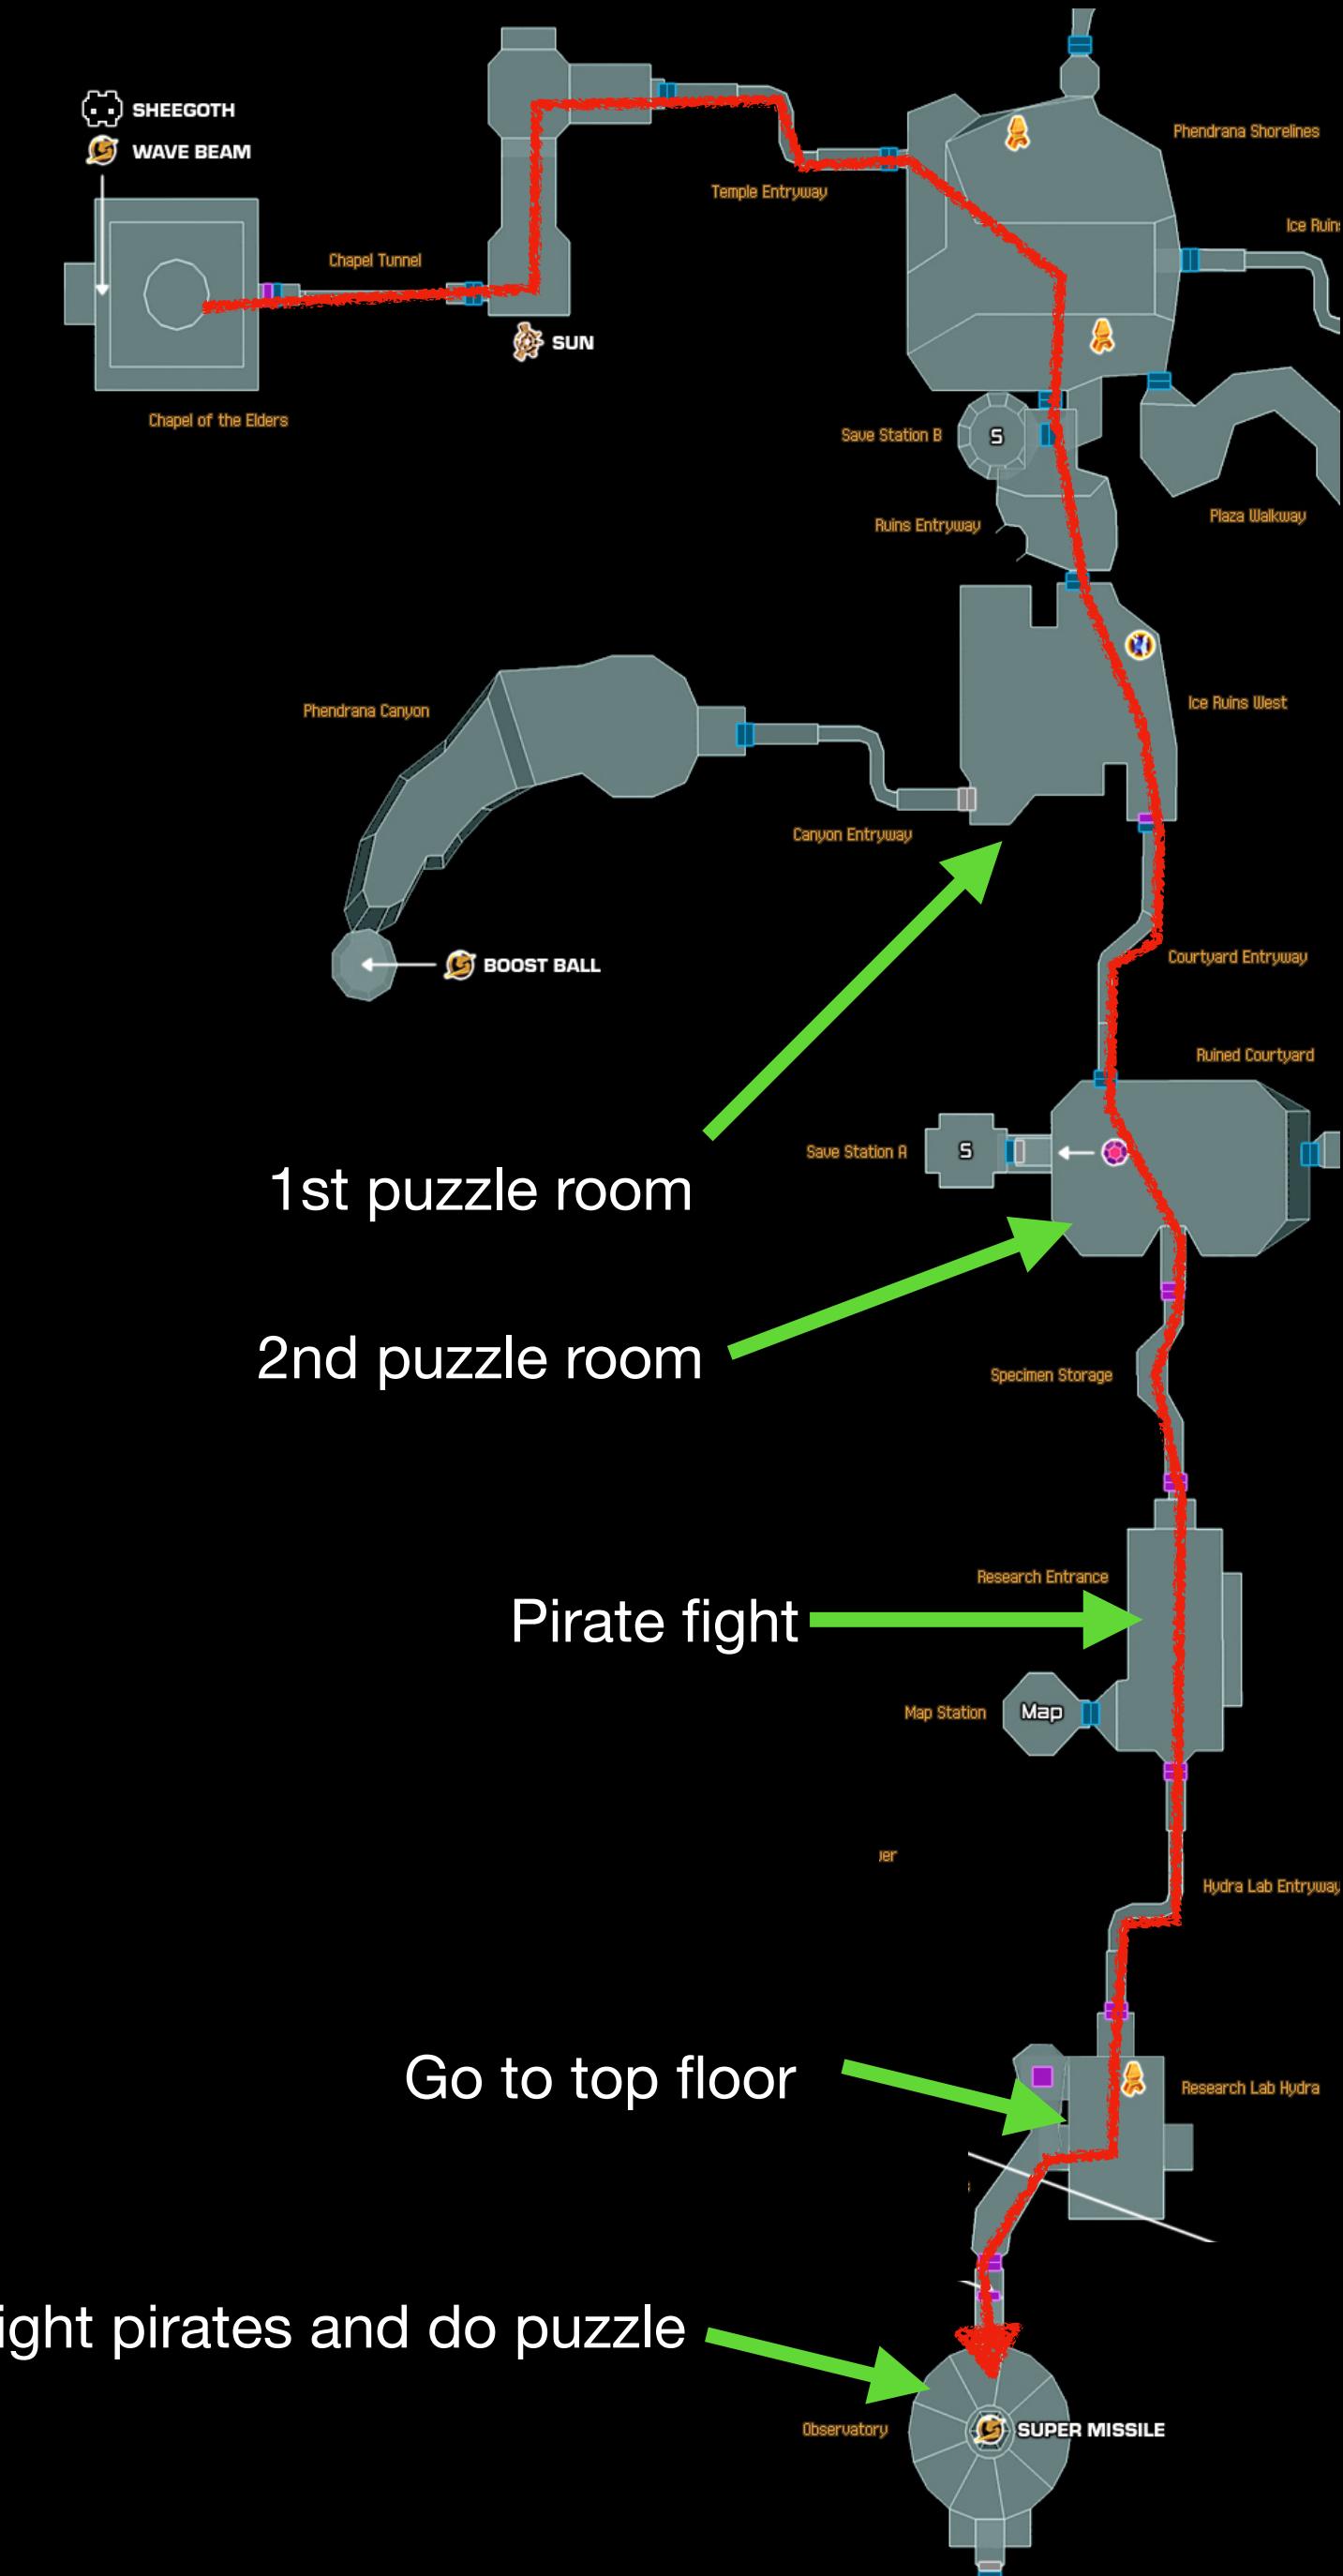

Wave Beam

- In the main area, stay right and jump up to temple entrance
- Climb up to the Chozo Ice Temple
- Blow a hole in the second to right symbol, then use bombs to activate and open the door
- Boss Battle and collect Wave Beam

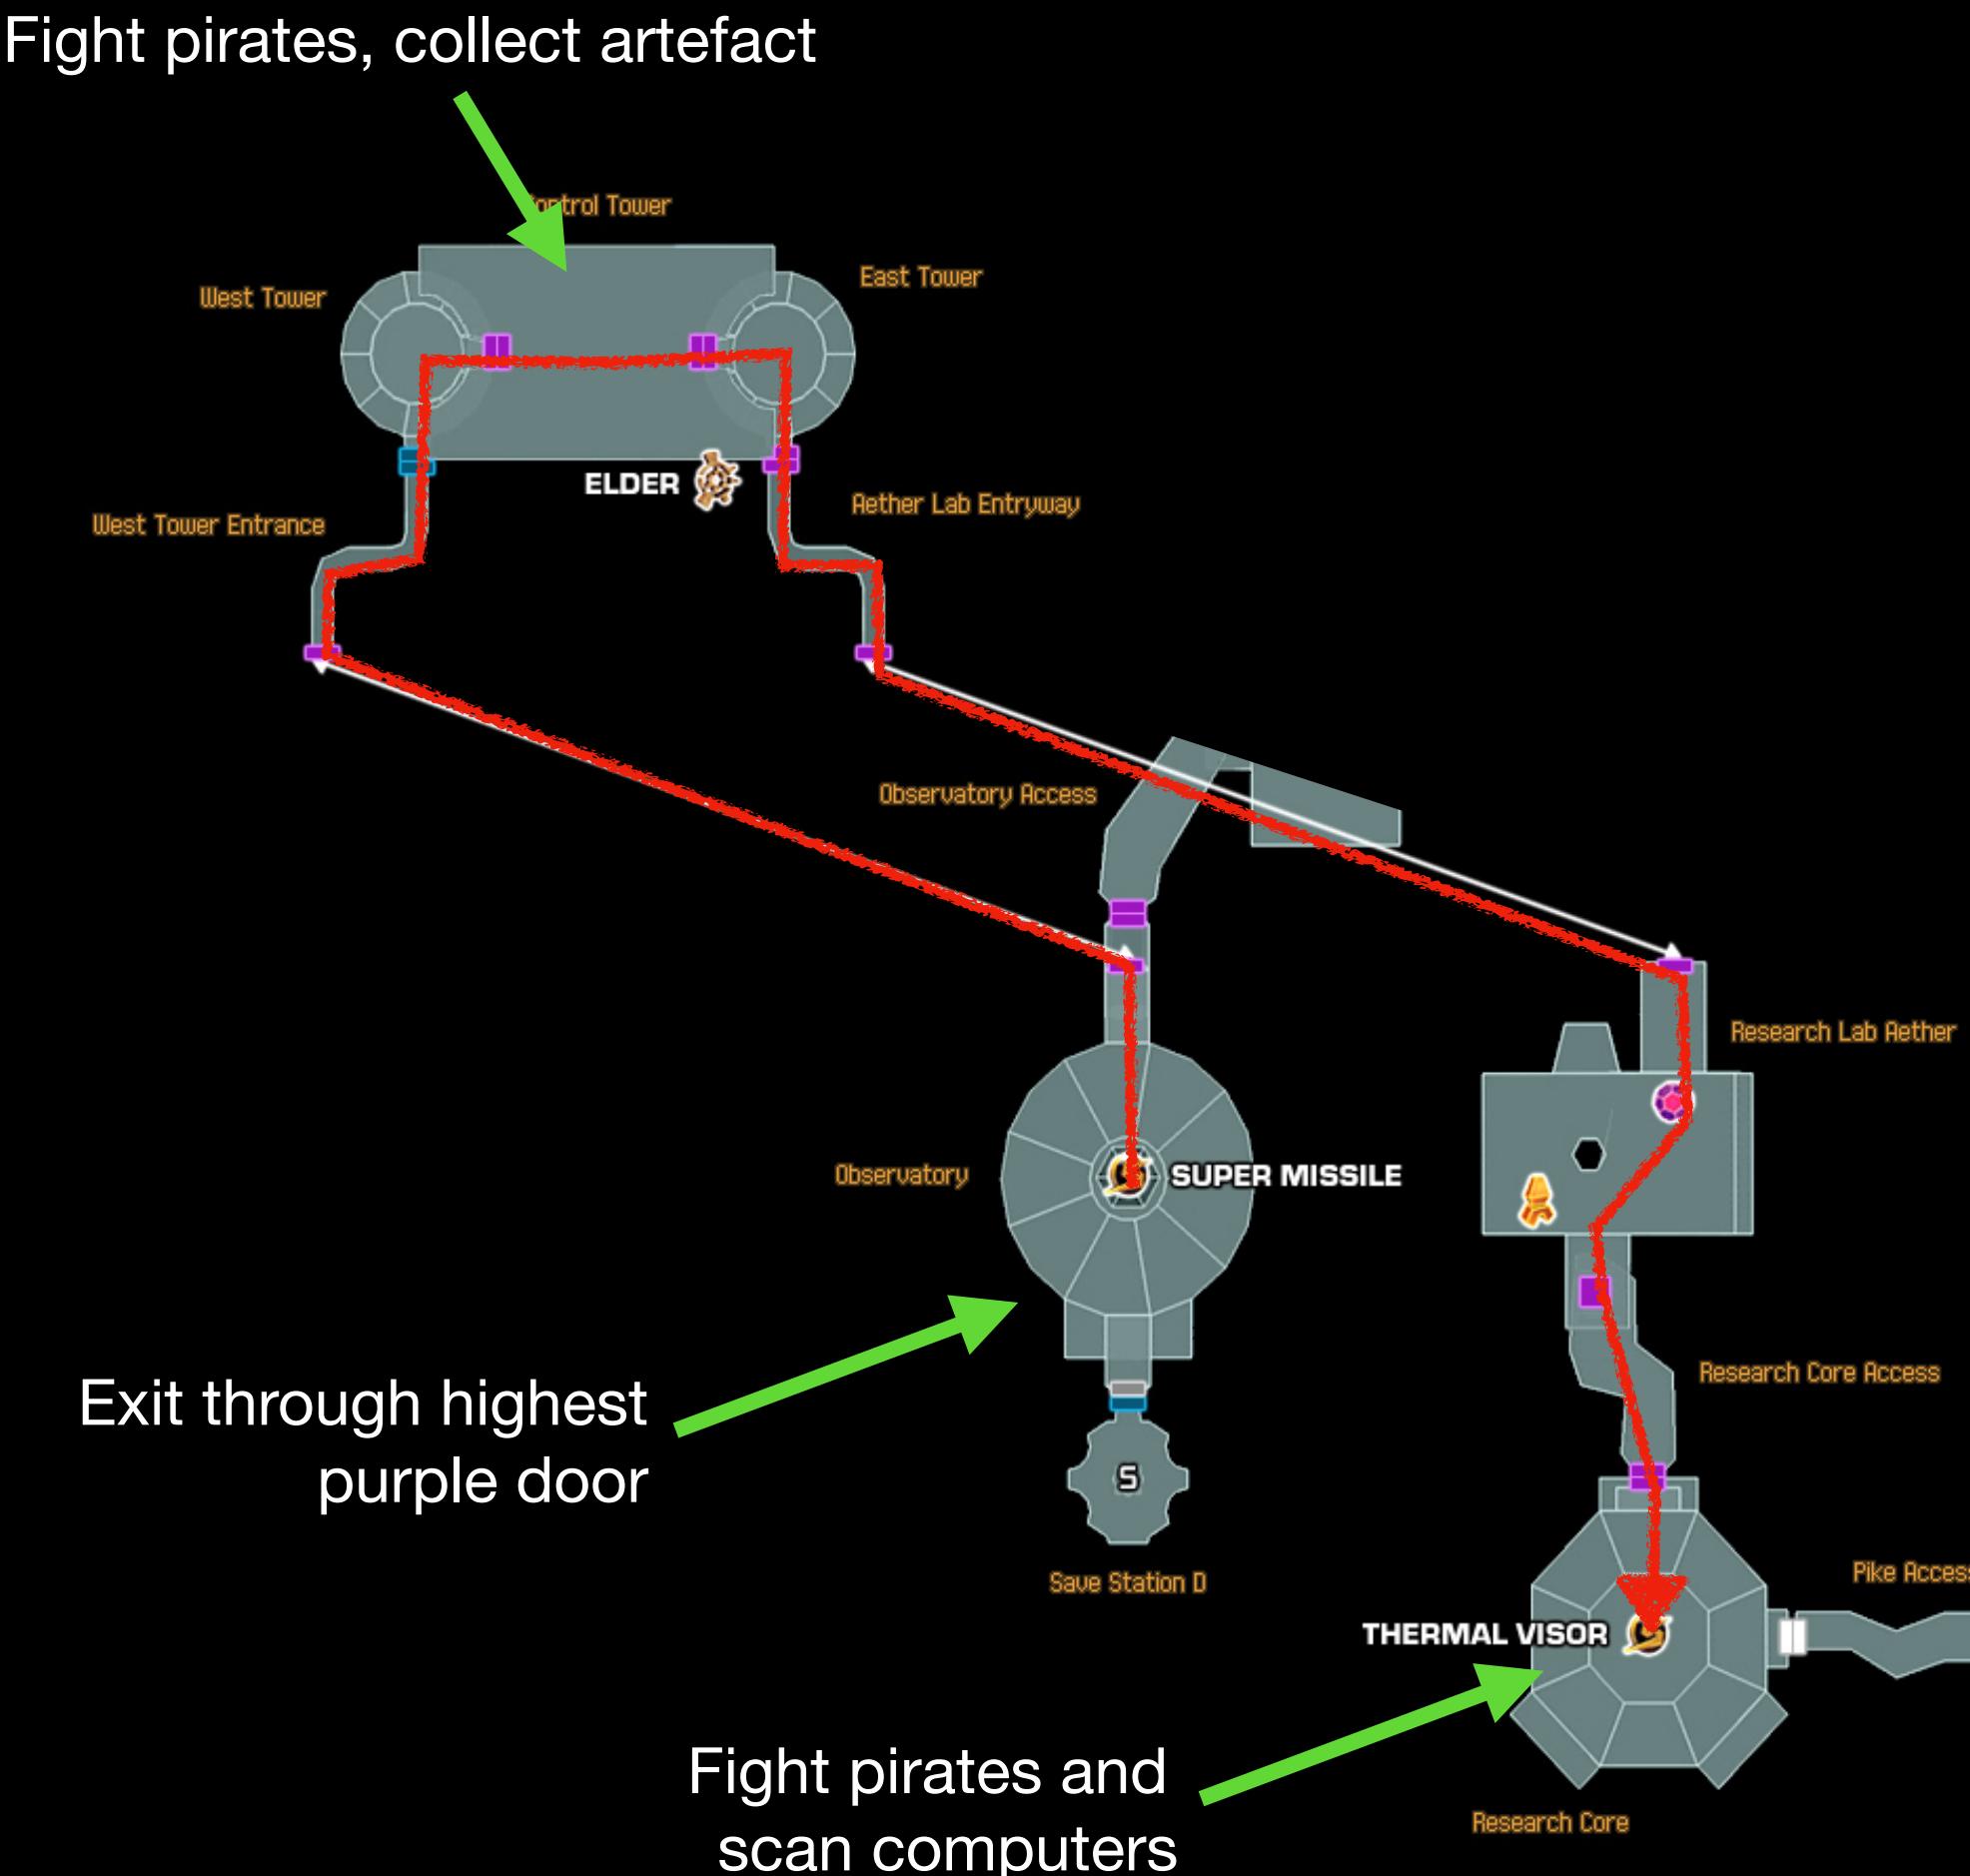

Super Missiles

- Go to main area oh Phendrana Drifts
- Find way to highest door in main area (Space Boots will help here)
- Solve the puzzle in the first puzzle room and take the purple door
- Make it to the highest point in the second puzzle room and take the middle door
- In the next room, fight the pirates to move on
- Continue onto the Observatory. Fight pirates, do the simple puzzle and collect Super Missiles

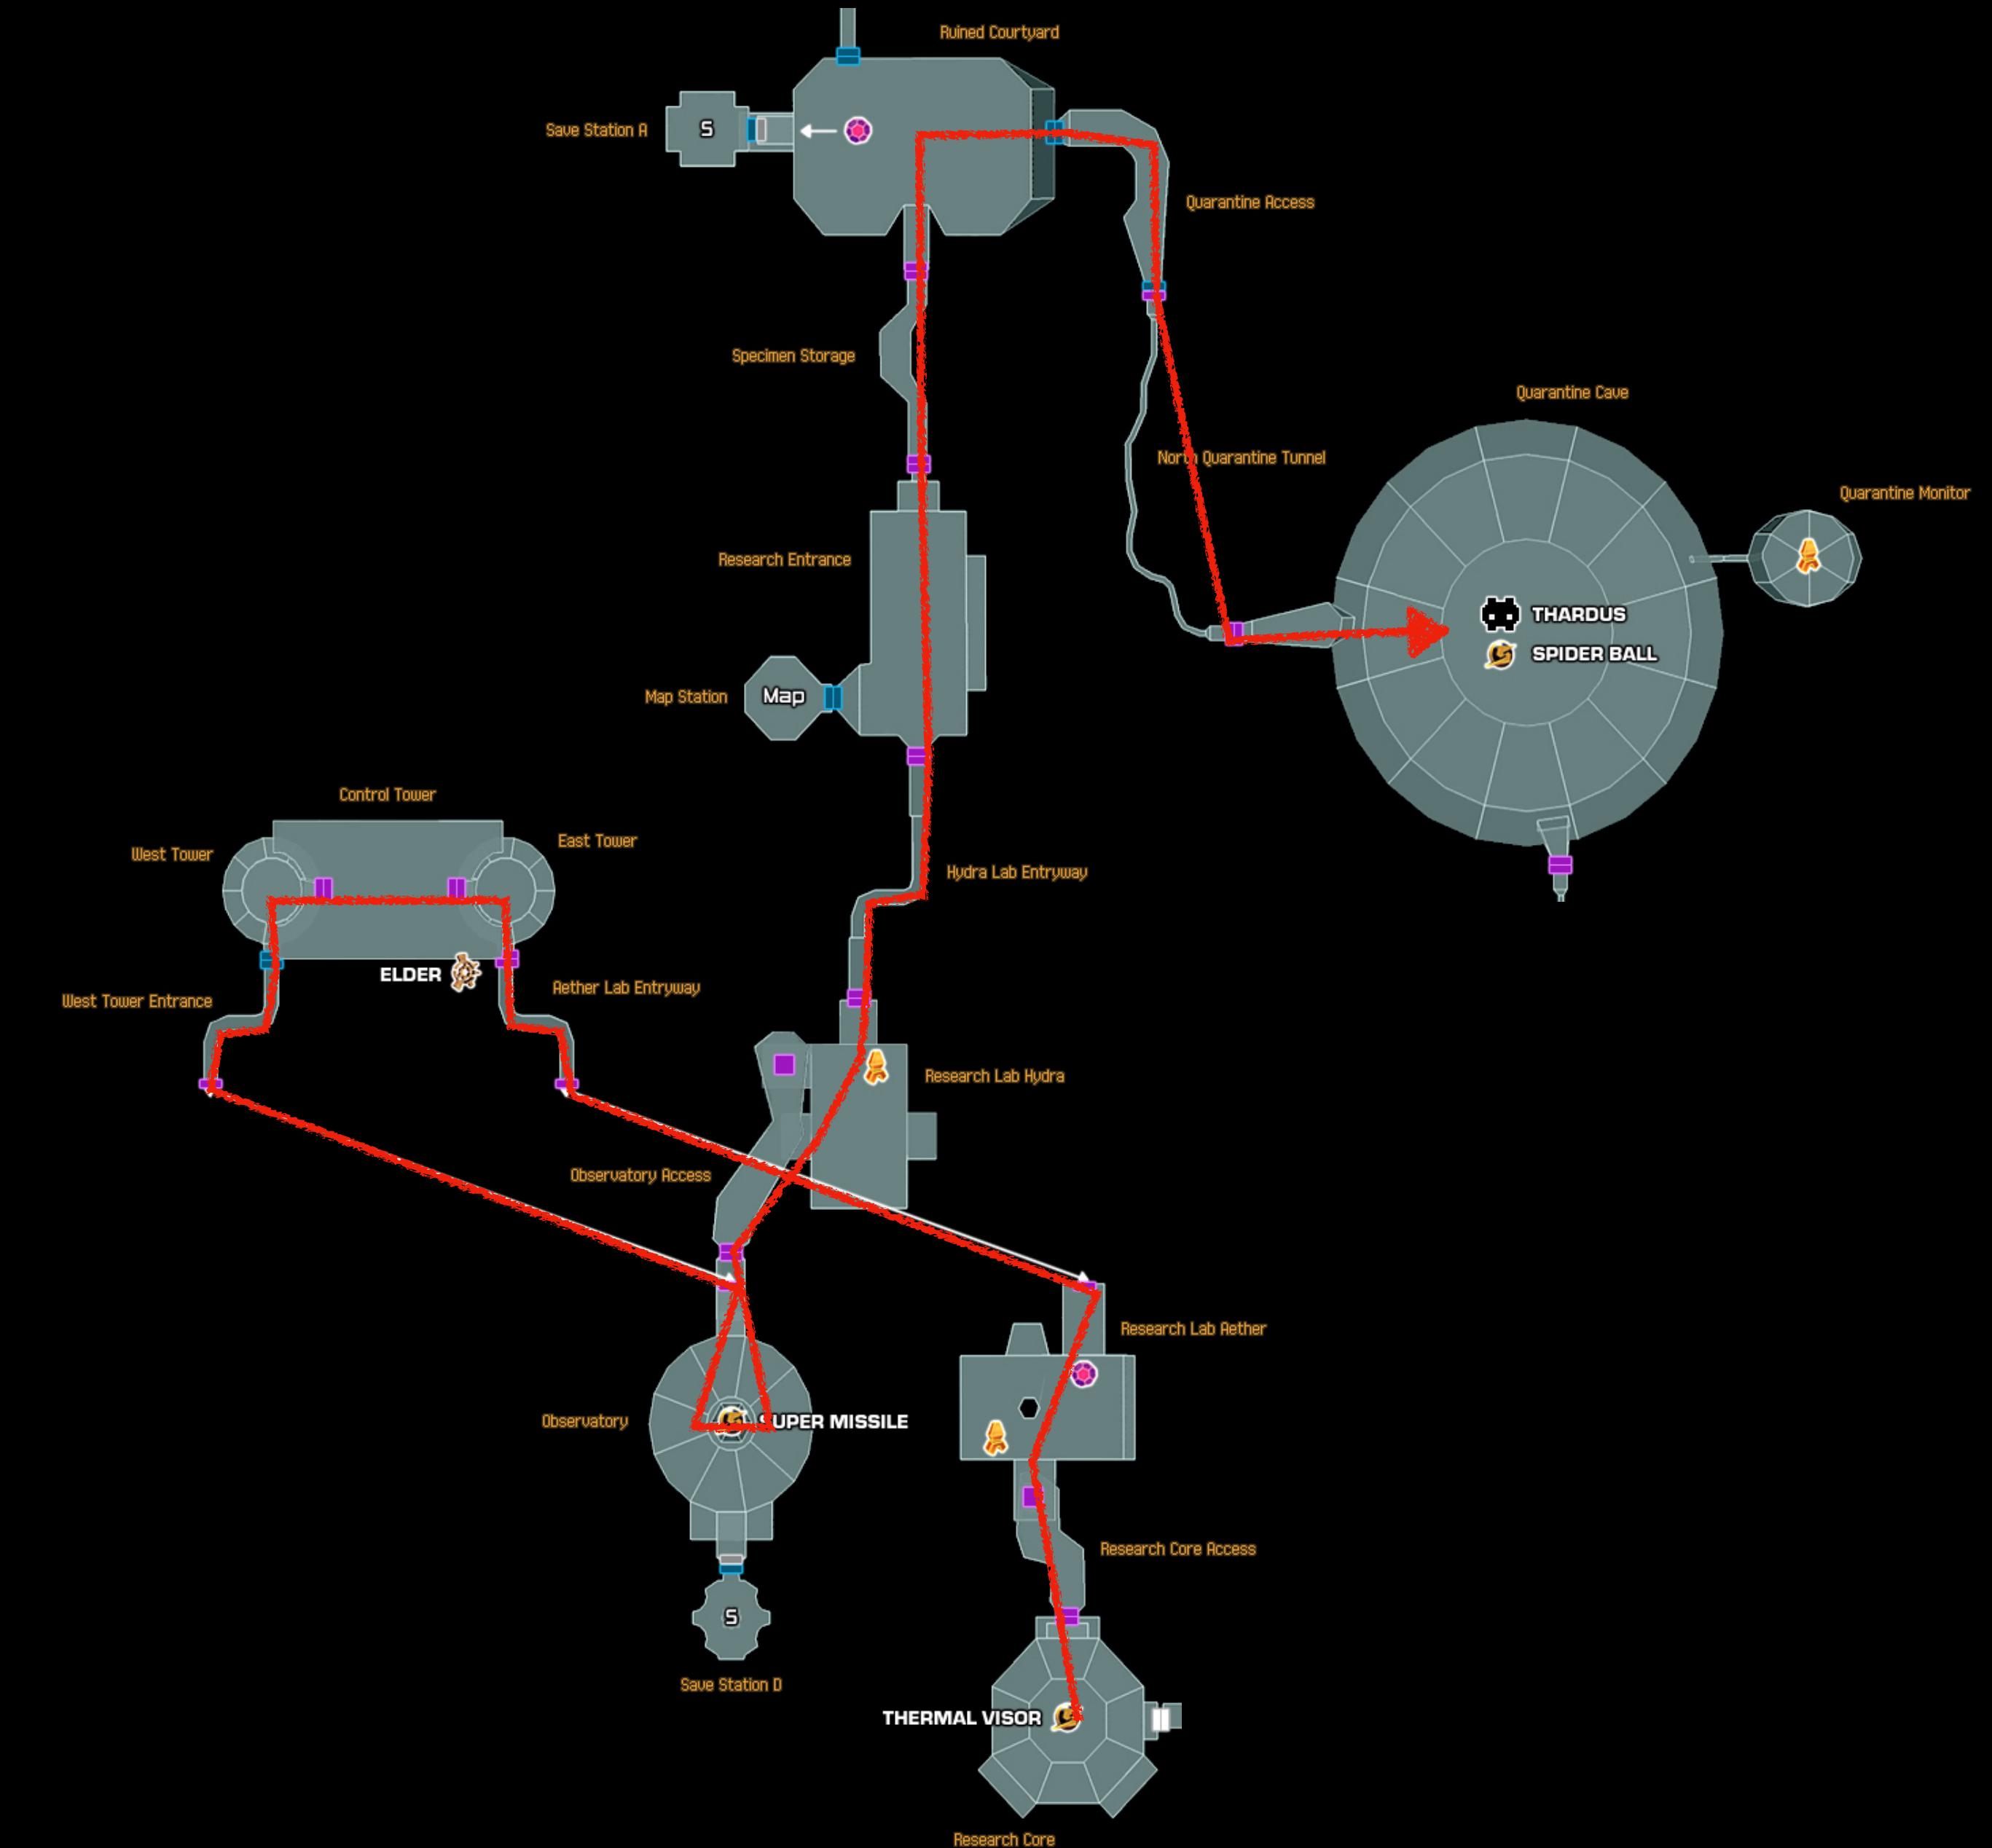

Thermal Visor

- Take exit through purple door at top of room
- Take elevator up to control tower
- Fight pirates and collect the artefact
- Continue through and take elevator down
- In the research core, scan computers to open the centre
- Collect Thermal Visor

Spider Ball

- Backtrack your way to the outside puzzle area (Ruined Courtyard)
- Stay in the top of this area, and use super missiles to power up the door
- Fight boss and collect Spider Ball

Ice Beam

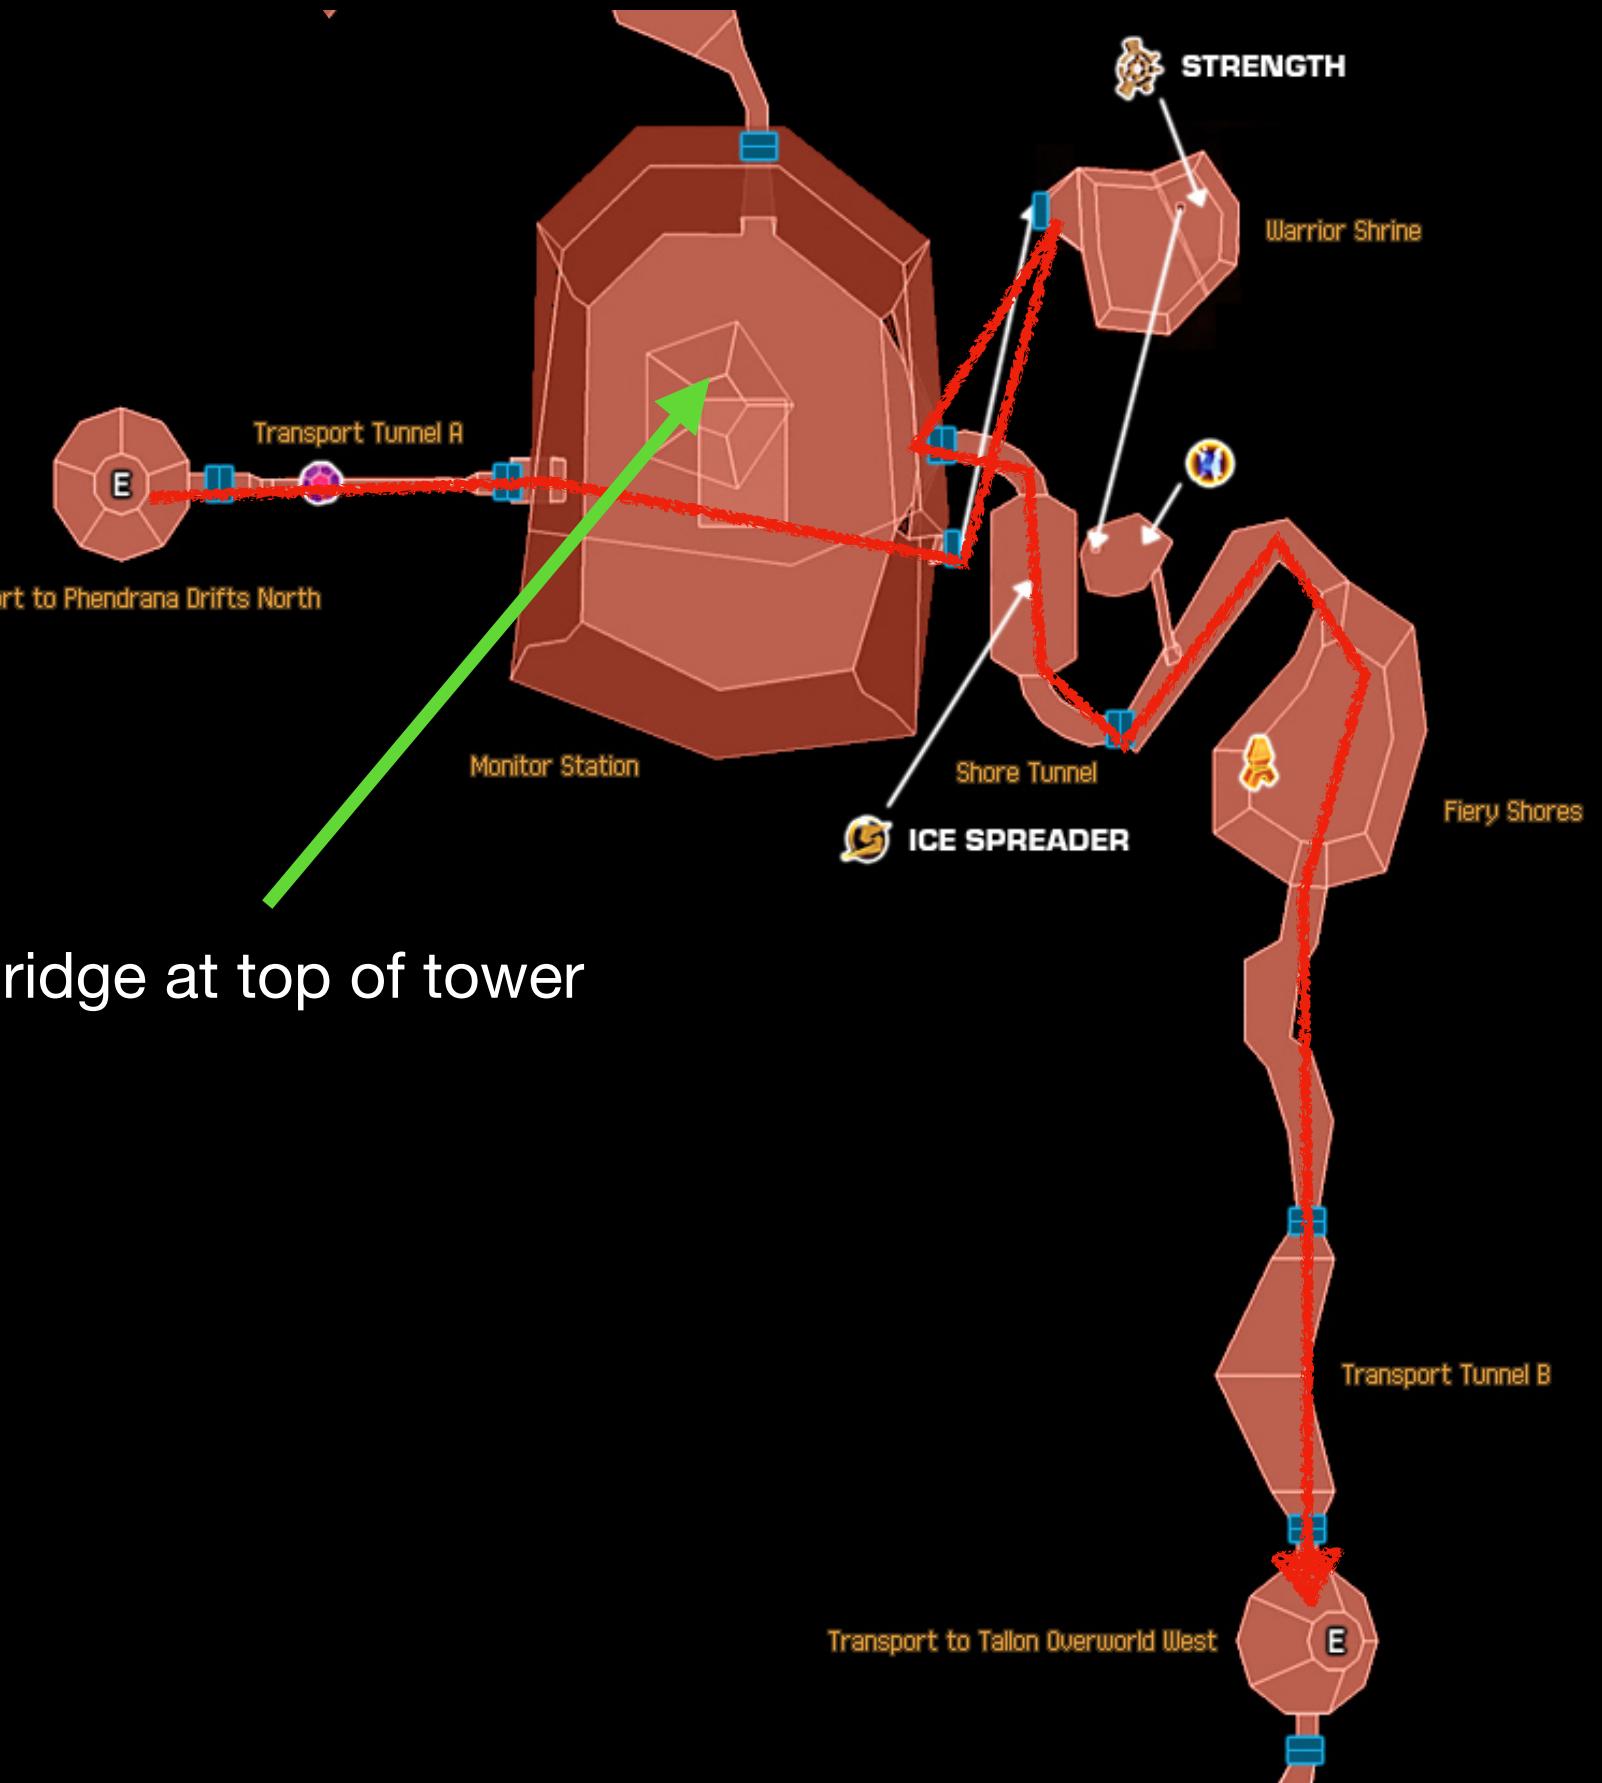

Ice Beam

- Make your way back to Magmoor Caverns through the way you came in

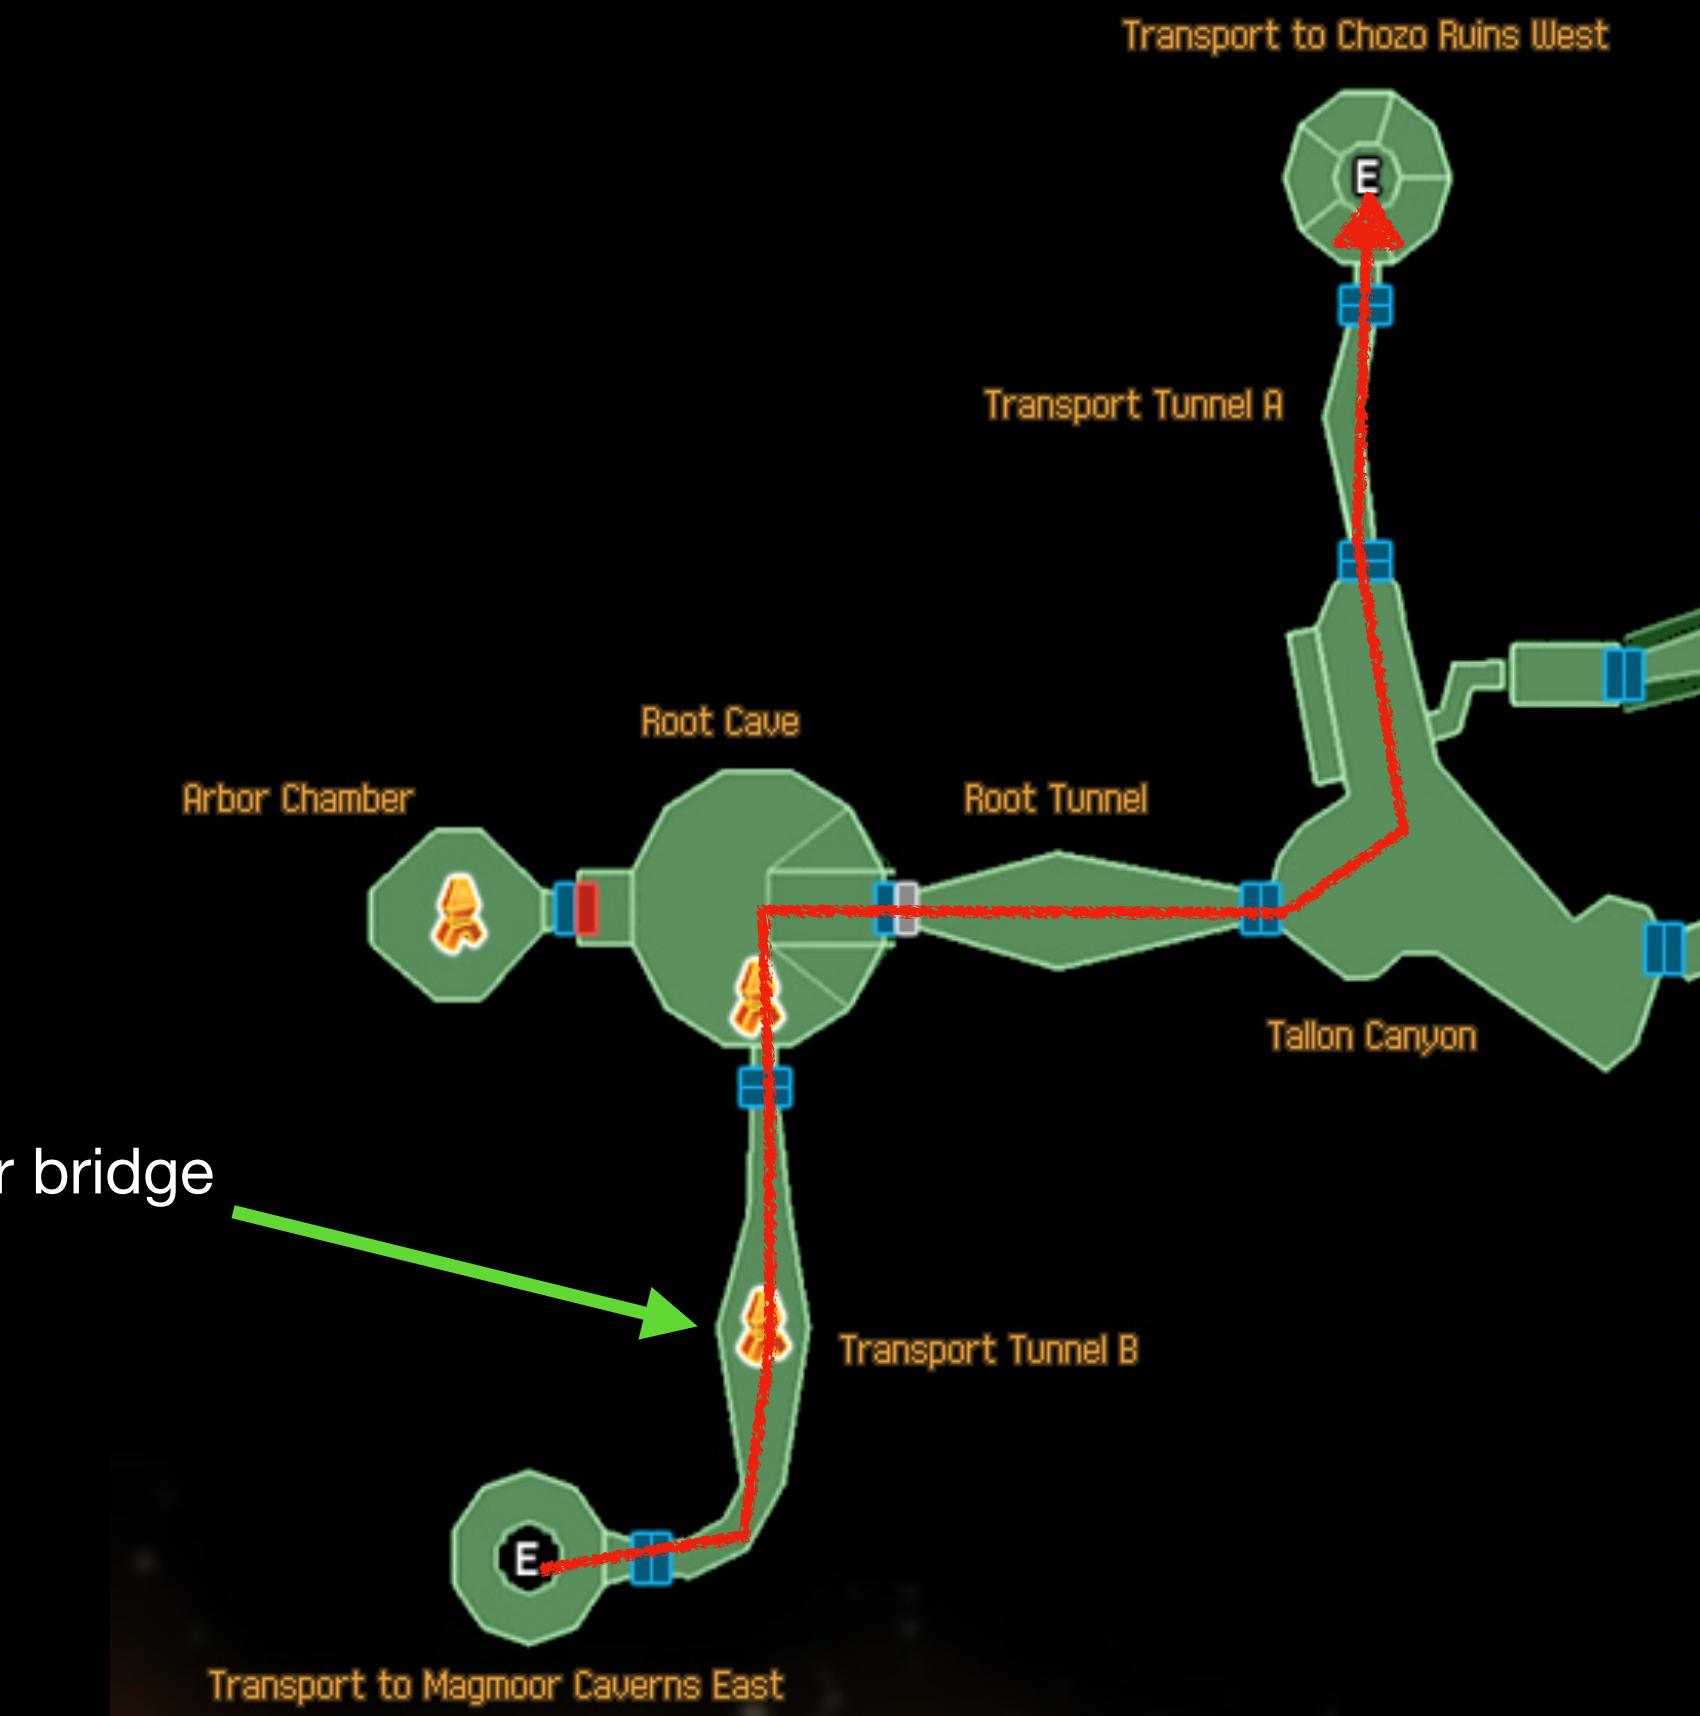

Ice Beam

- Enter big control room and get to top of centre tower
- Extend the bridge and follow the rock around to collect the artefact
- Leave the artefact room, just down and take the door directly below
- Make it to the elevator and take it to Tallon Overworld West

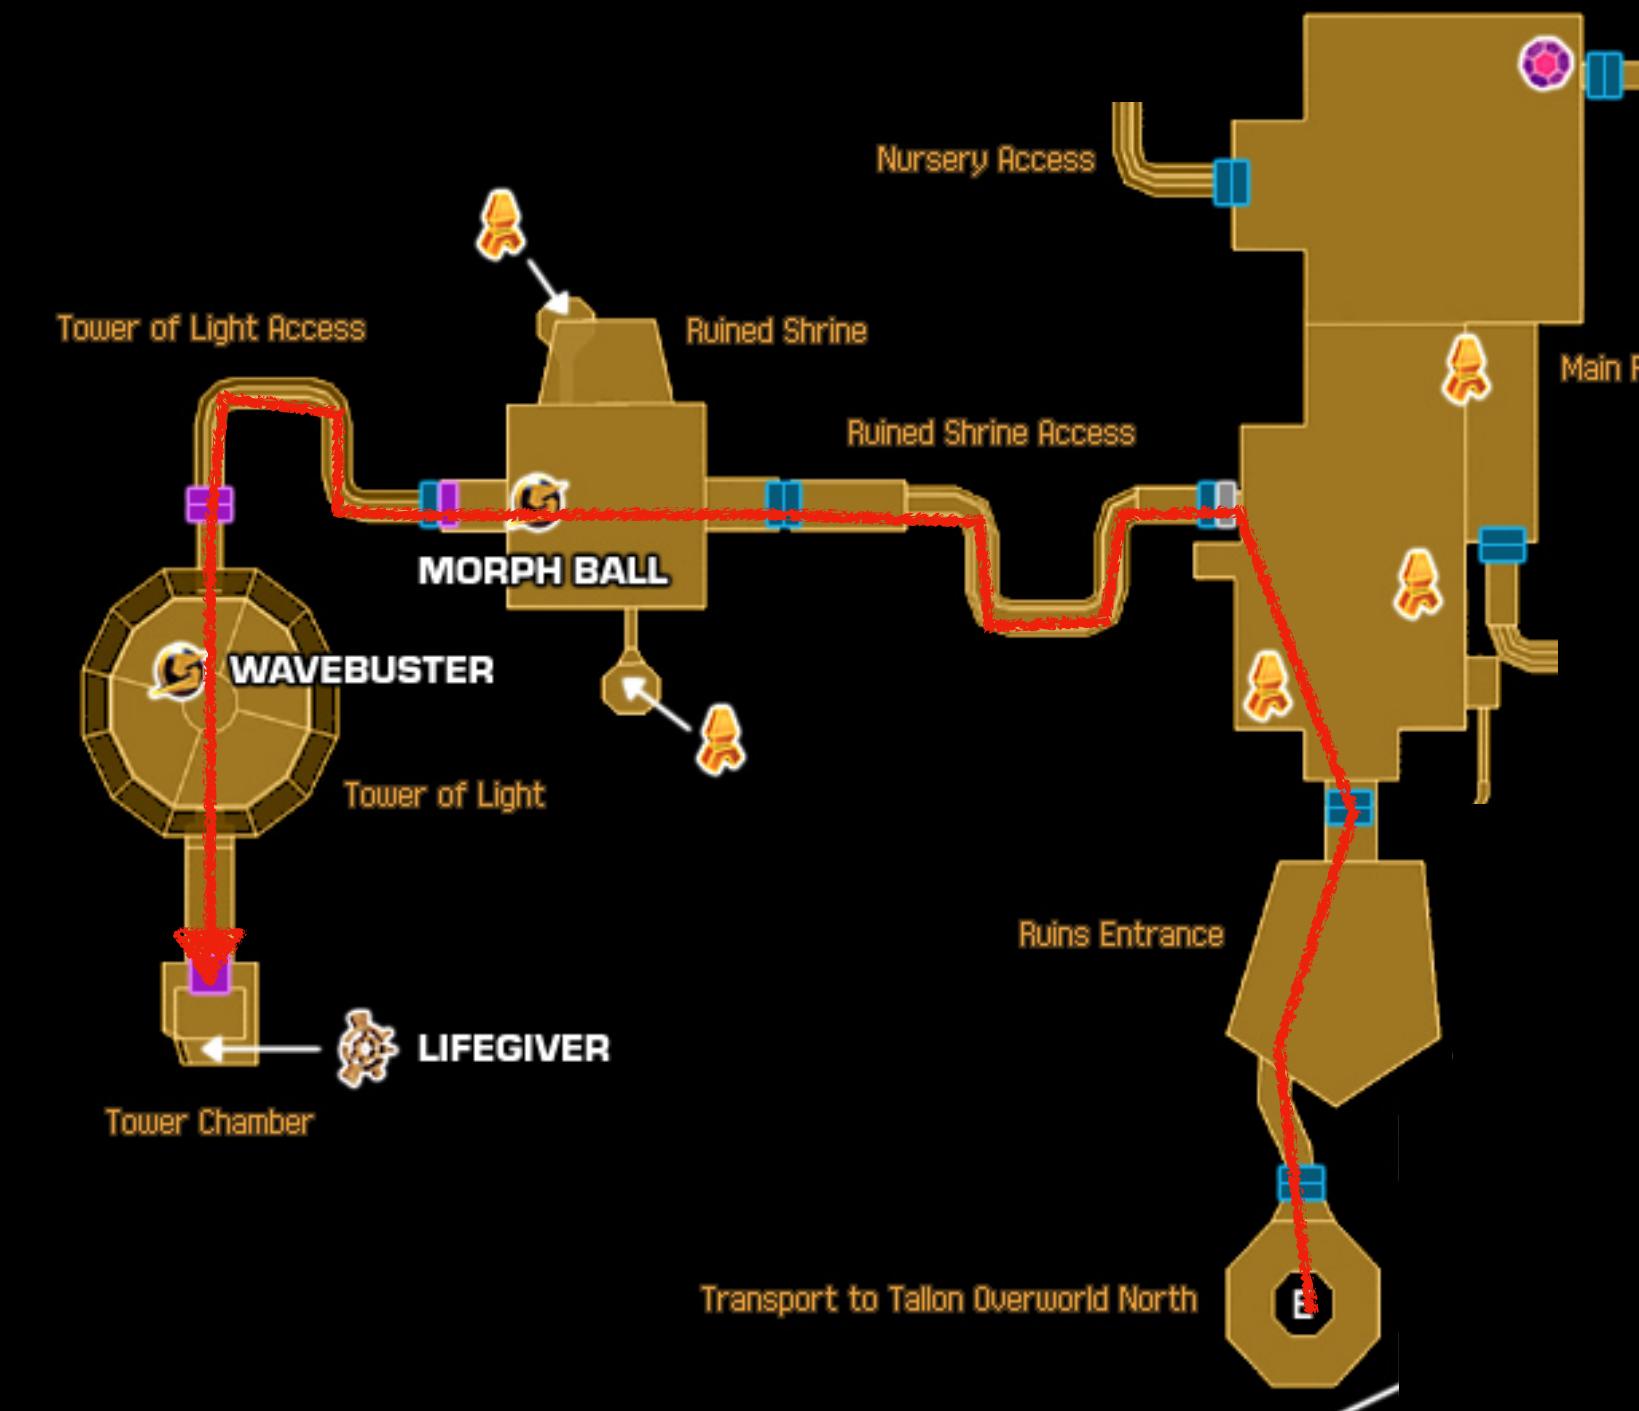

Ice Beam

- Grab the rockets under the stone bridge
- Head to lift for Chozo Ruins West

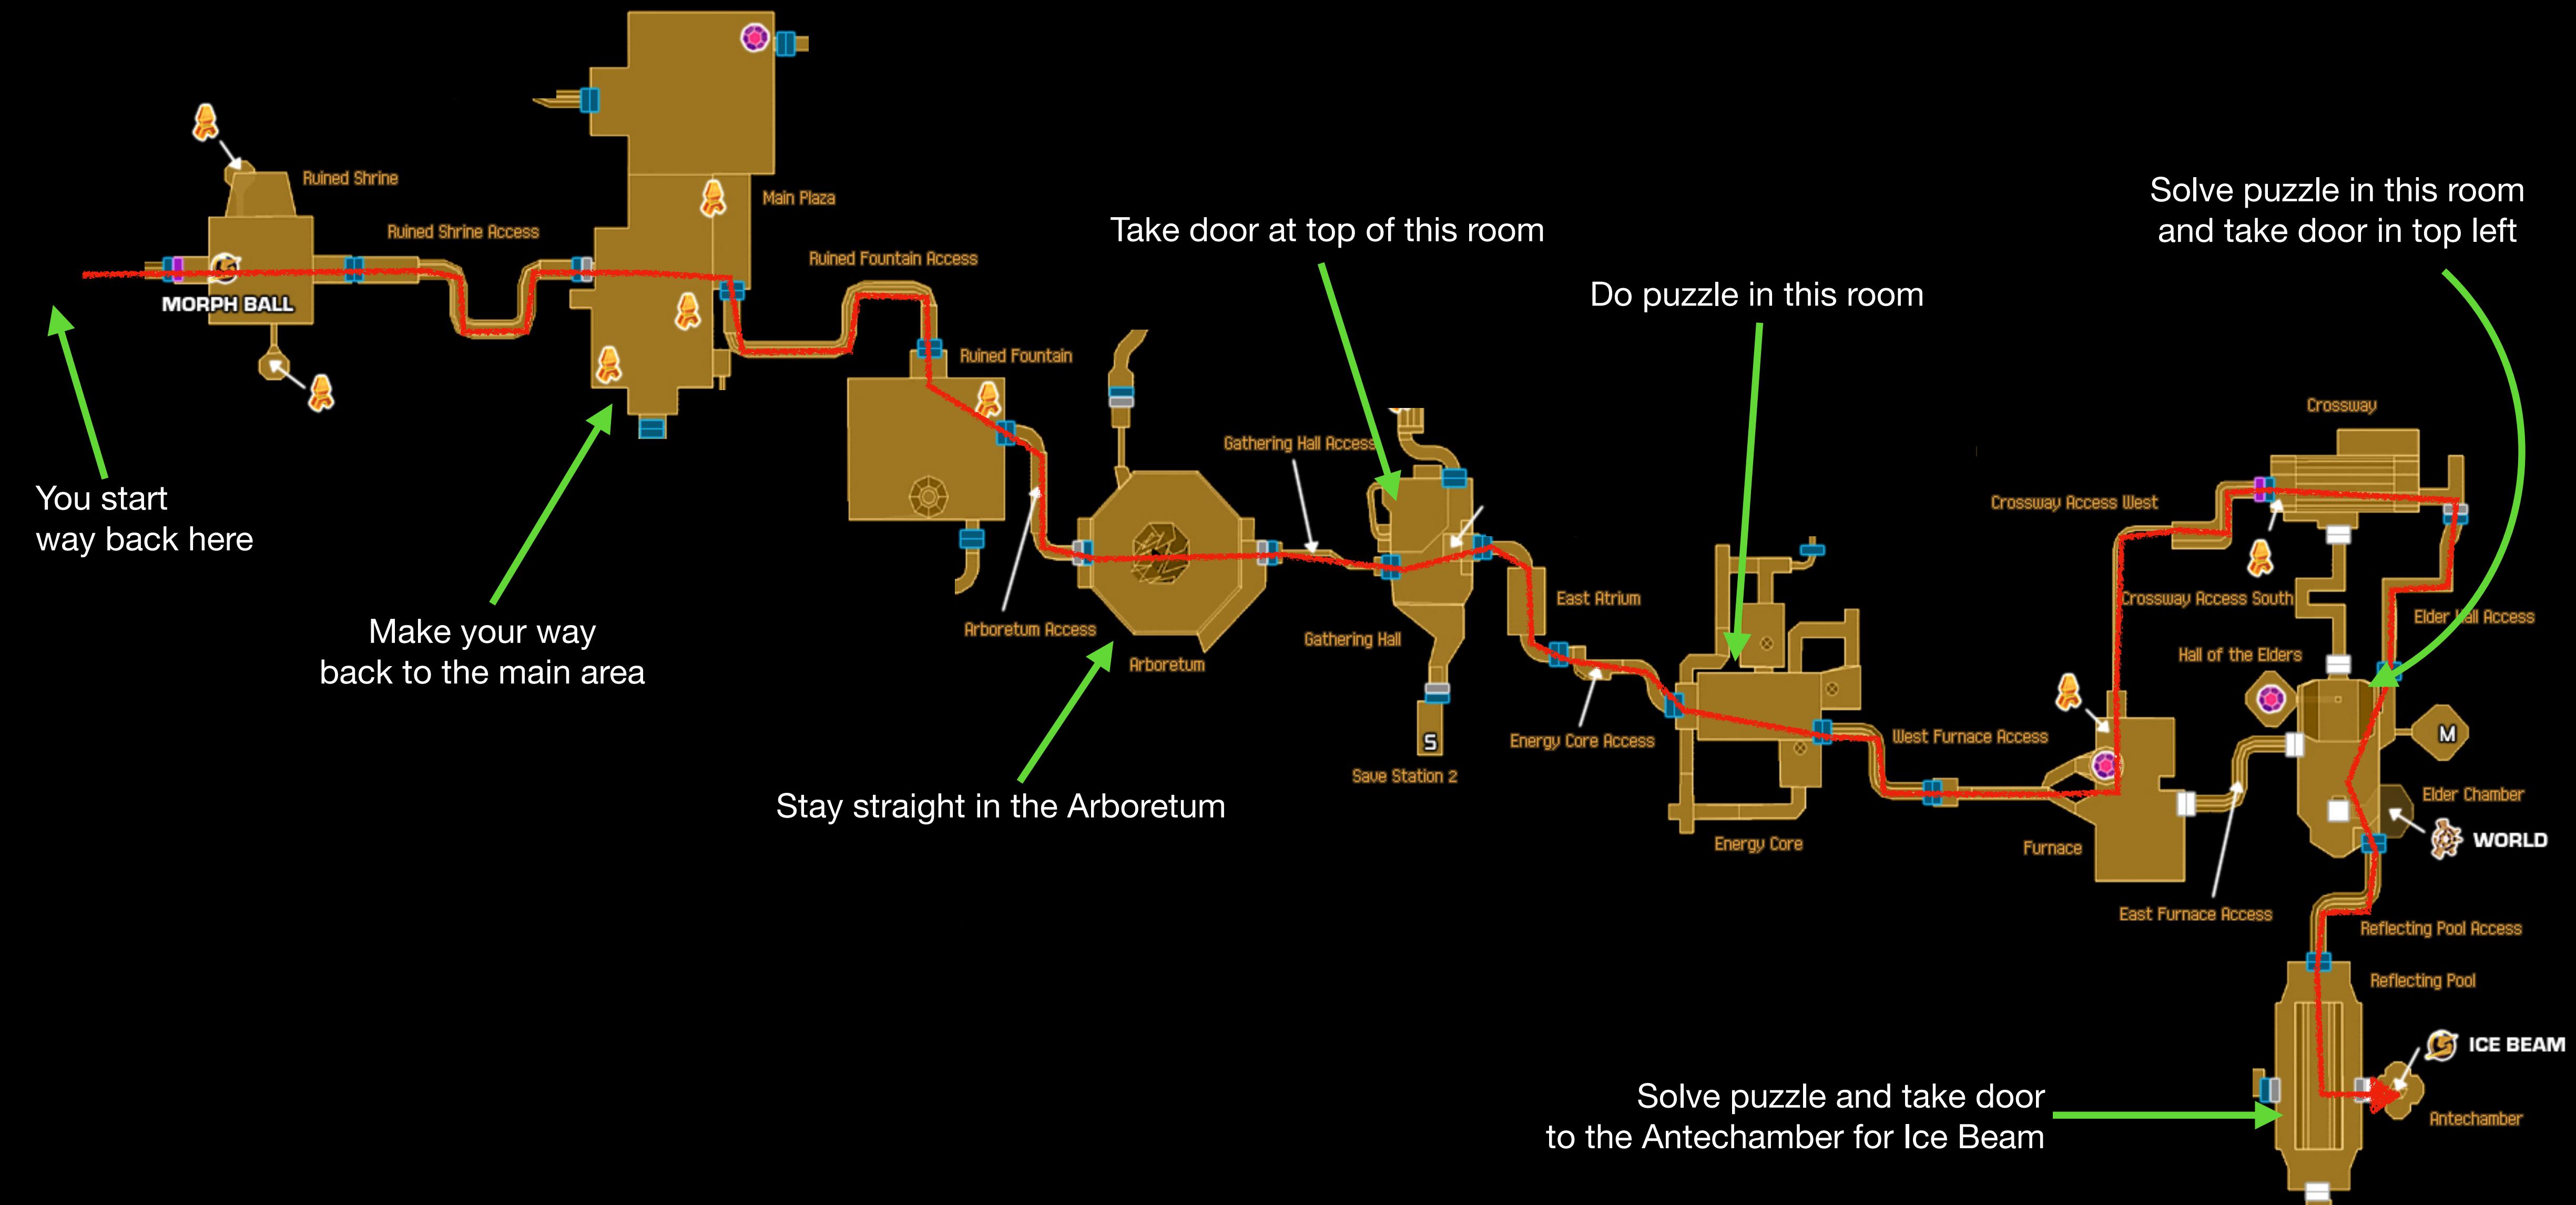

Ice Beam (+ Wavebuster)

- Take the first left in the main area towards where Morph Ball was obtained
- Take the purple door at the top of the room
- Collect artefact

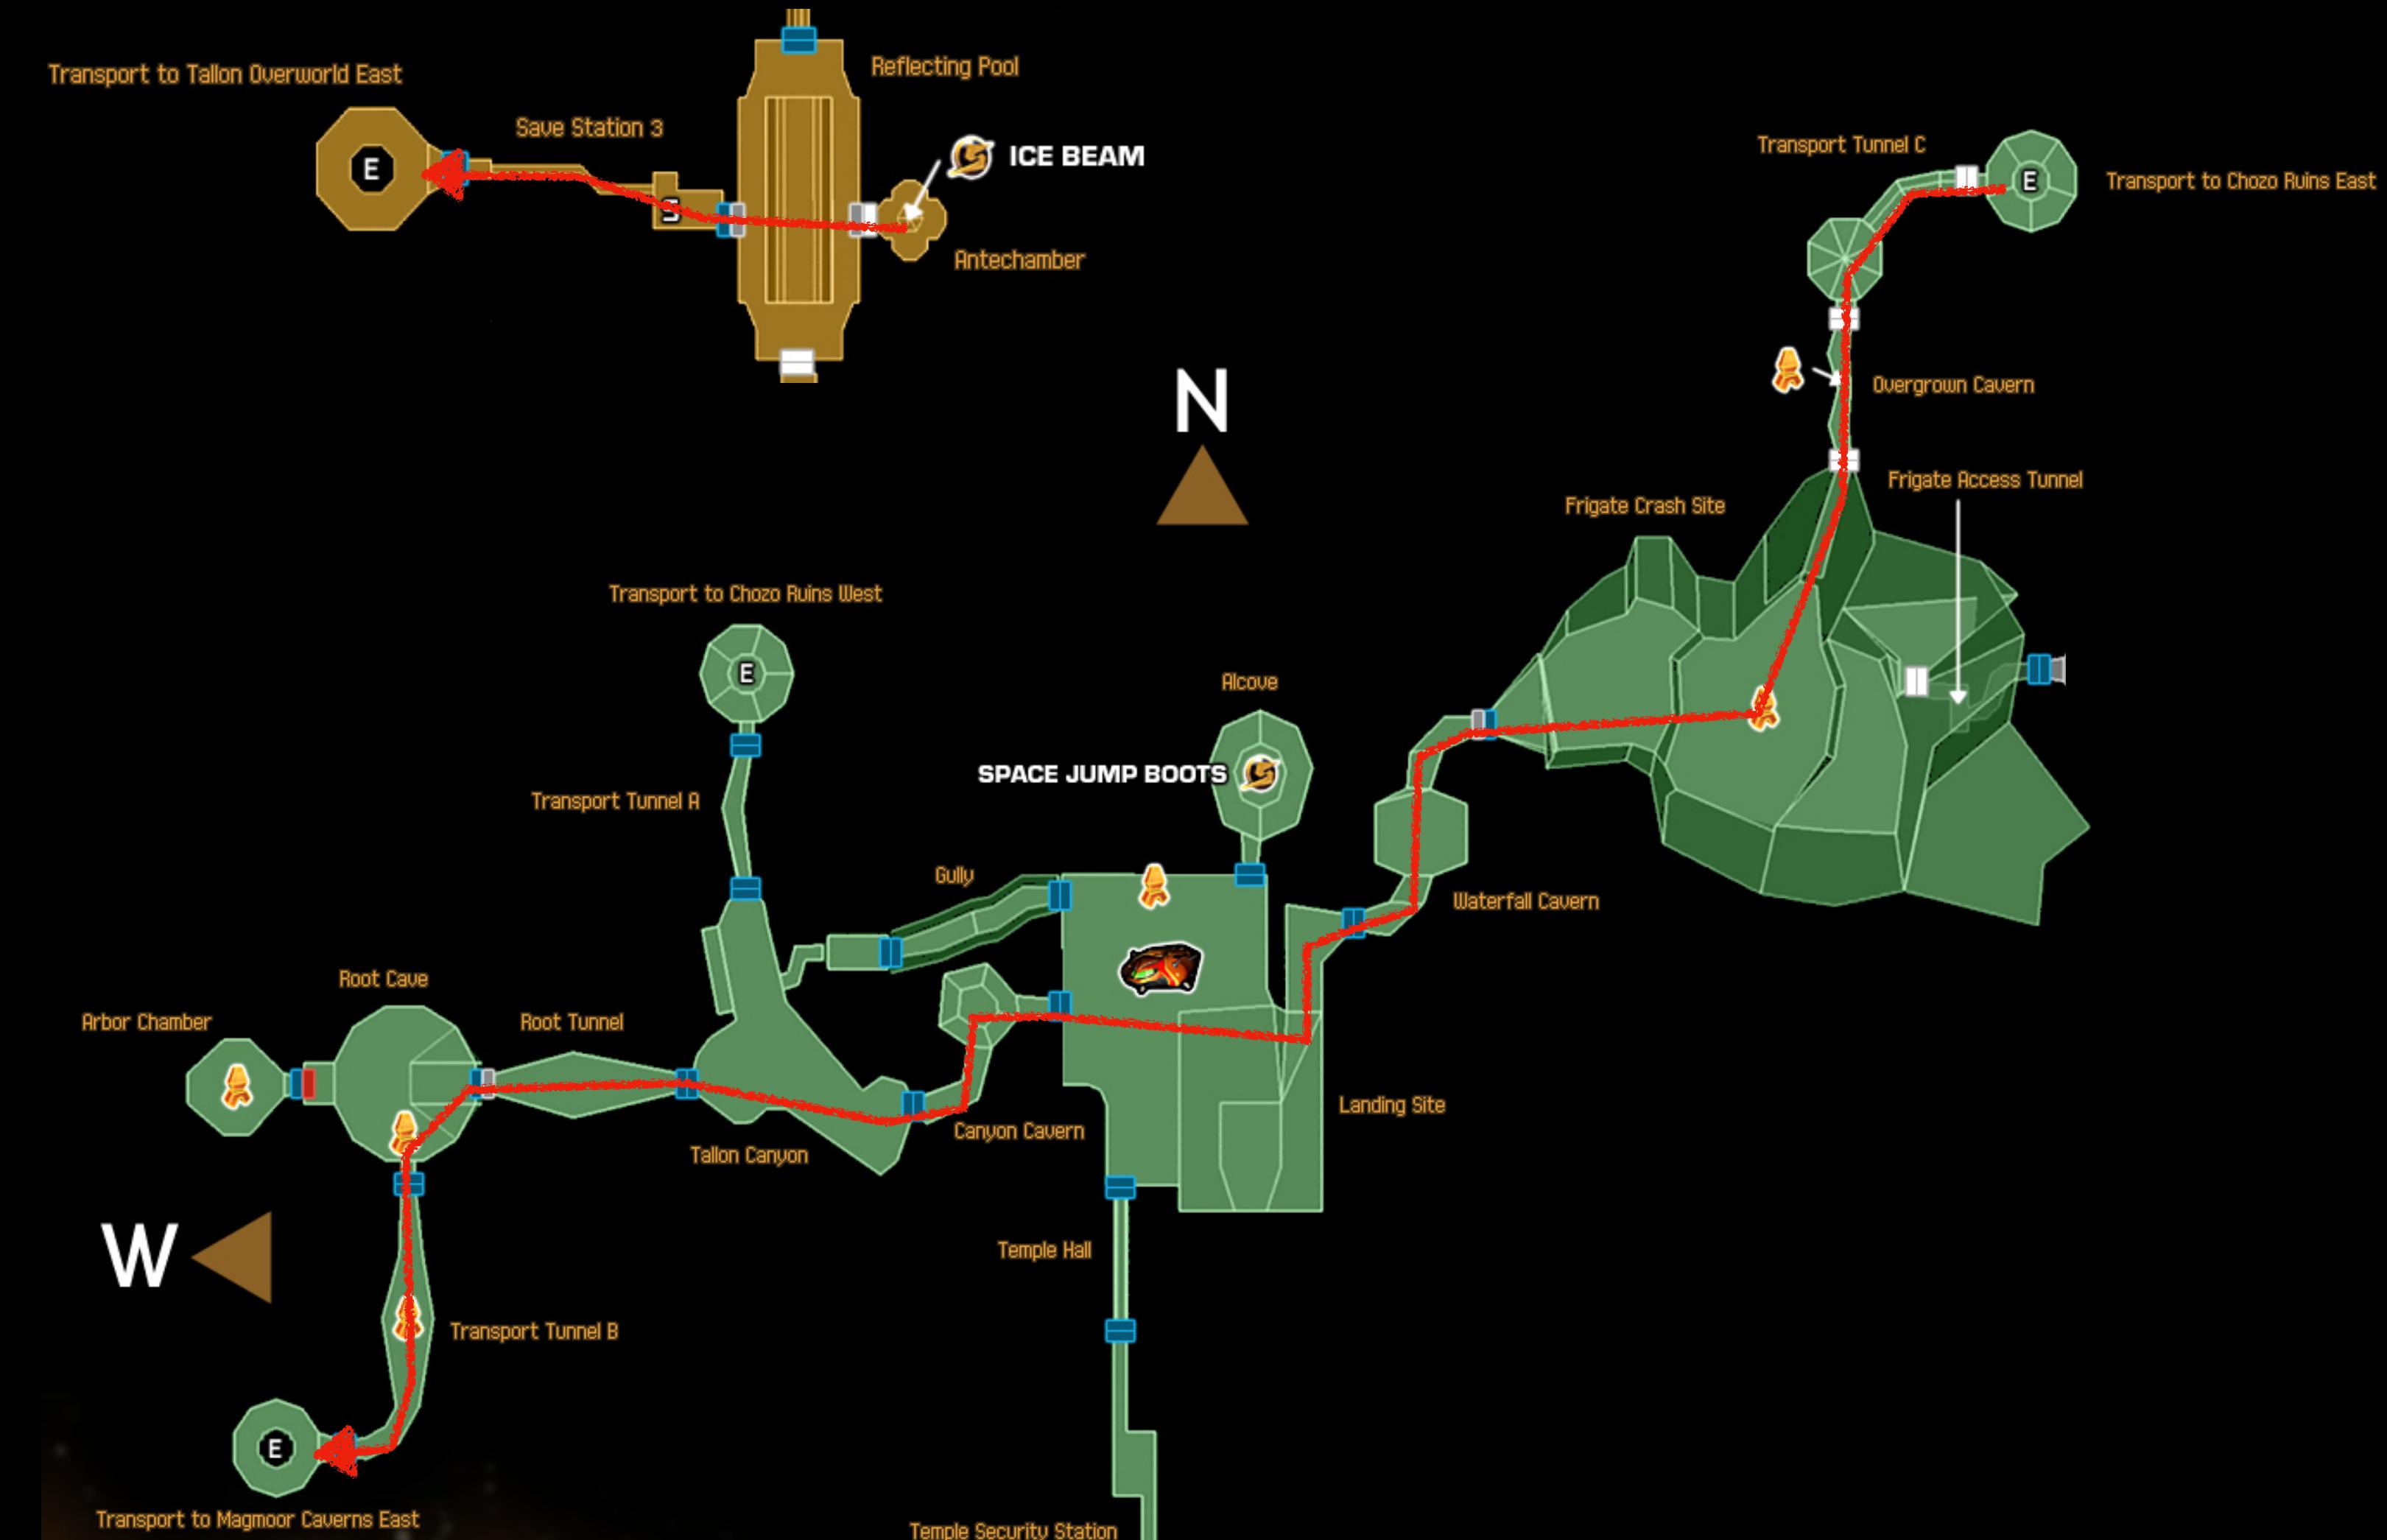

Ice Beam

Gravity Suit

Gravity Suit

- Exit from collecting the Ice Beam and go forward, into the ball space. Up the elevator to Tallon Overworld East
- Head towards the ship, and back to Magmoor Caverns East

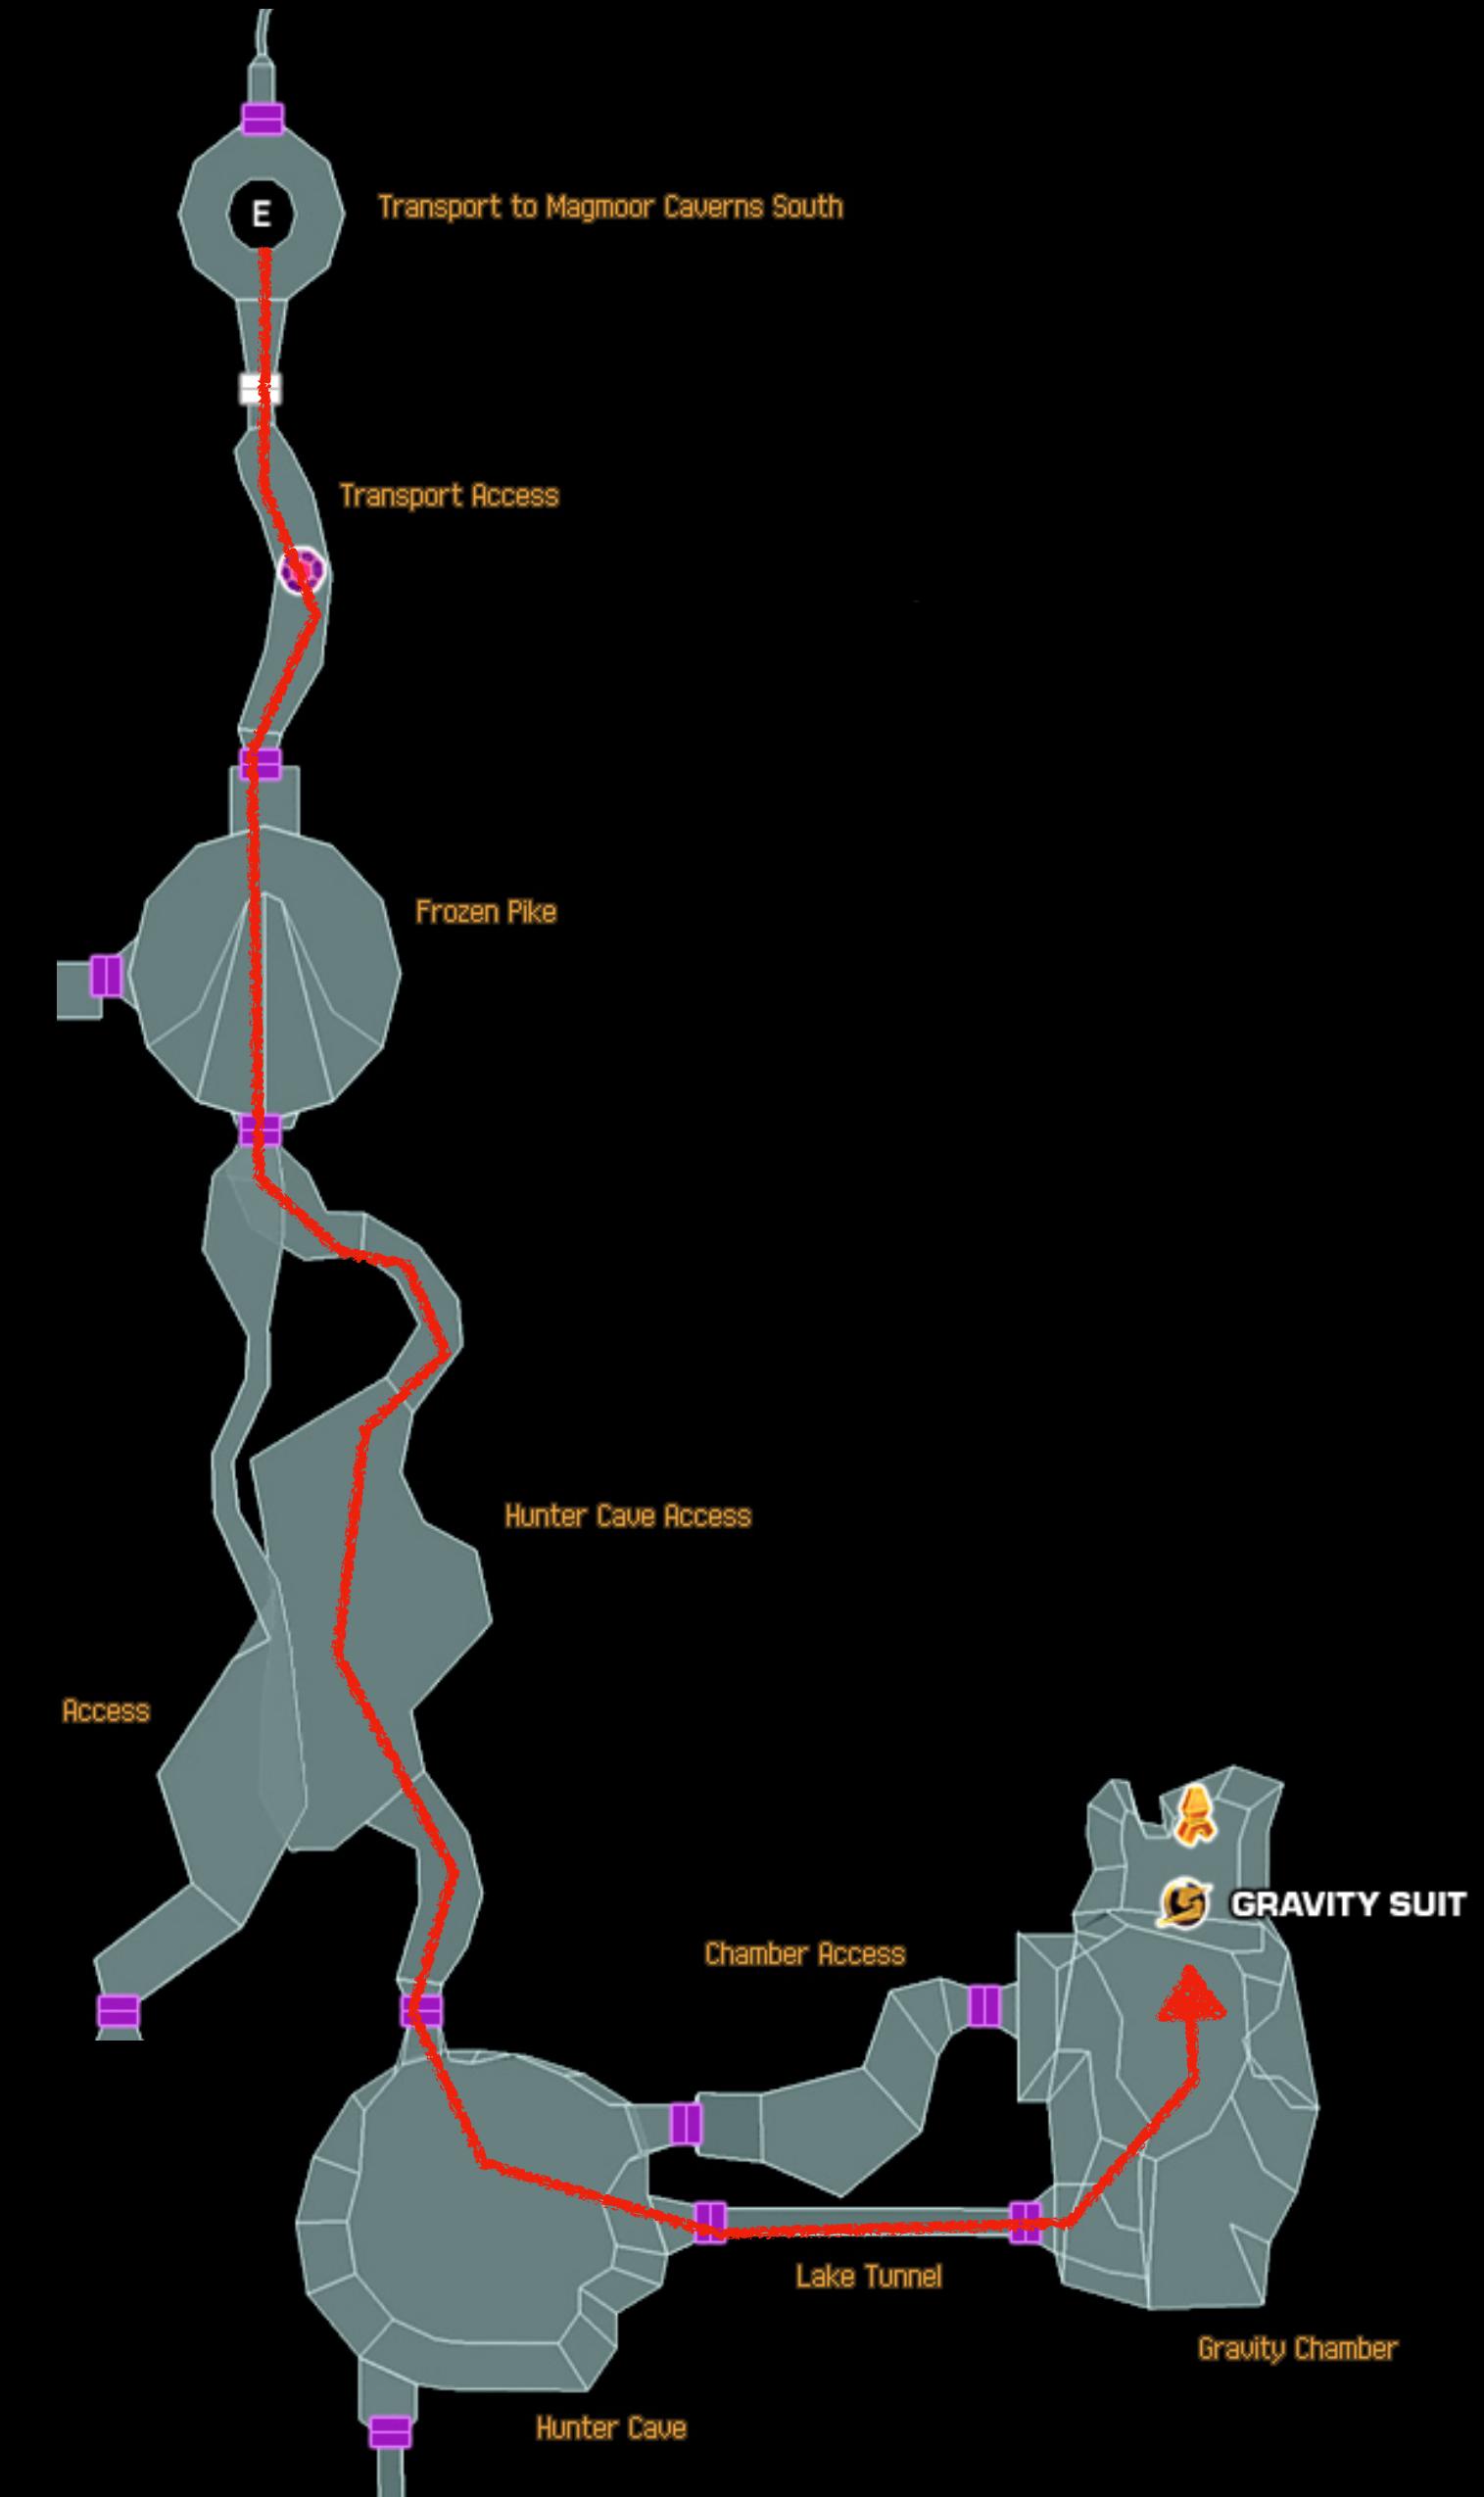

Gravity Suit

- Take a left from the lift
- Pass all the puzzles until you make it to an outdoor space (Magmoor Workstation)
- Take the purple door in the middle to the elevator up

Gravity Suit

- Take a left from the lift with Spider Ball
- In Frozen Pike, take the door second from bottom
- Blast the pillars down to use them as platforms to jump on. Take either door left from the entrance.
- Walk through water to collect Gravity Suit.

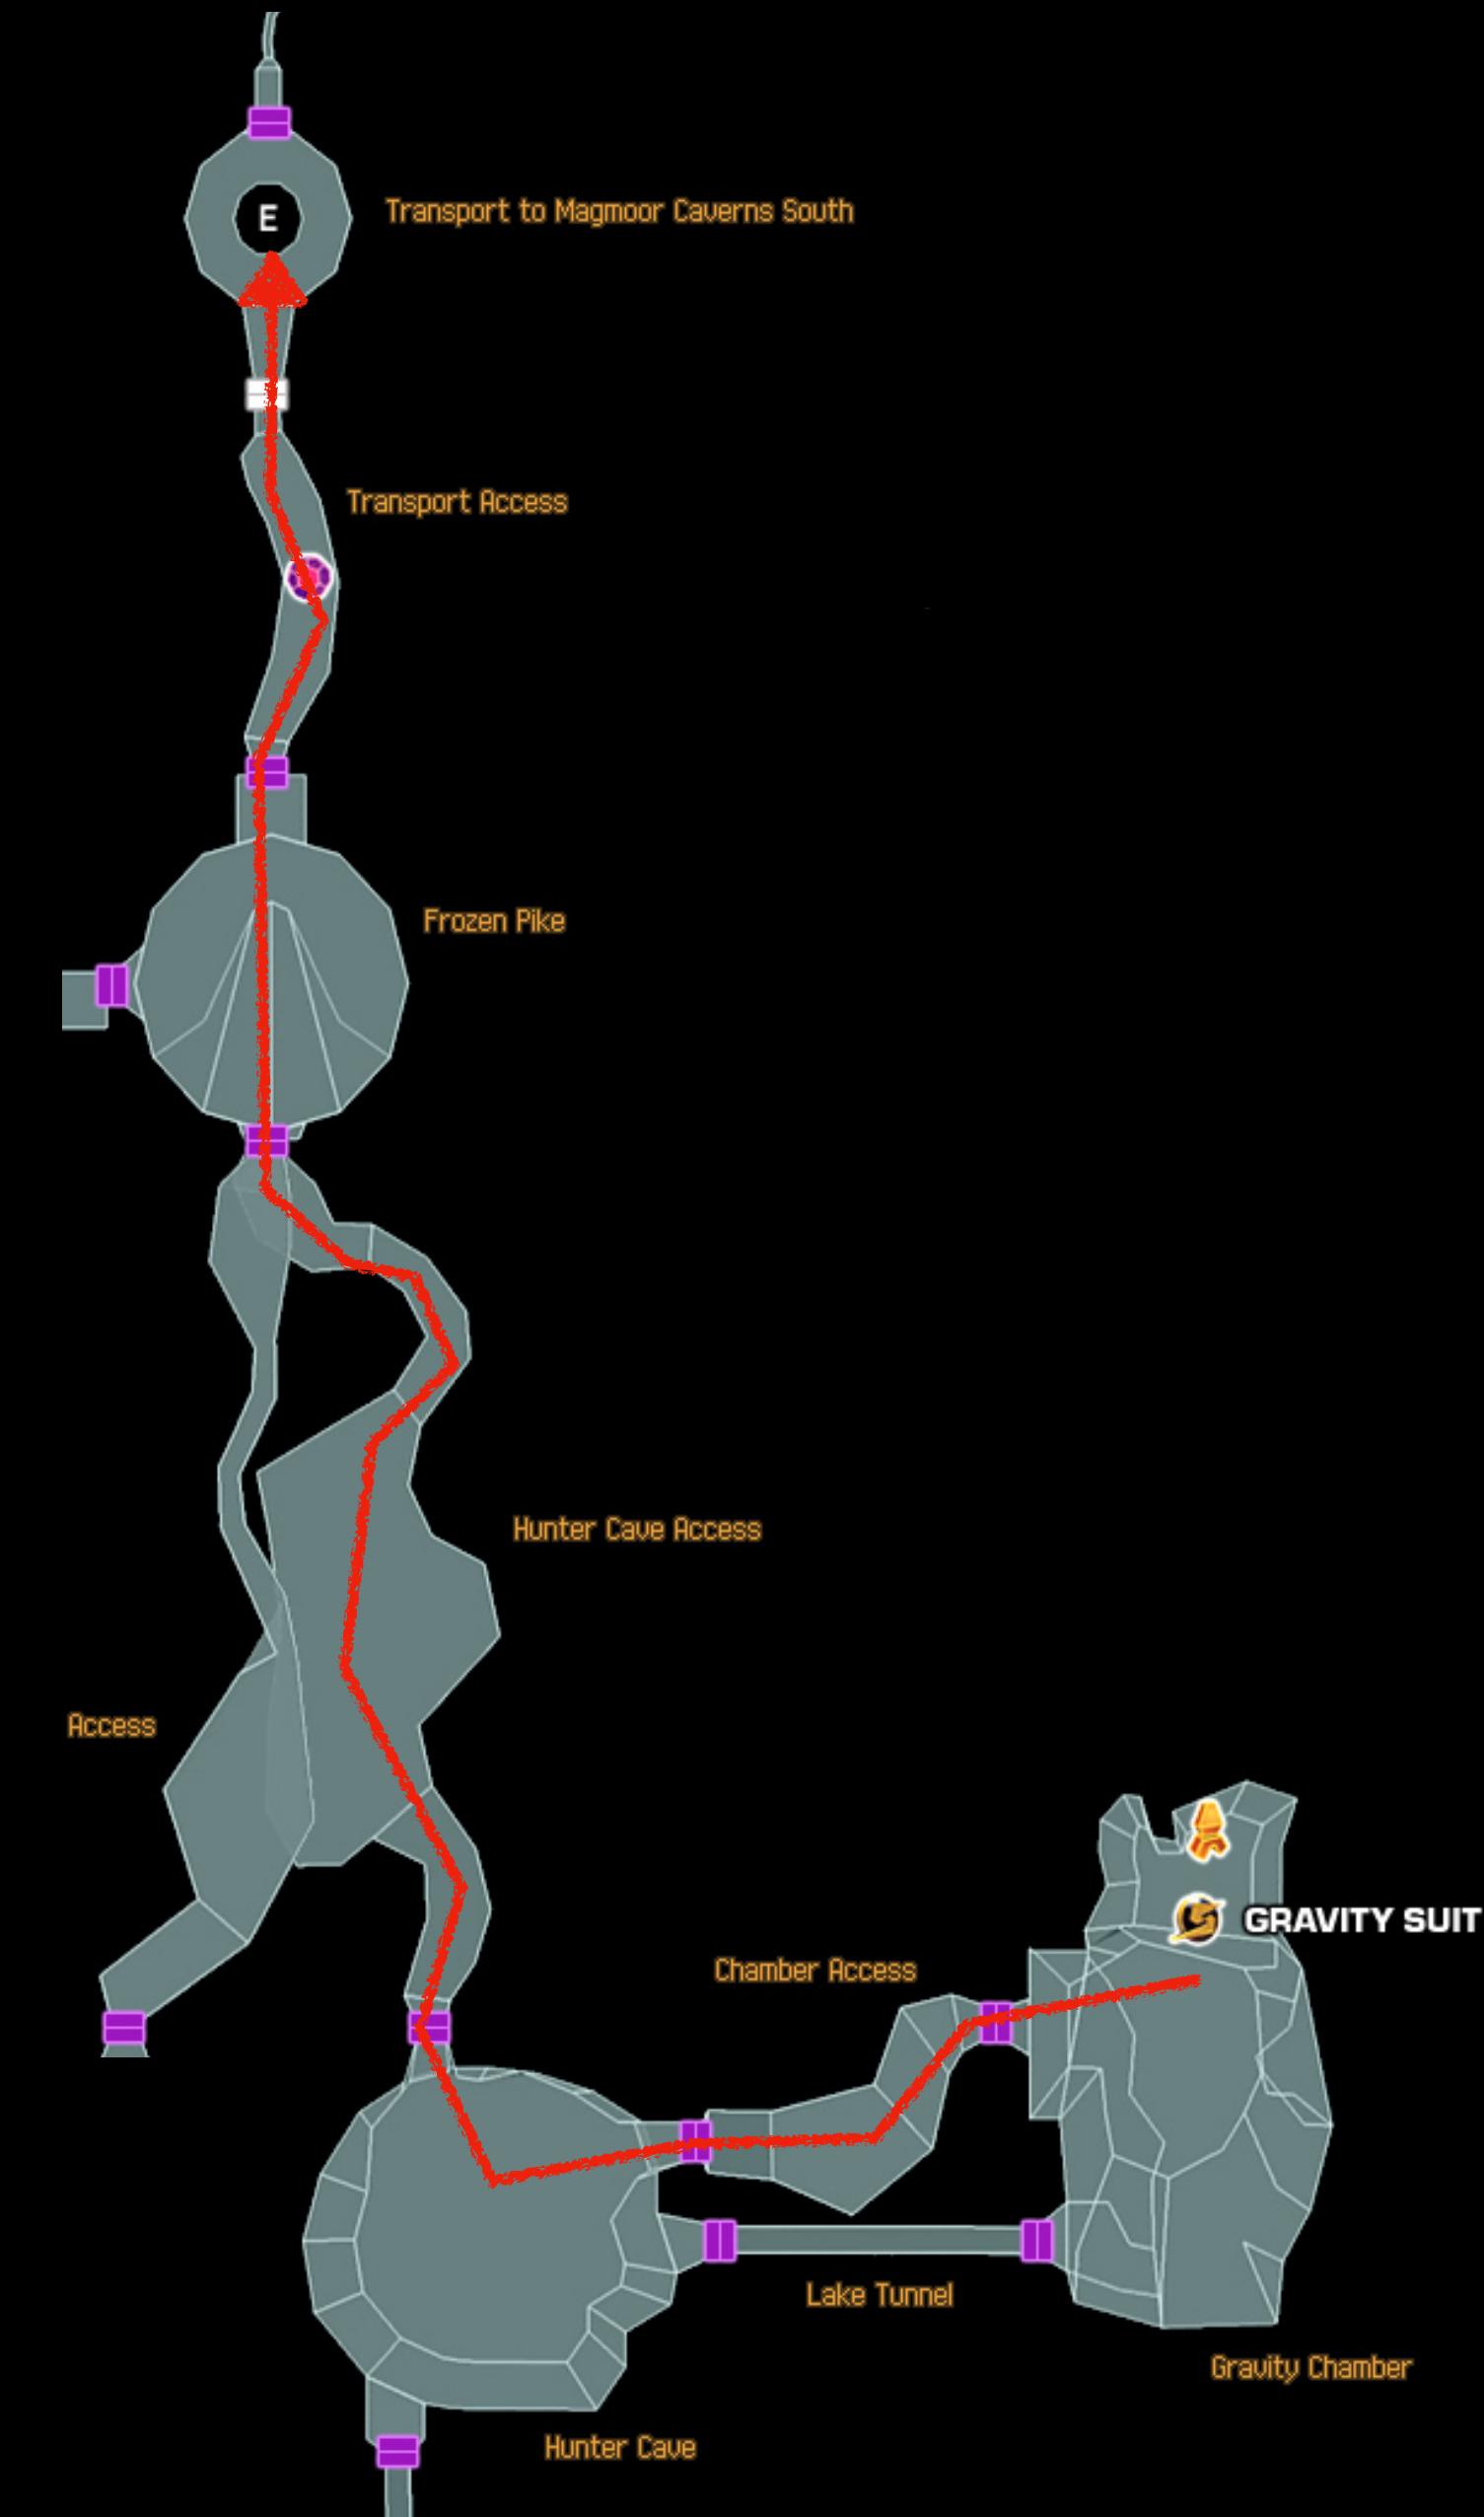

Getting to the Phazon Mines

(Sunken Frigate)

Phazon Mines

- Make it back to the elevator to Magmoor Caverns South

Phazon Mines

- Head all the way back to the lift for Talon Overworld West

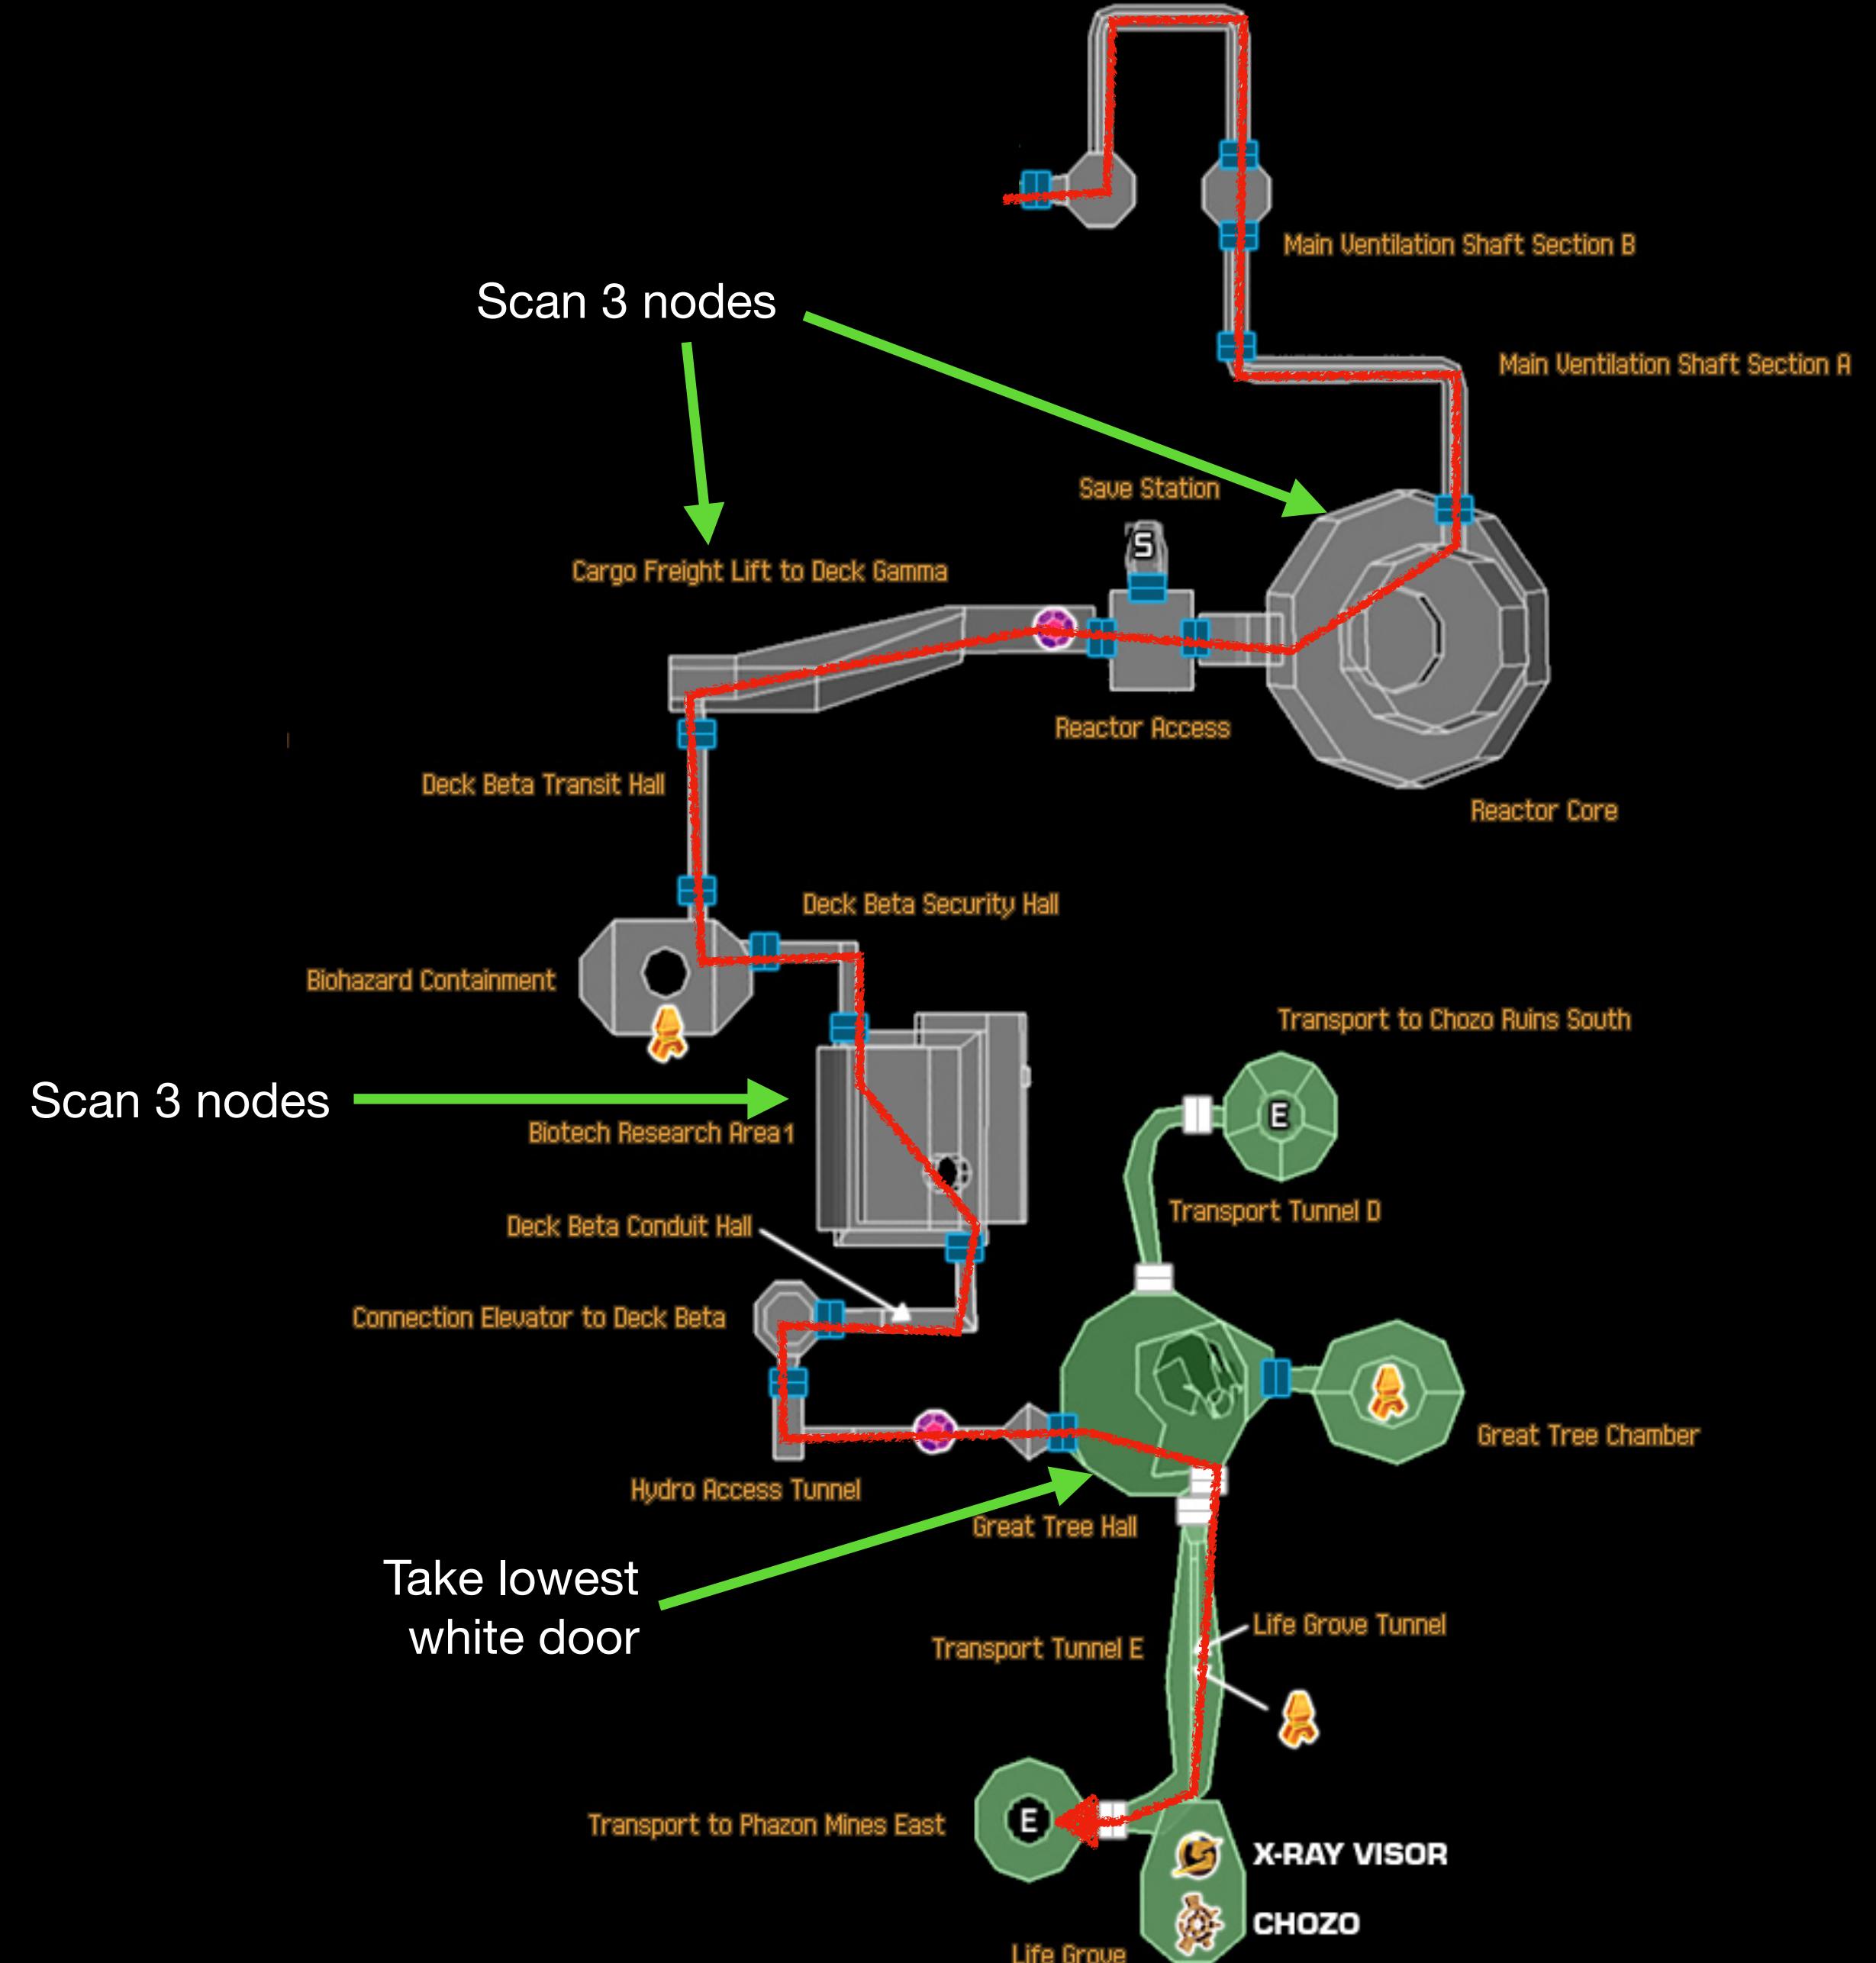

Phazon Mines

- Head to Frigate Crash Site past your ship
- Enter the white door across the water

Phazon Mines

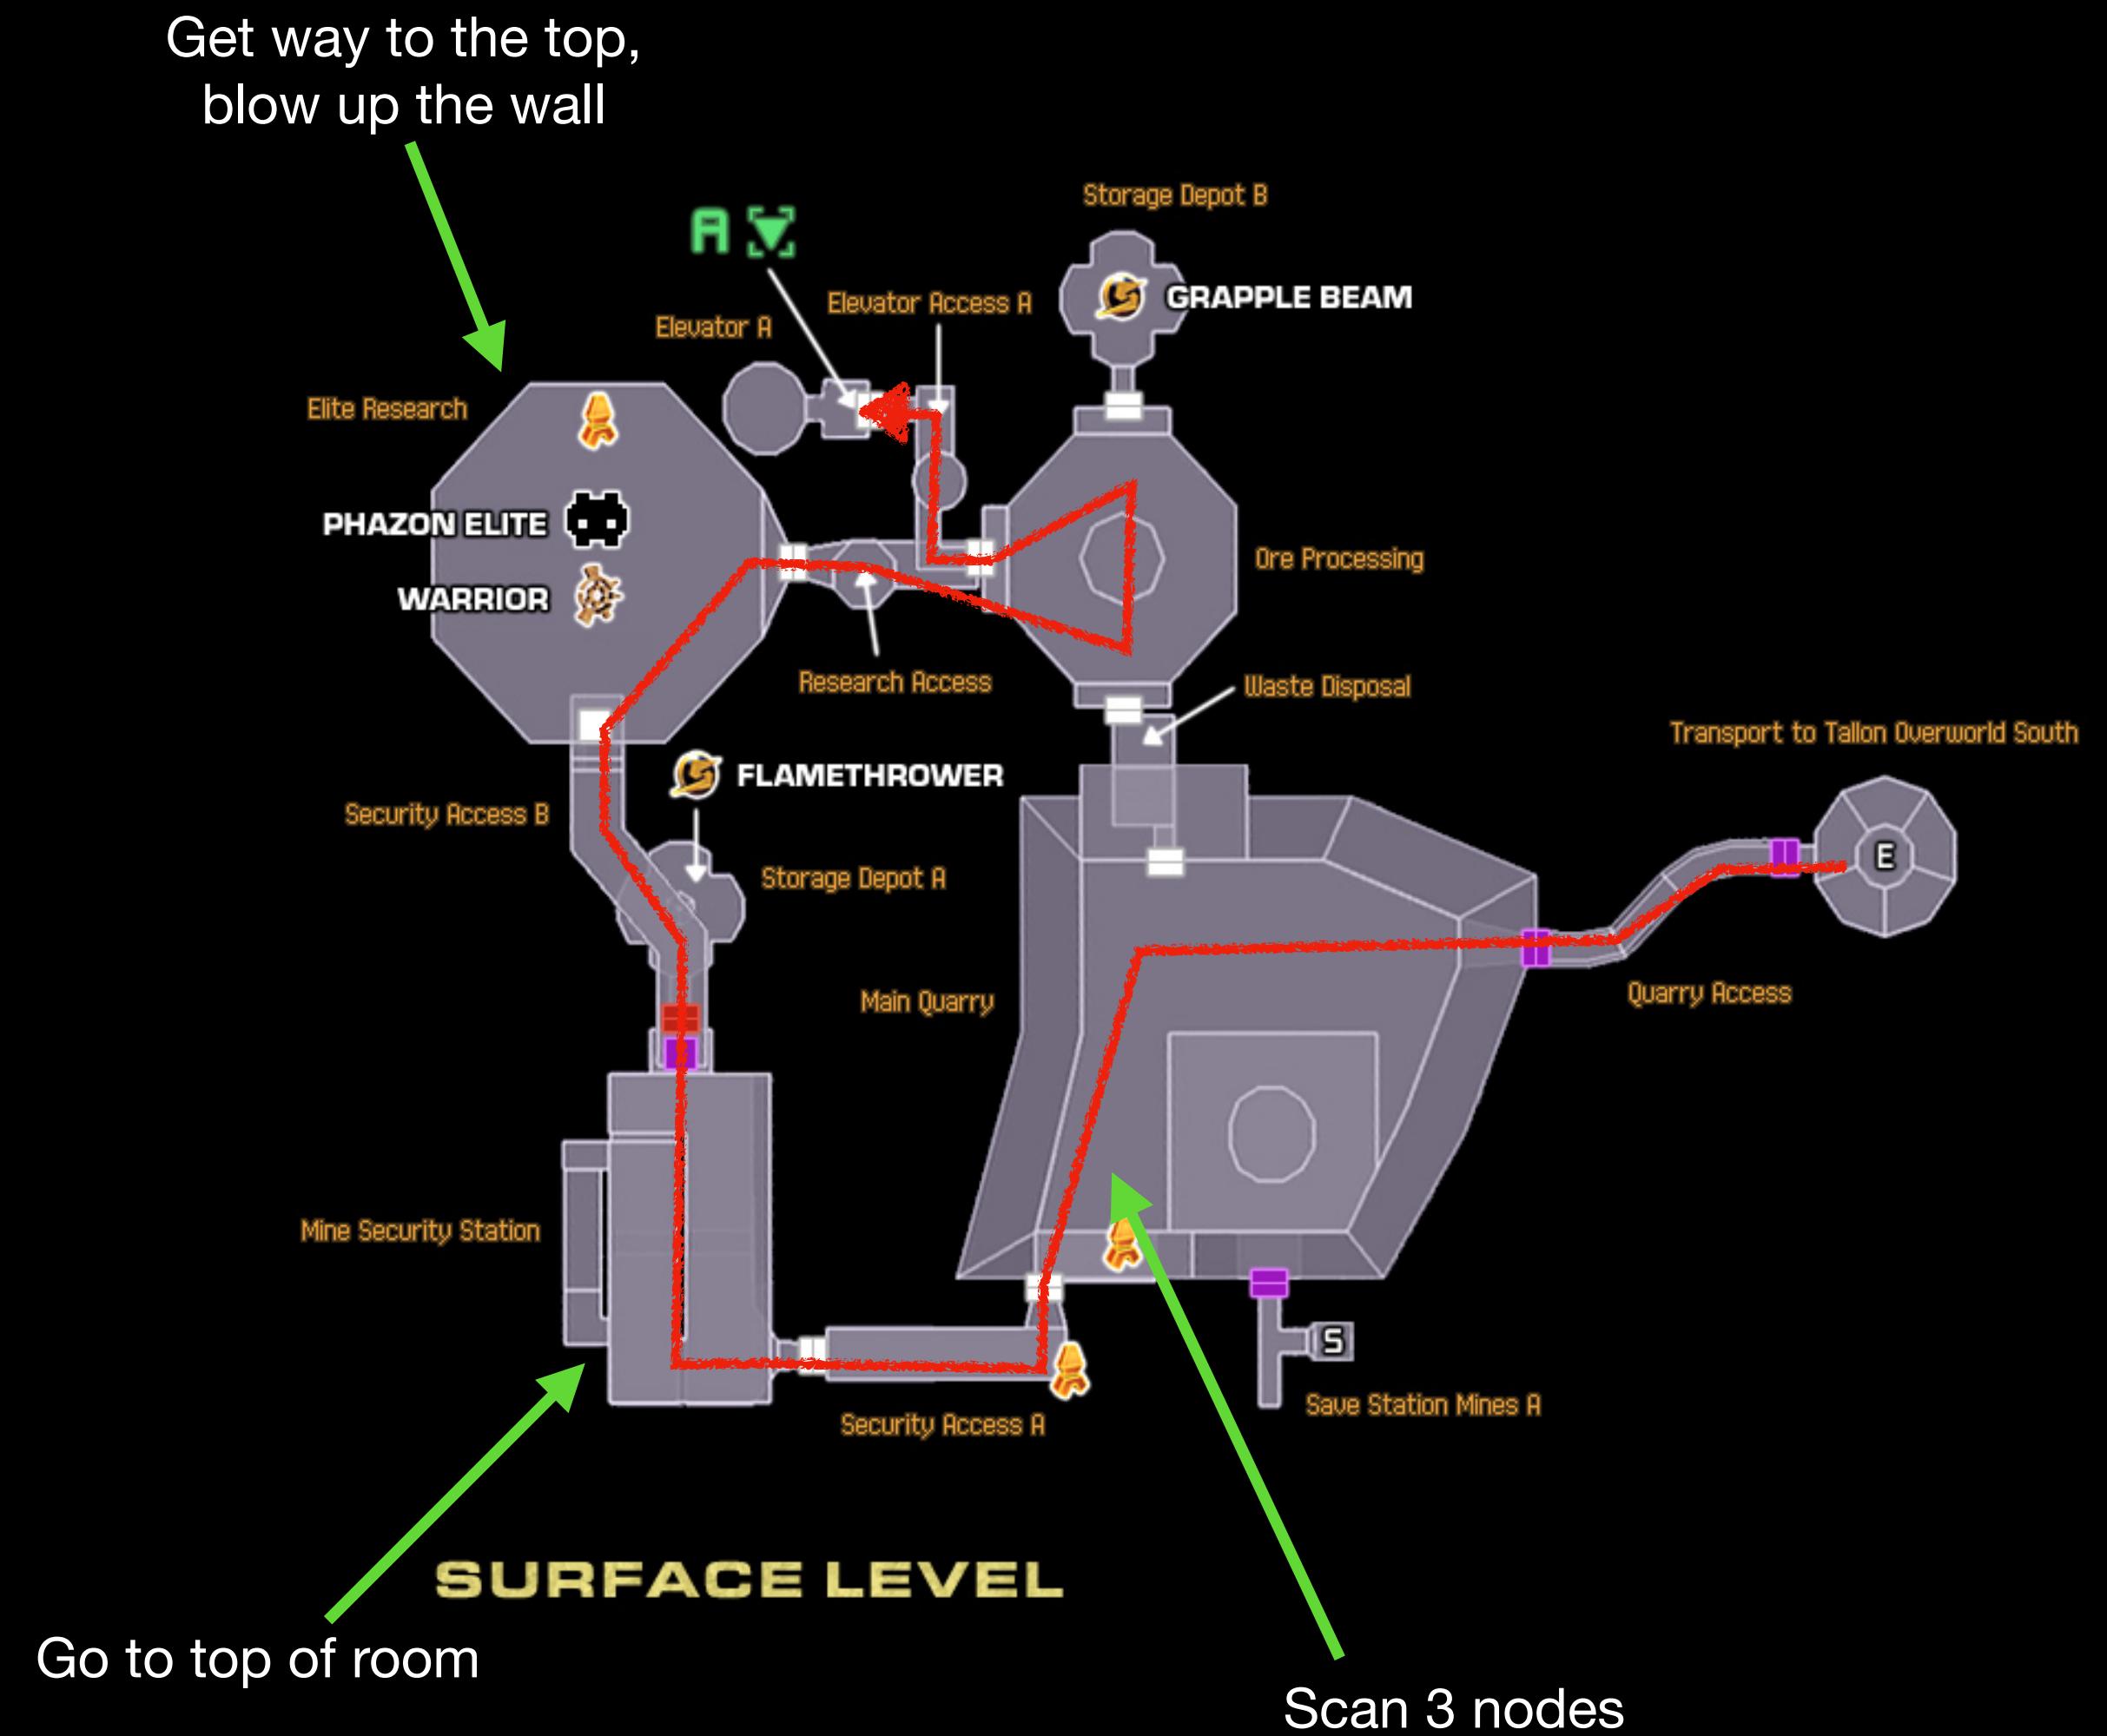

- Head towards the Reactor Core. This room requires scanning three nodes with a beam to open a door.
- In the Cargo Freight Room, collect the energy tank, and scan another 3 nodes to open door at the top
- In Biotech Research Area 1, scan another 3 nodes to open the door
- In the Great Tree Hall, take the lowest door that is white.
- Take the life to Phazon Mines East

Power Bomb

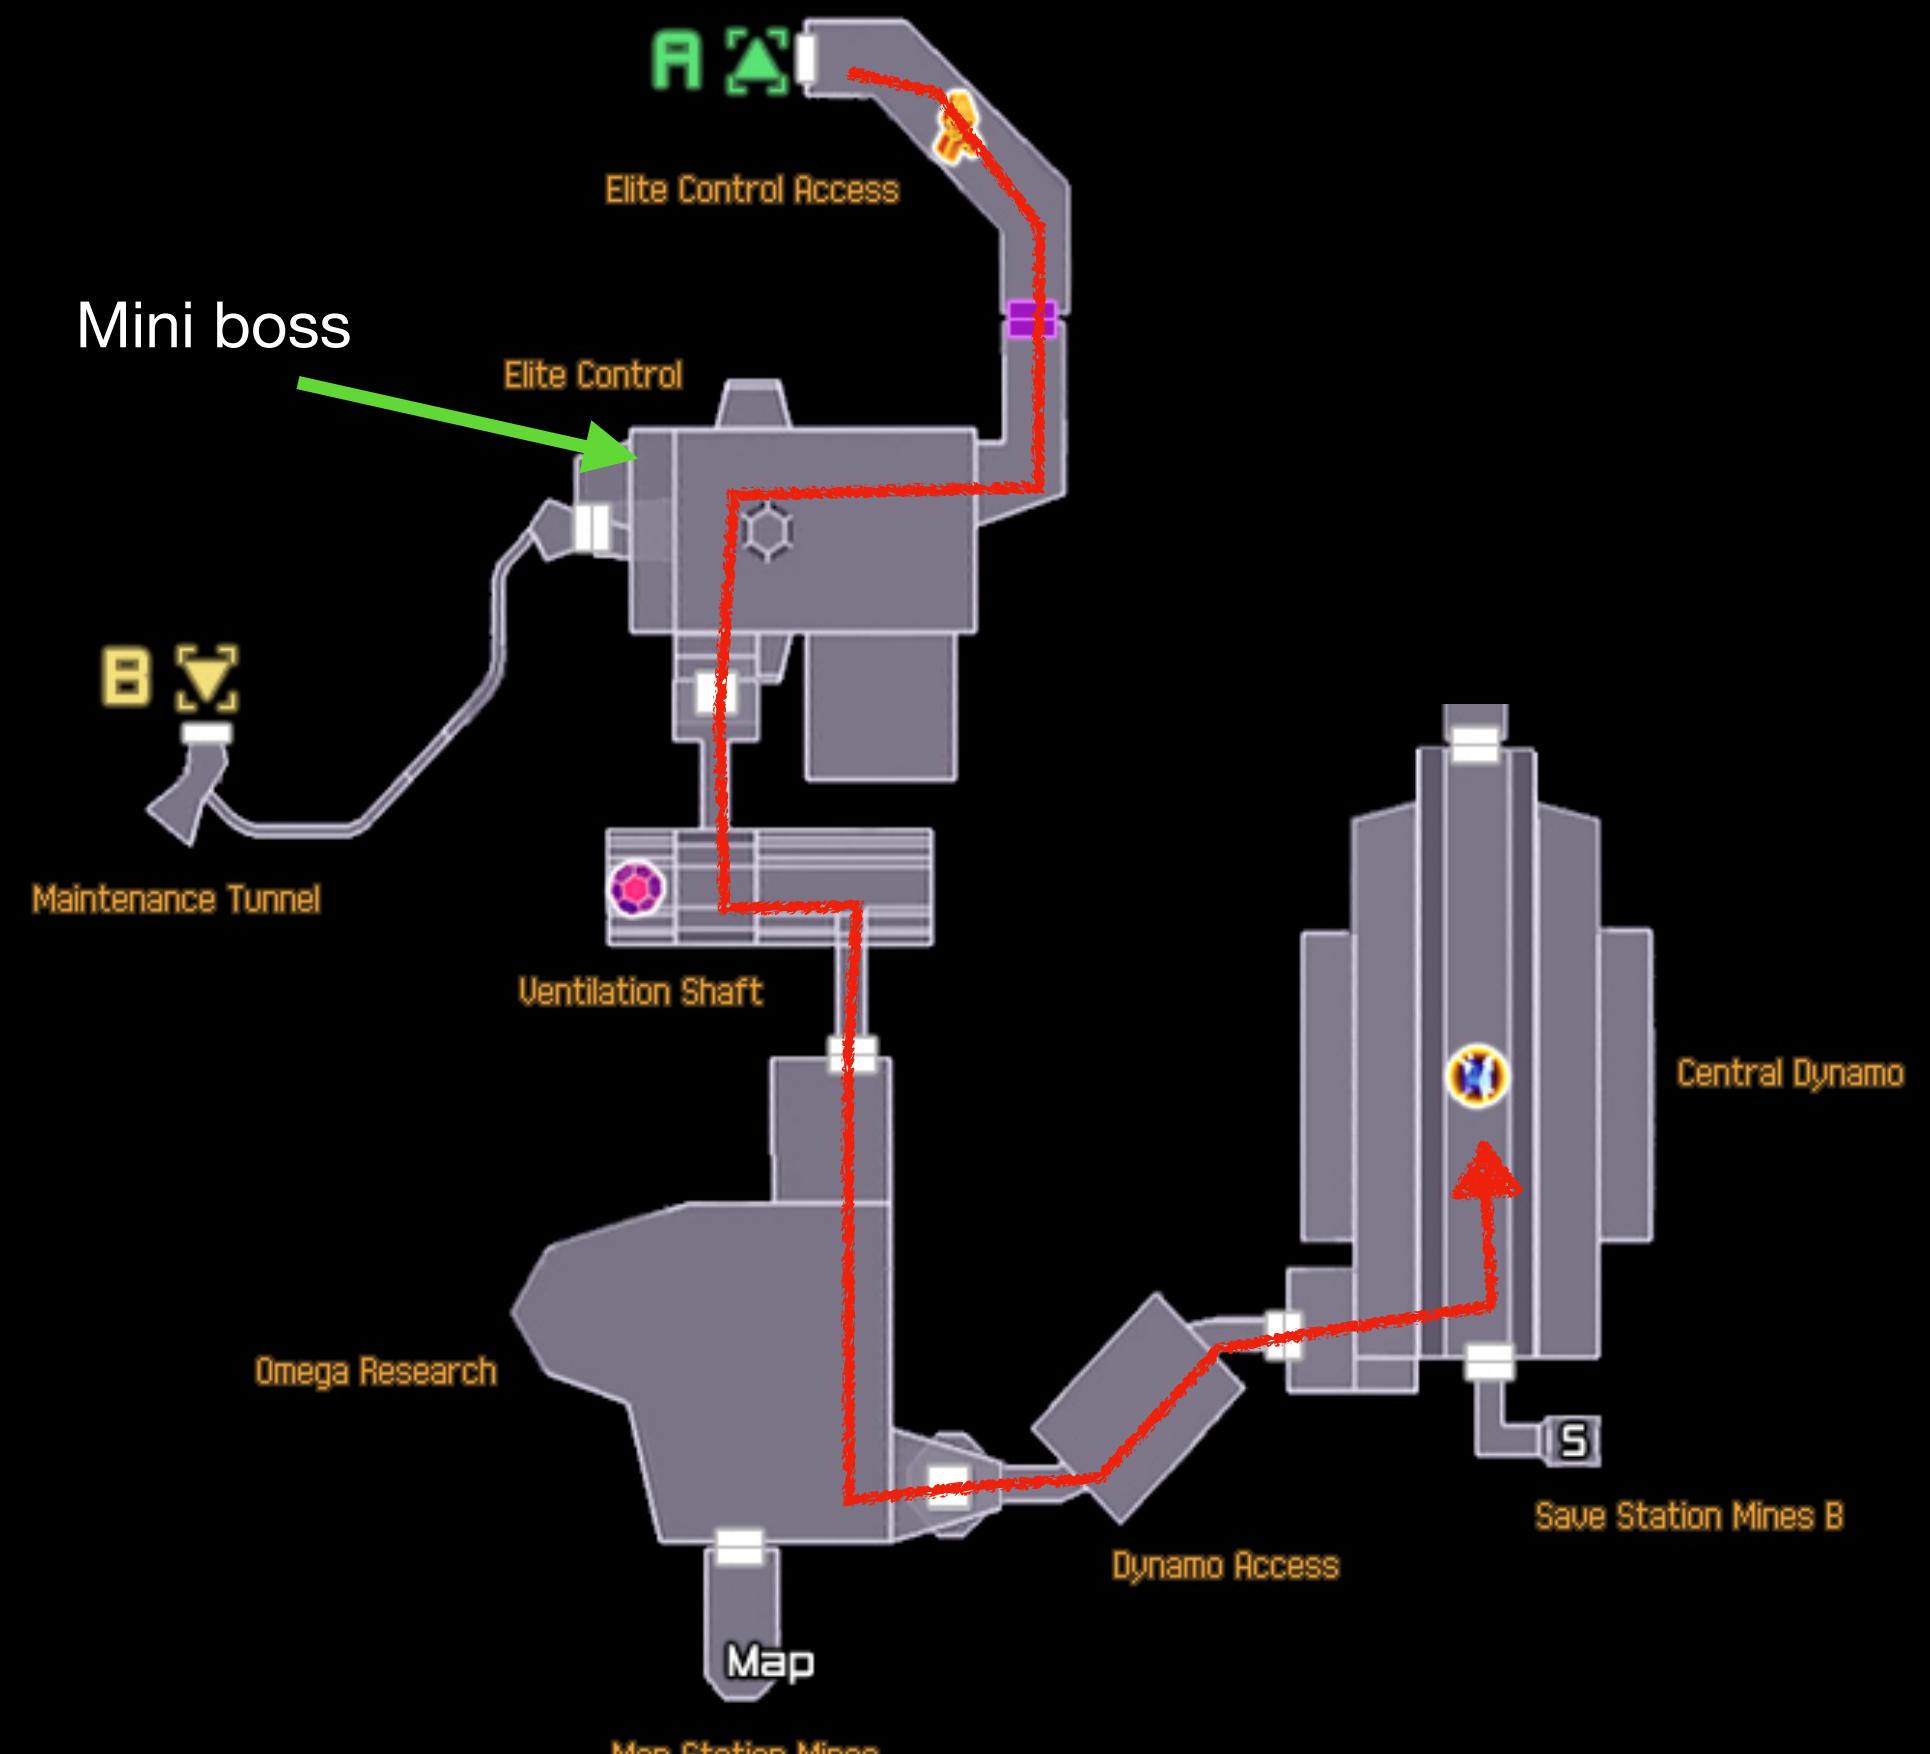

Power Bomb

- Enter to outside area (Main Quarry)
- Scan two nodes to unlock entrance to Security Access A
- Go to the upper level of Mine Security Station before heading up through the purple door
- Scan computers and get to top of Elite Research. Use computer to remove wall and gain access to white door.
- Fall to bottom of Research Access before entering Ore Processing.
 - For second level: one turn at bottom level.
 - For third level: two turns at second level, then three turns at bottom level.
- Exit through the available white door on the third level and take the elevator down.

Power Bomb

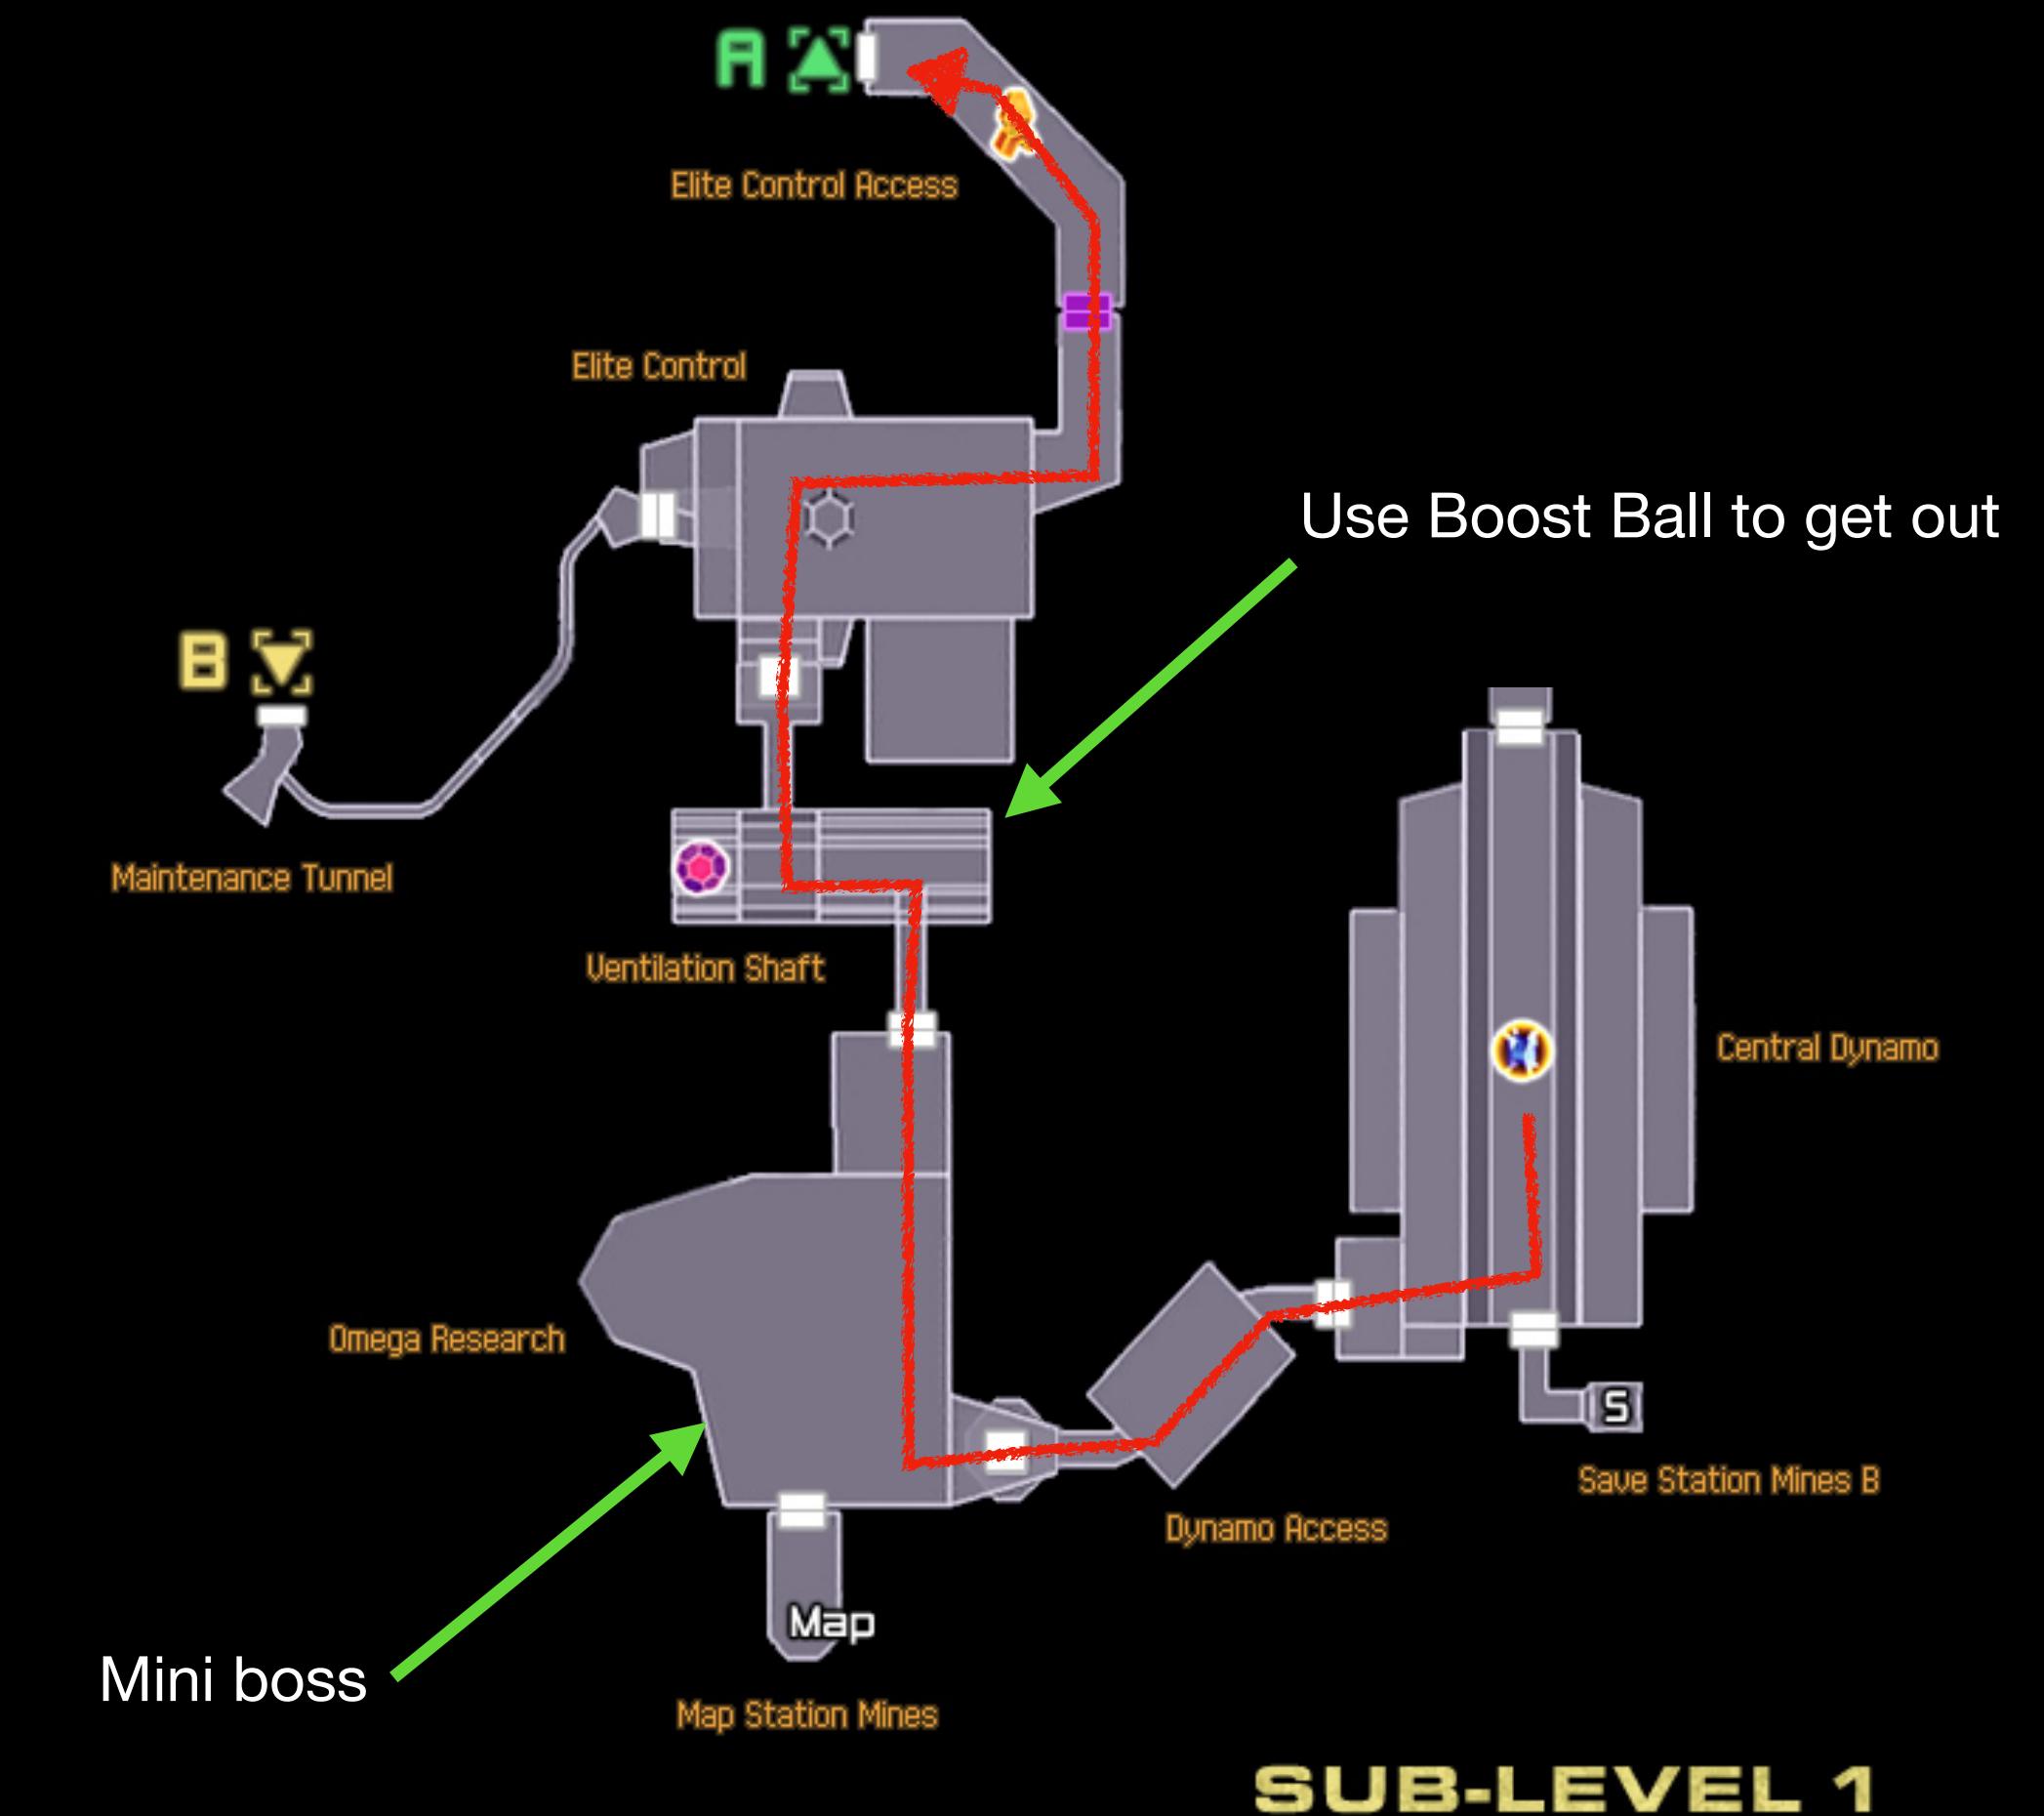

- Enter to Elite Control for a mini boss.
- Head to top of Elite Control and take white door on the ceiling.
- Follow around to Central Dynamo. Kill the flying enemy in this room, then solve the Morph Ball puzzle.
- Collect Power Bomb.

SUB-LEVEL 1

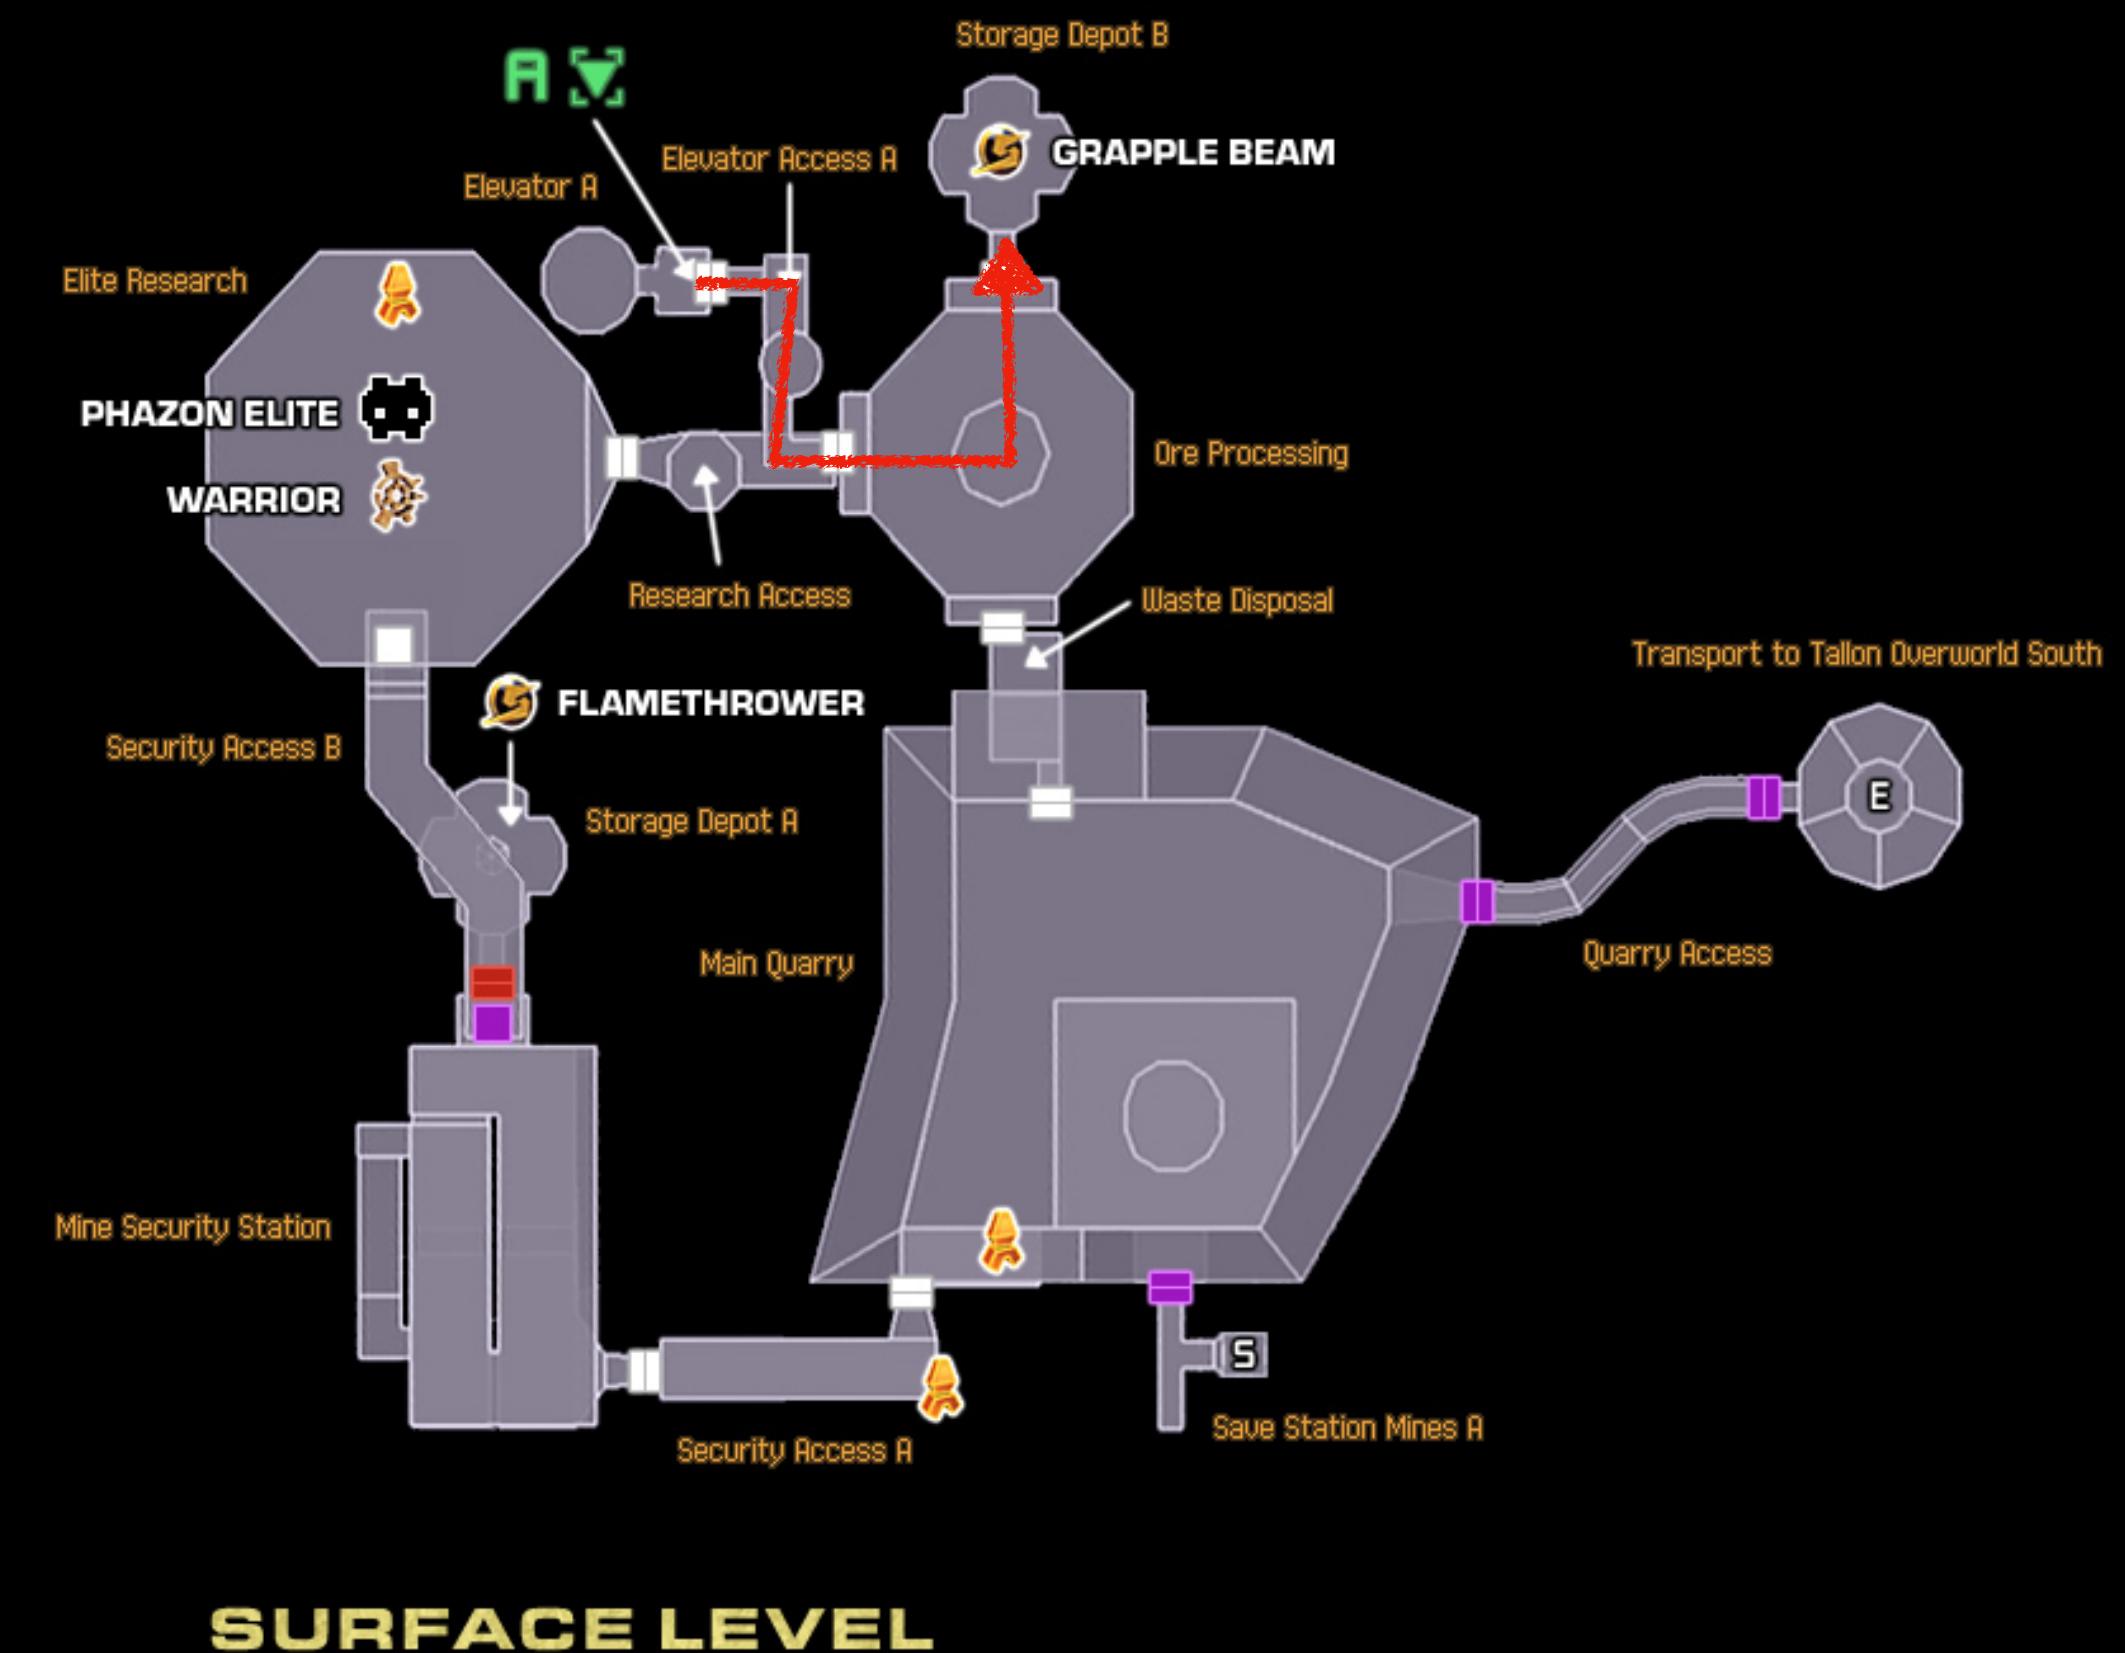

Grapple Beam

- Head back up the lift to Surface Level

Power Bomb

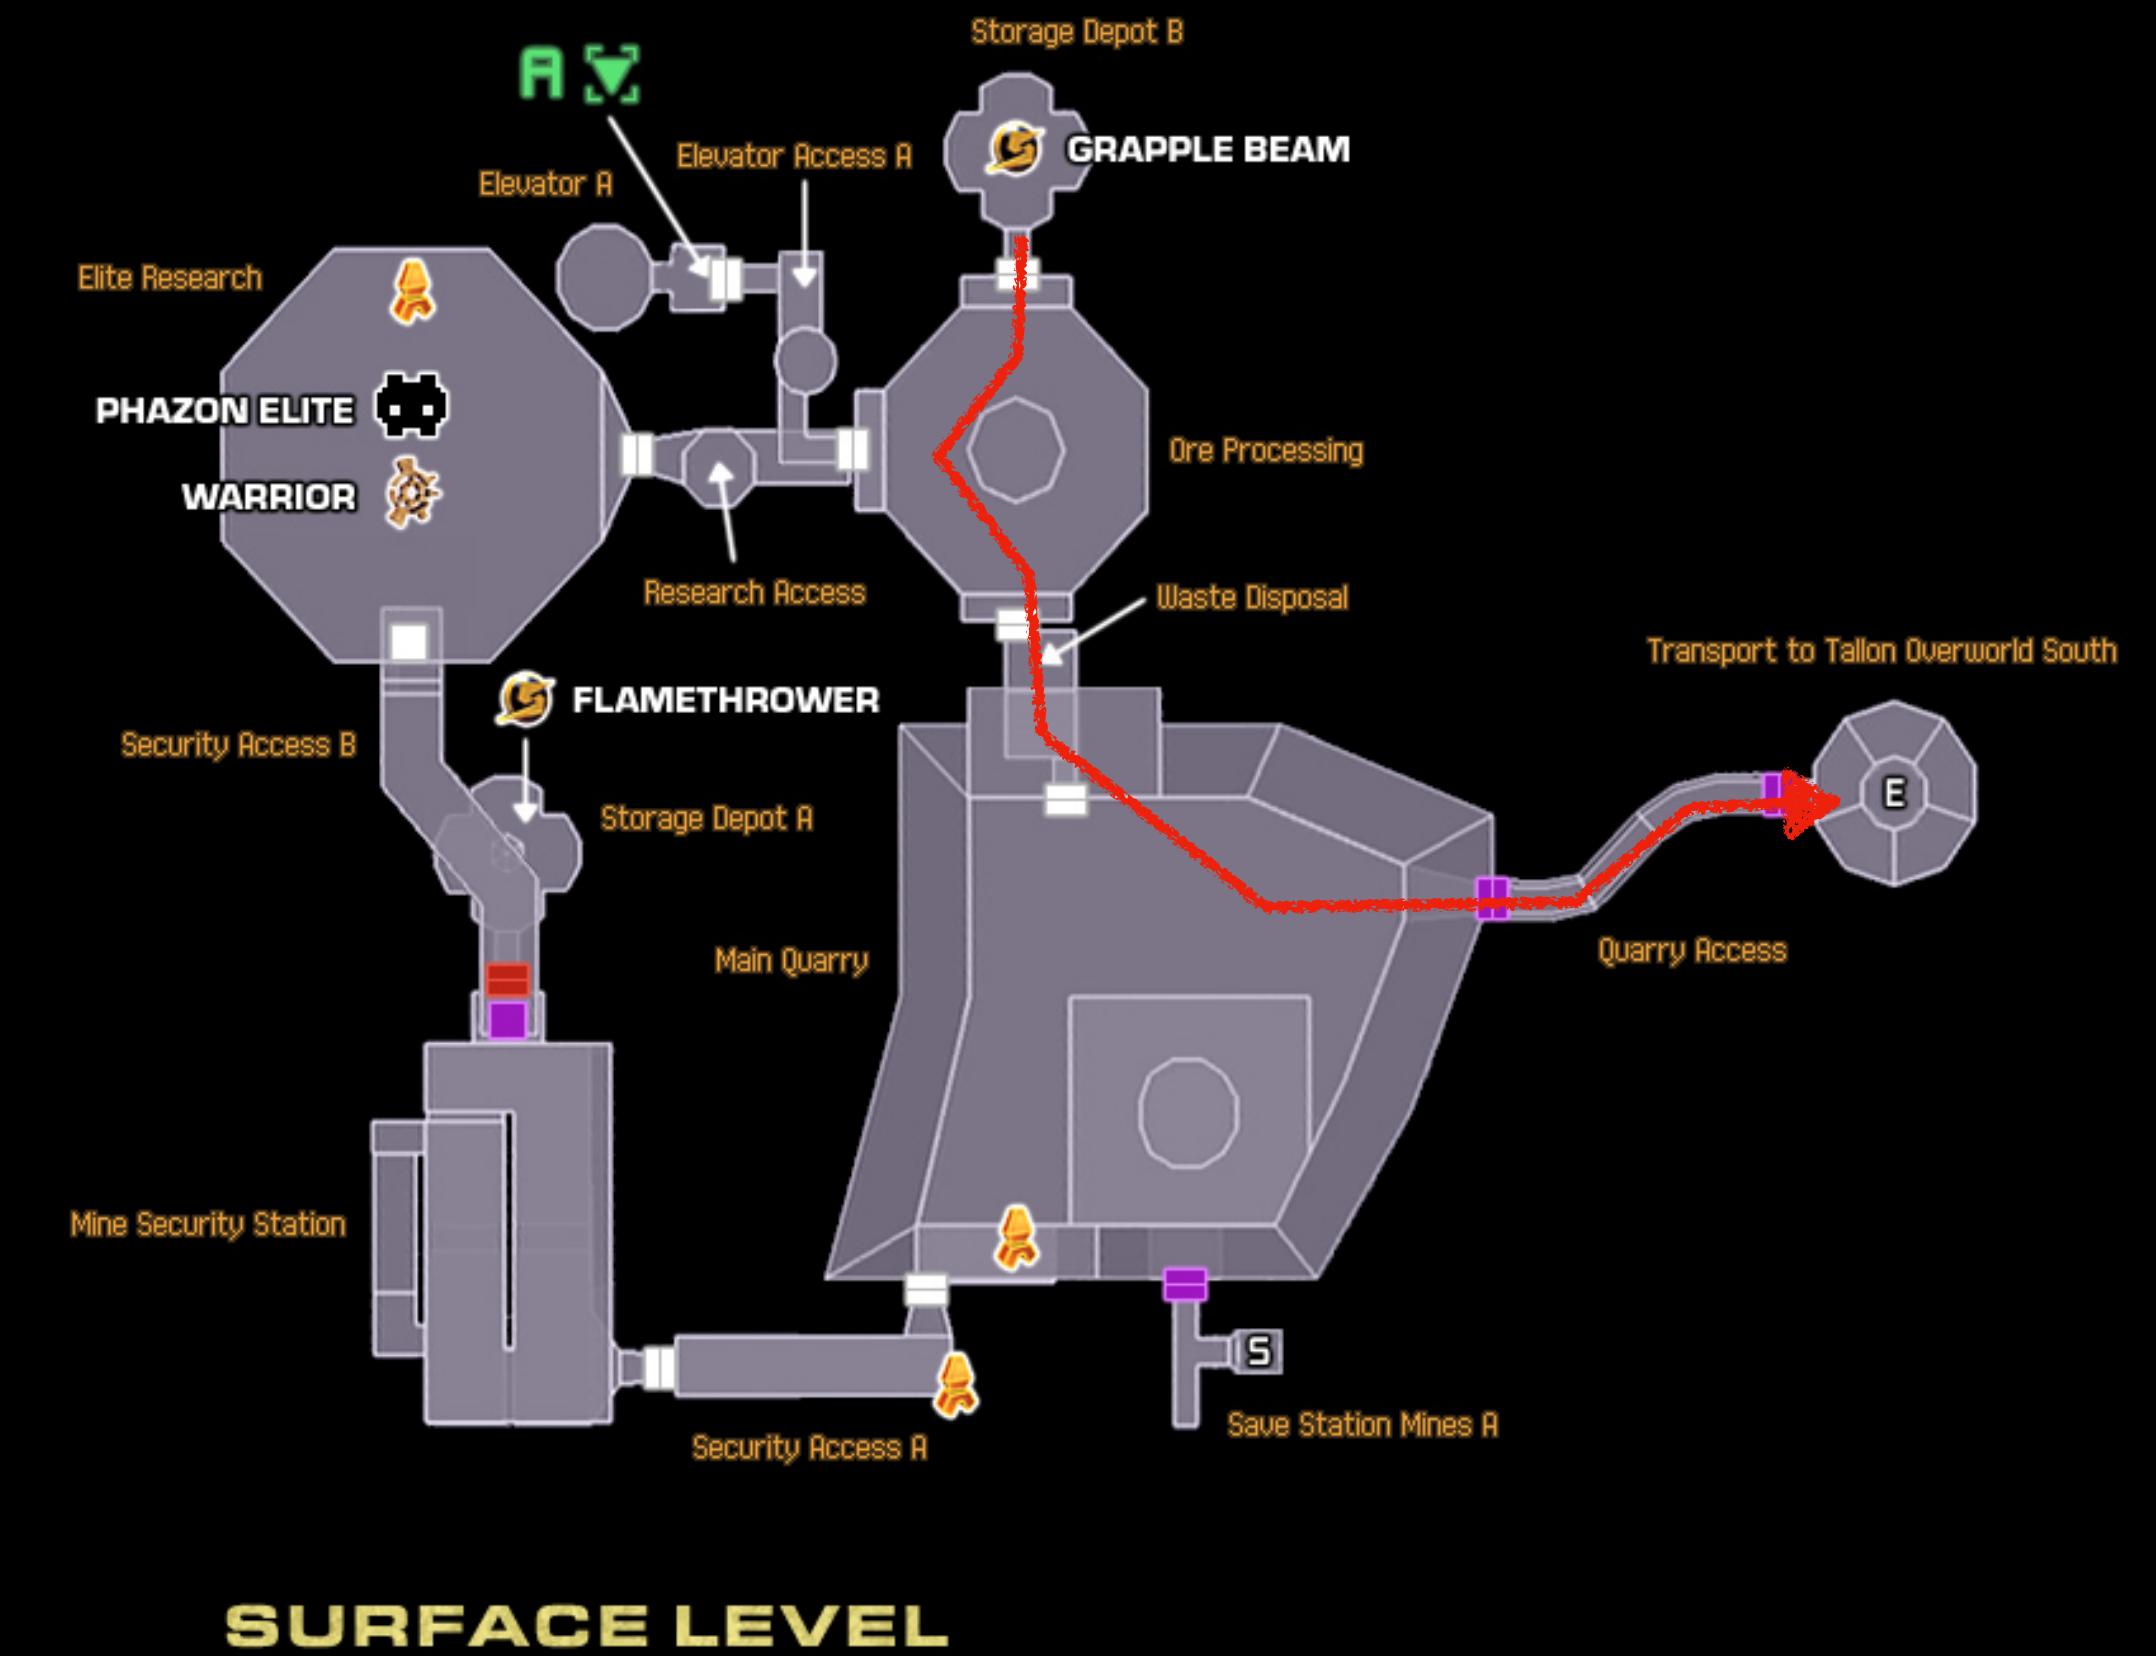

- Use Spider Ball to gain access to Ore Processing
- Gain access to forth level by making further rotations to middle spiral
 - Use Power Bomb to break rubble blocking third level machine
 - For fourth level: two turns at third level, three turns at second level, then one turn at bottom level.
- Enter Storage Depot B and collect Grapple Beam

X-Ray Visor

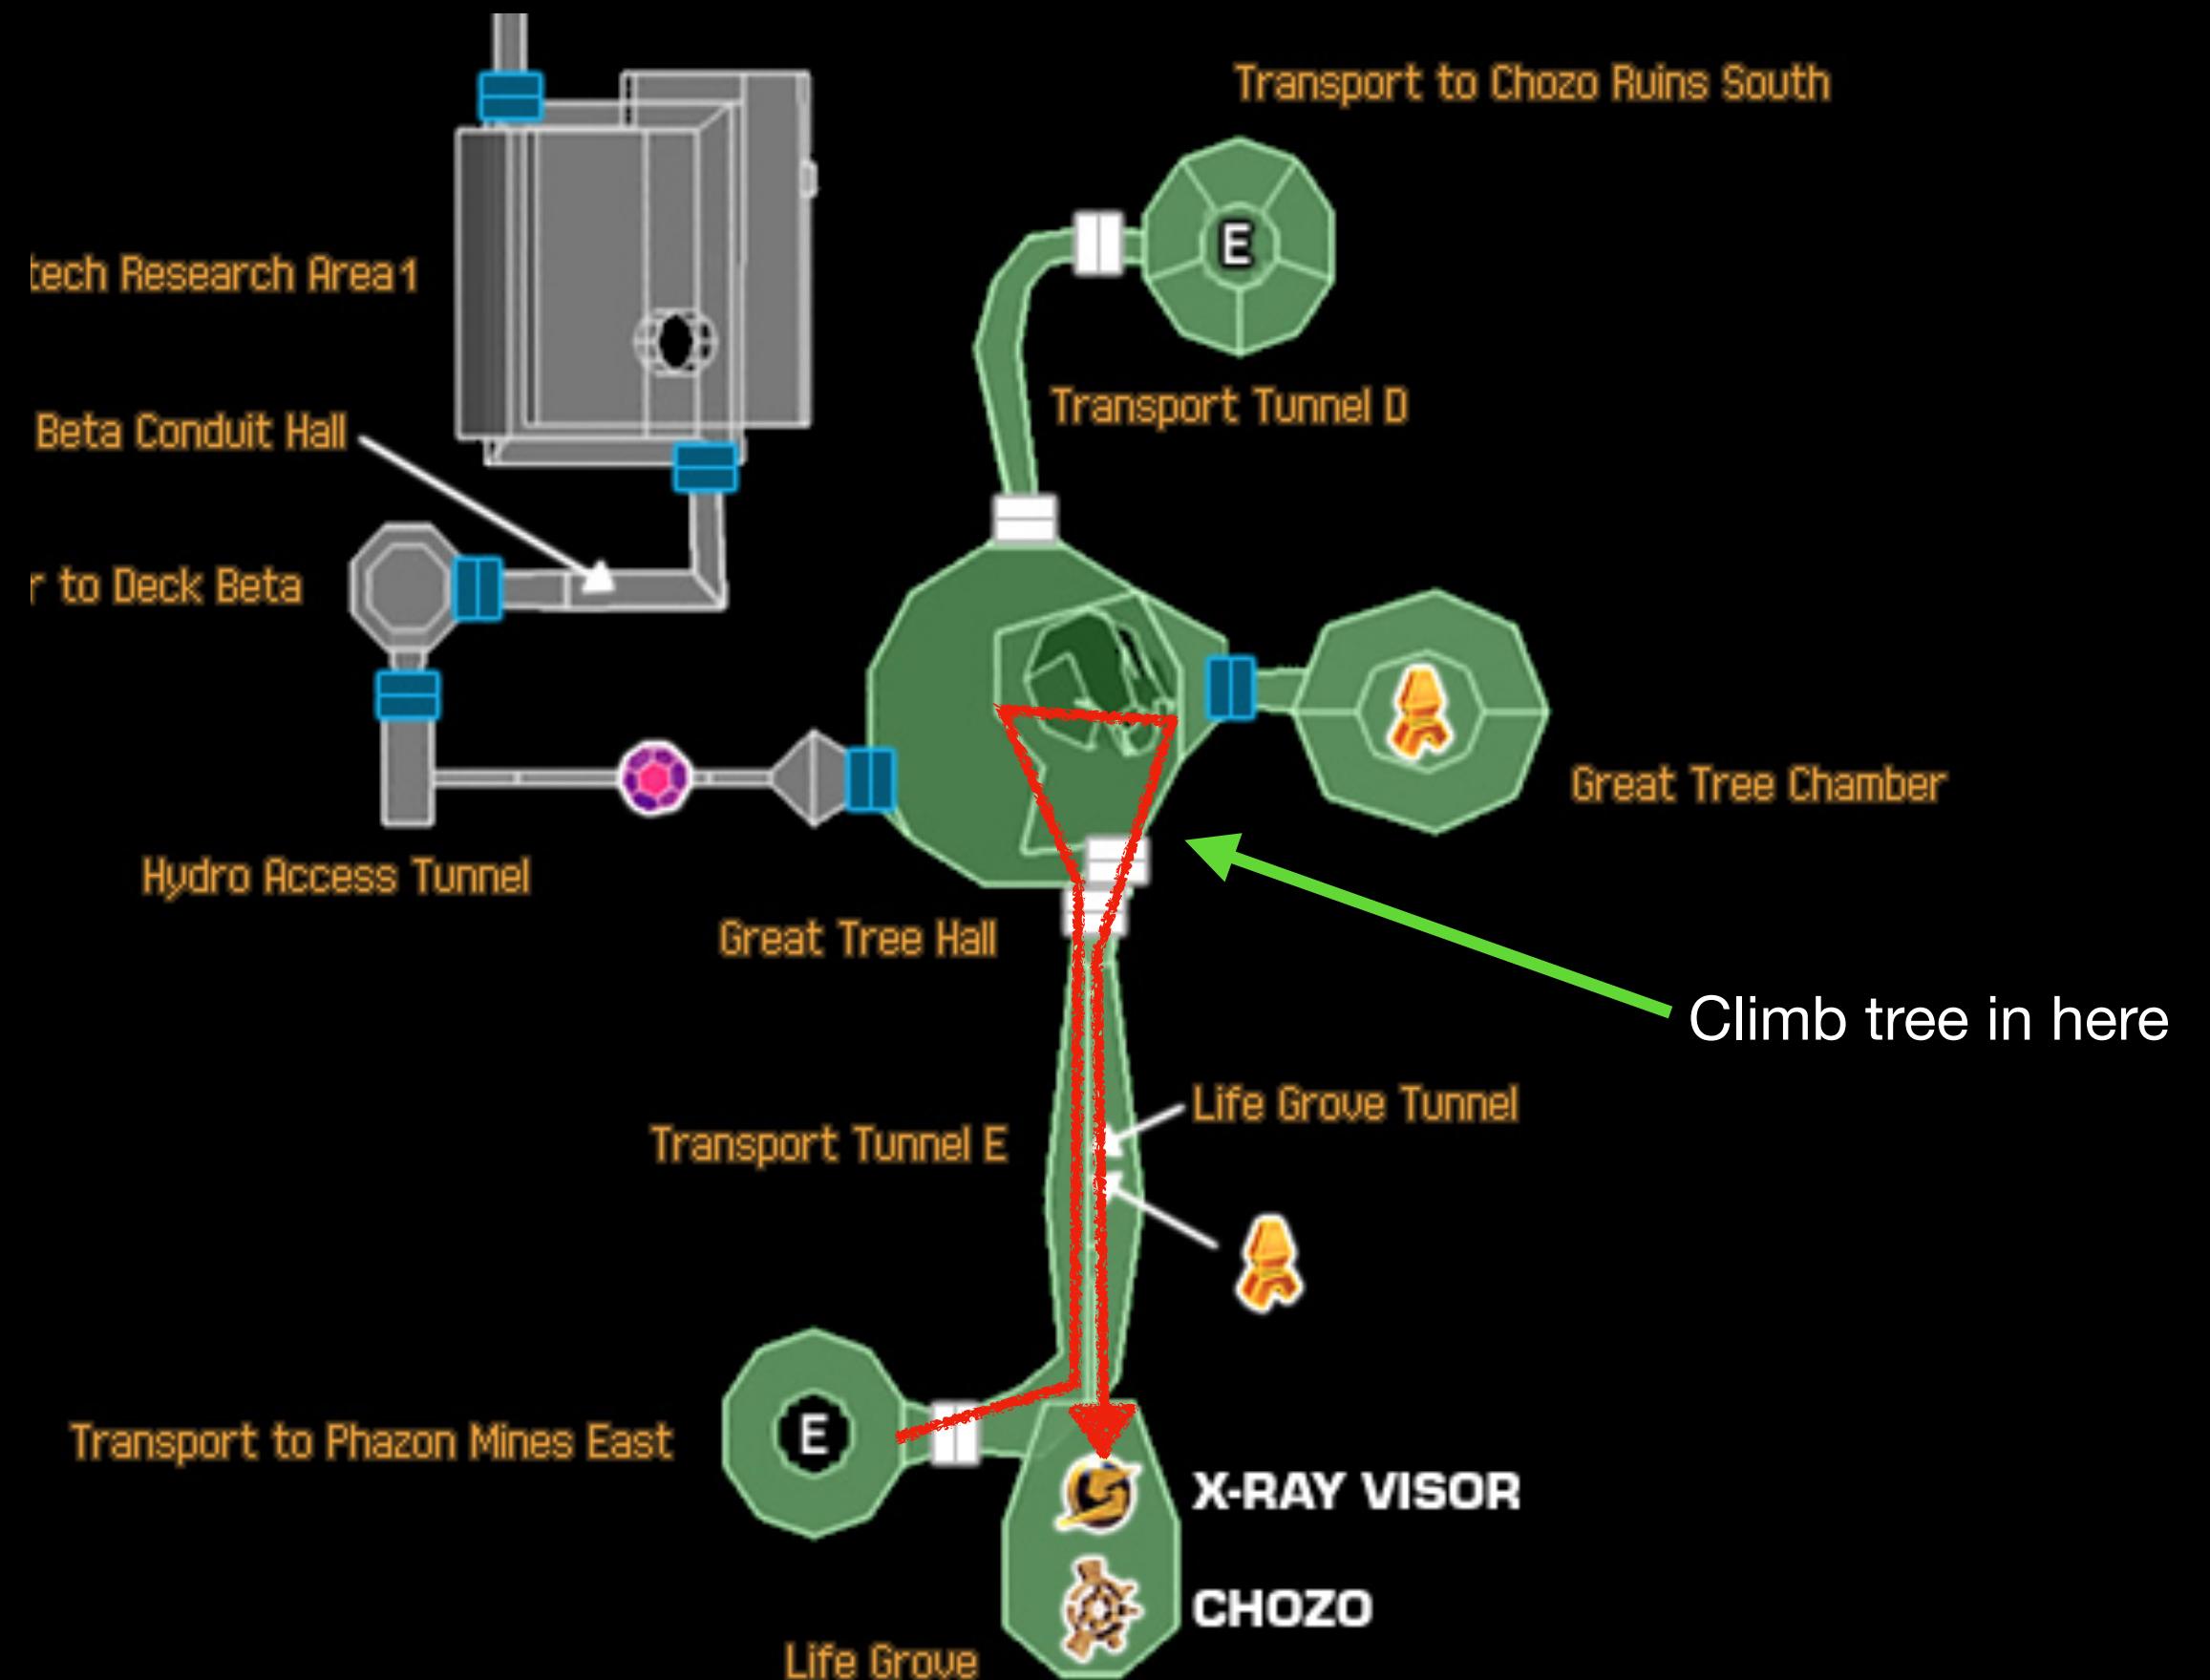

X-Ray Visor

- Use Grapple Beam in Ore Processing to exiting the white door across from your first exit
- Take elevator up to Talon Overworld South

X-Ray Visor

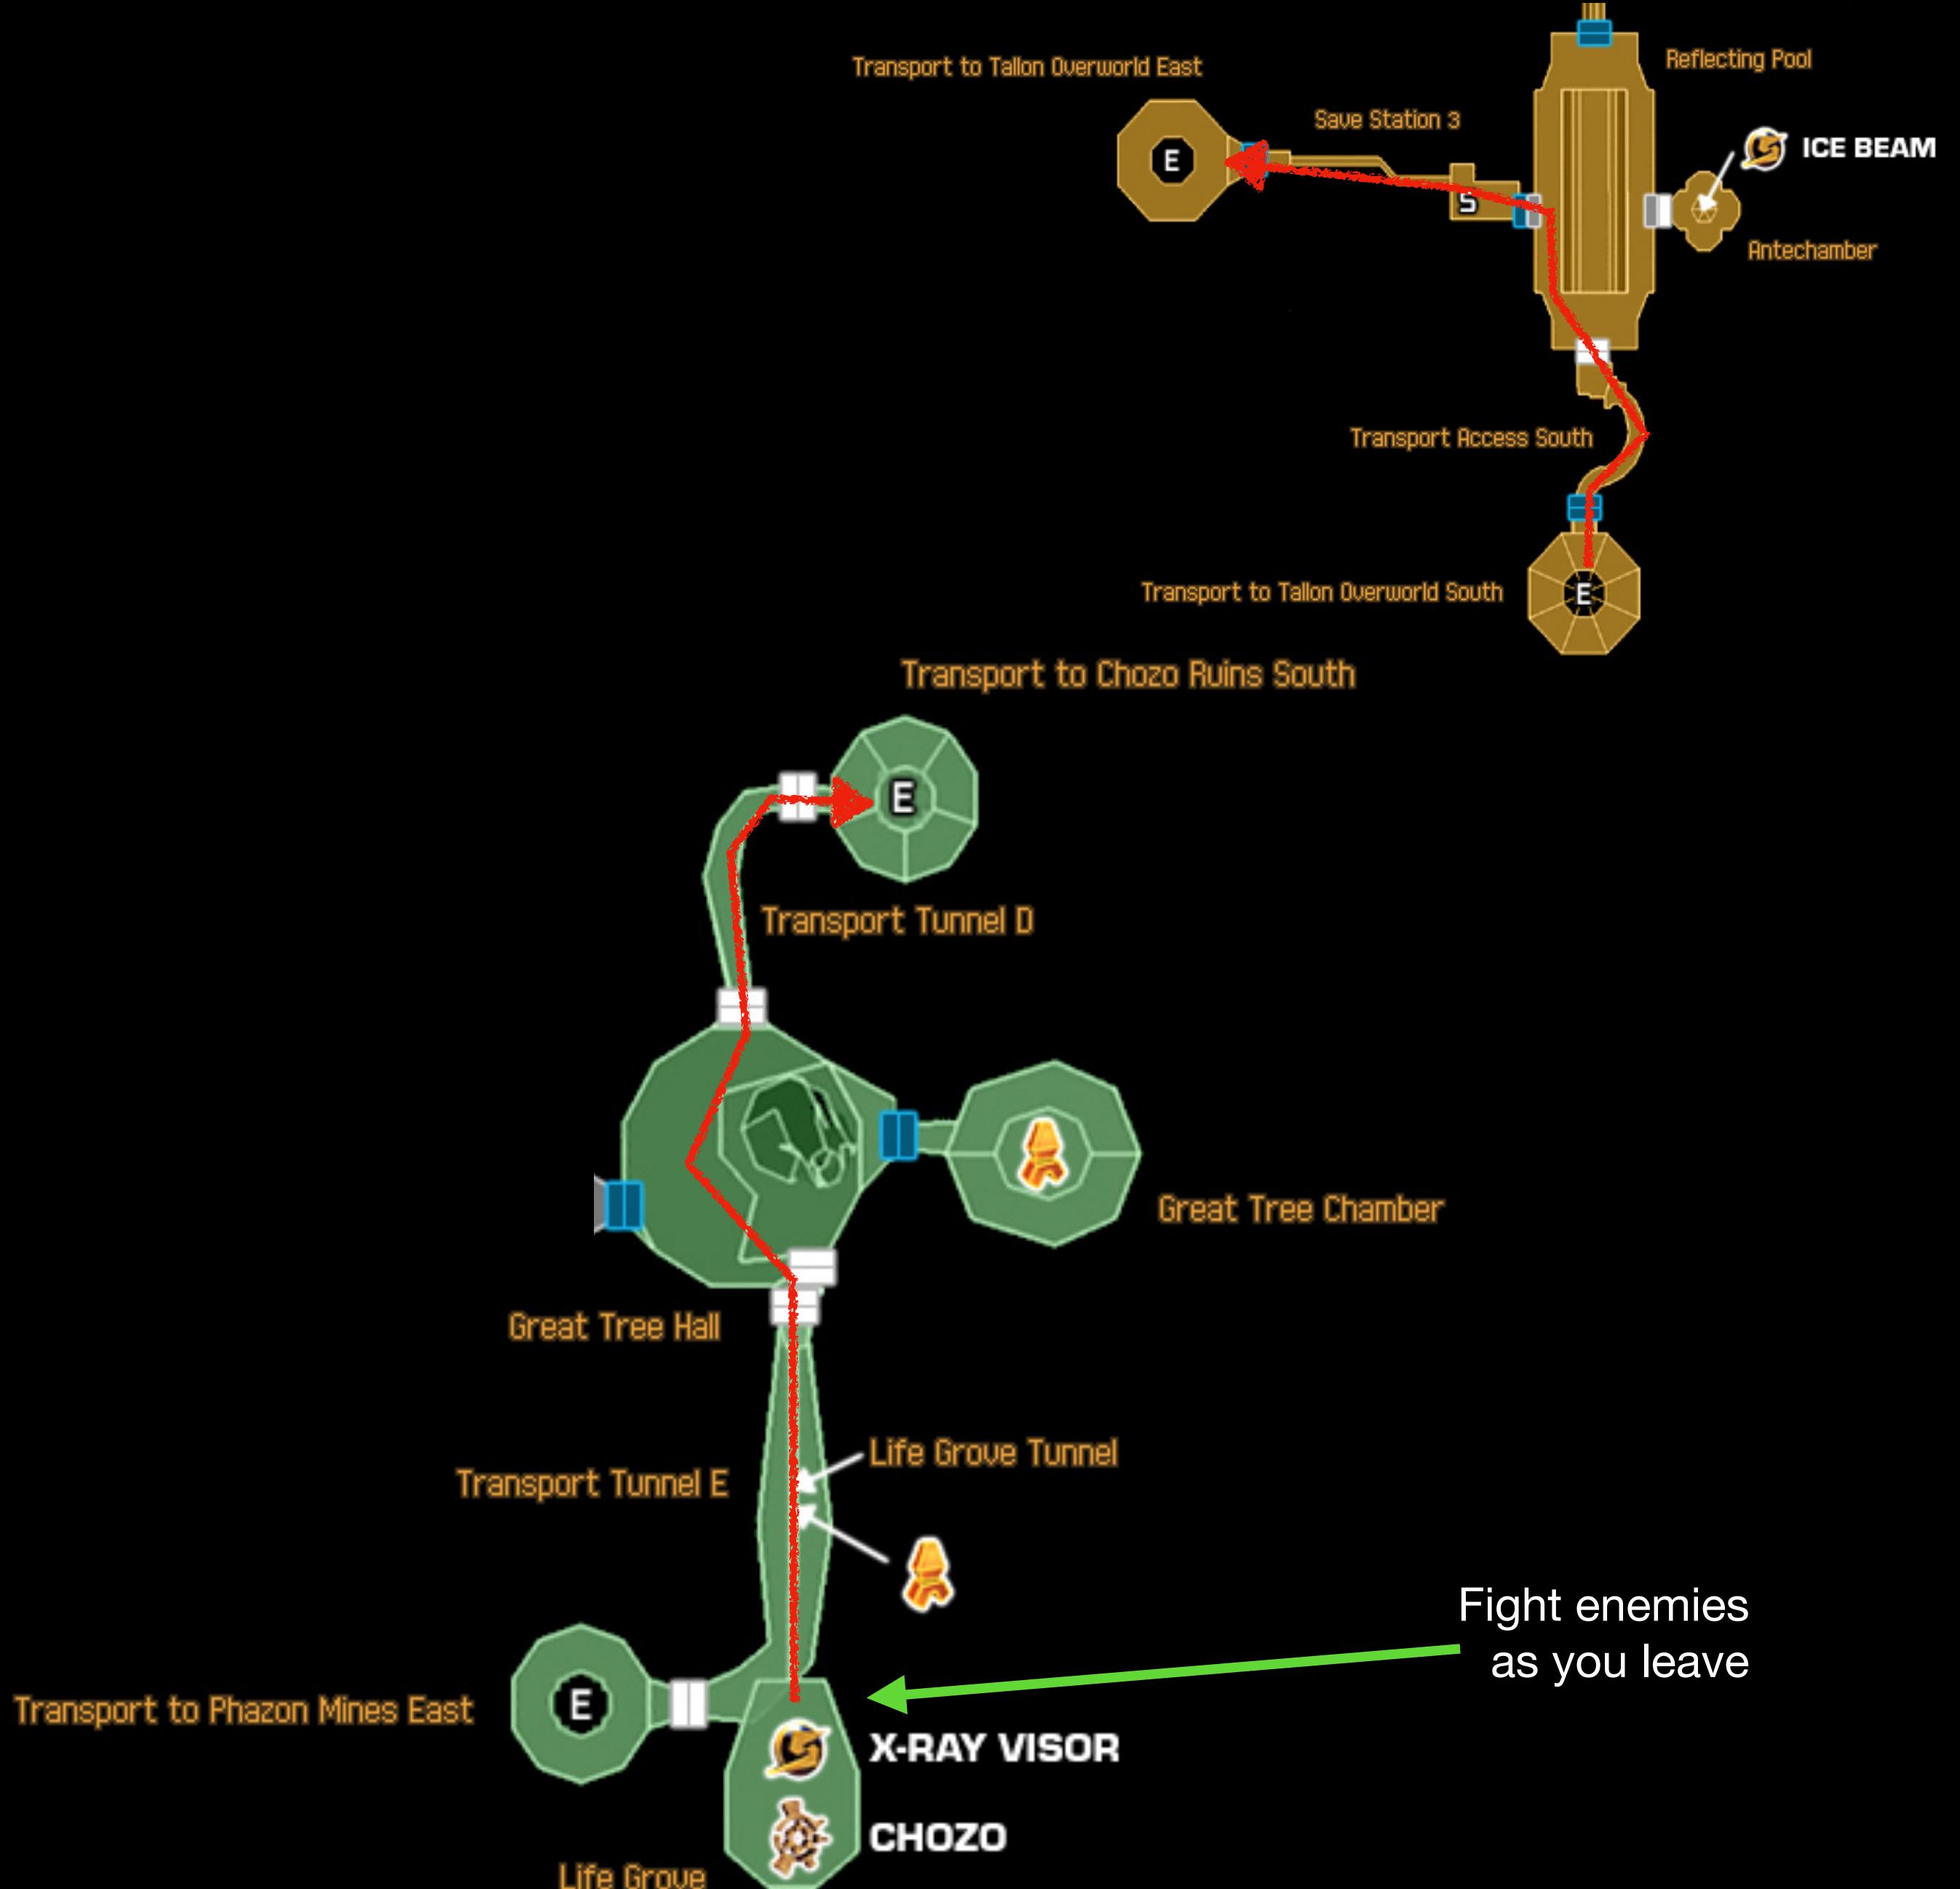

- Enter the Great Tree Hall
- Climb to the highest possible place and find a machine which you can fit in as Morph Ball. Power the machine and open the gate.
- Continue to climb and use Spider Ball to go up until you enter a small cave.
- Use Power Bomb to blow up the wall and continue through.
- Collect X-Ray Visor

Plasma Beam

Plasma Beam

- Before you leave Life Grove, use a Power Bomb to break the walls.
- Use Morph Ball to place a regular bomb in the part of the water where there is a water fall and collect the artefact when it appears.
- Start to climb the Life Grove to exit back to Great Tree Hall.
- Keep forward and take the lift to Chozo Ruins South.
- When you arrive, keep left and take the lift to Talon Overworld East.

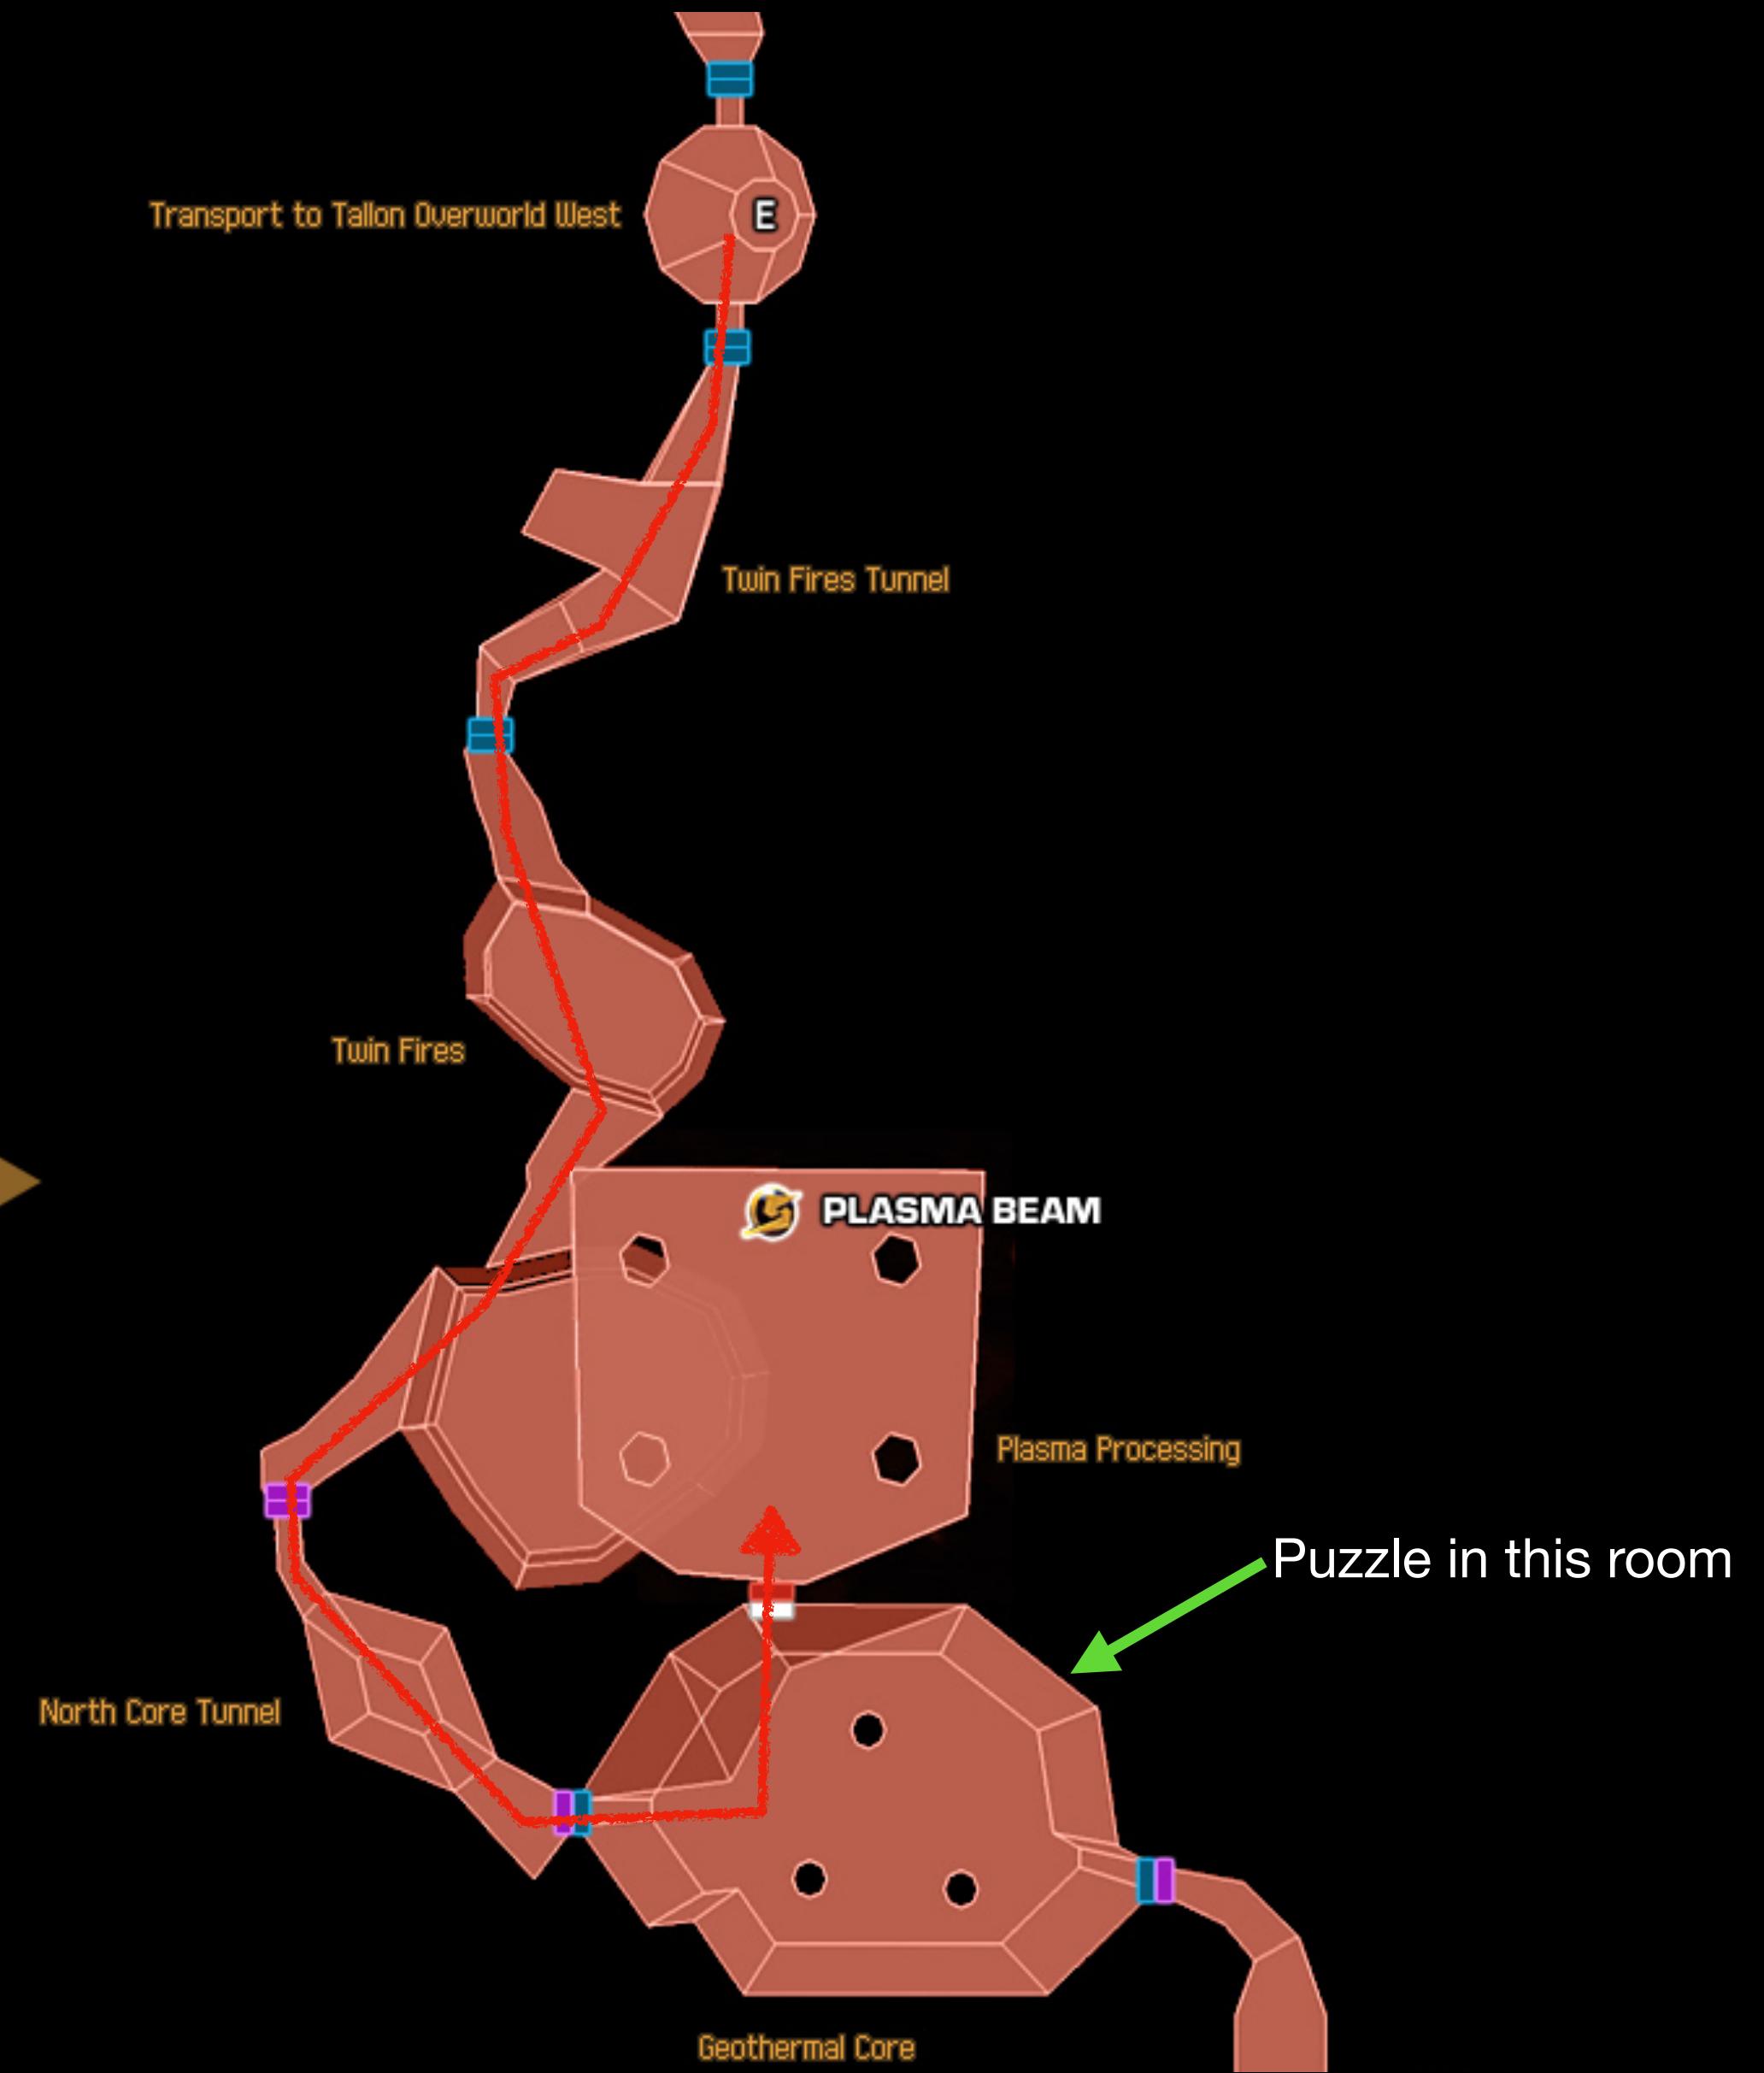

Plasma Beam

- Exit the elevator and head to the lift for Magmoor Caverns East

Plasma Beam

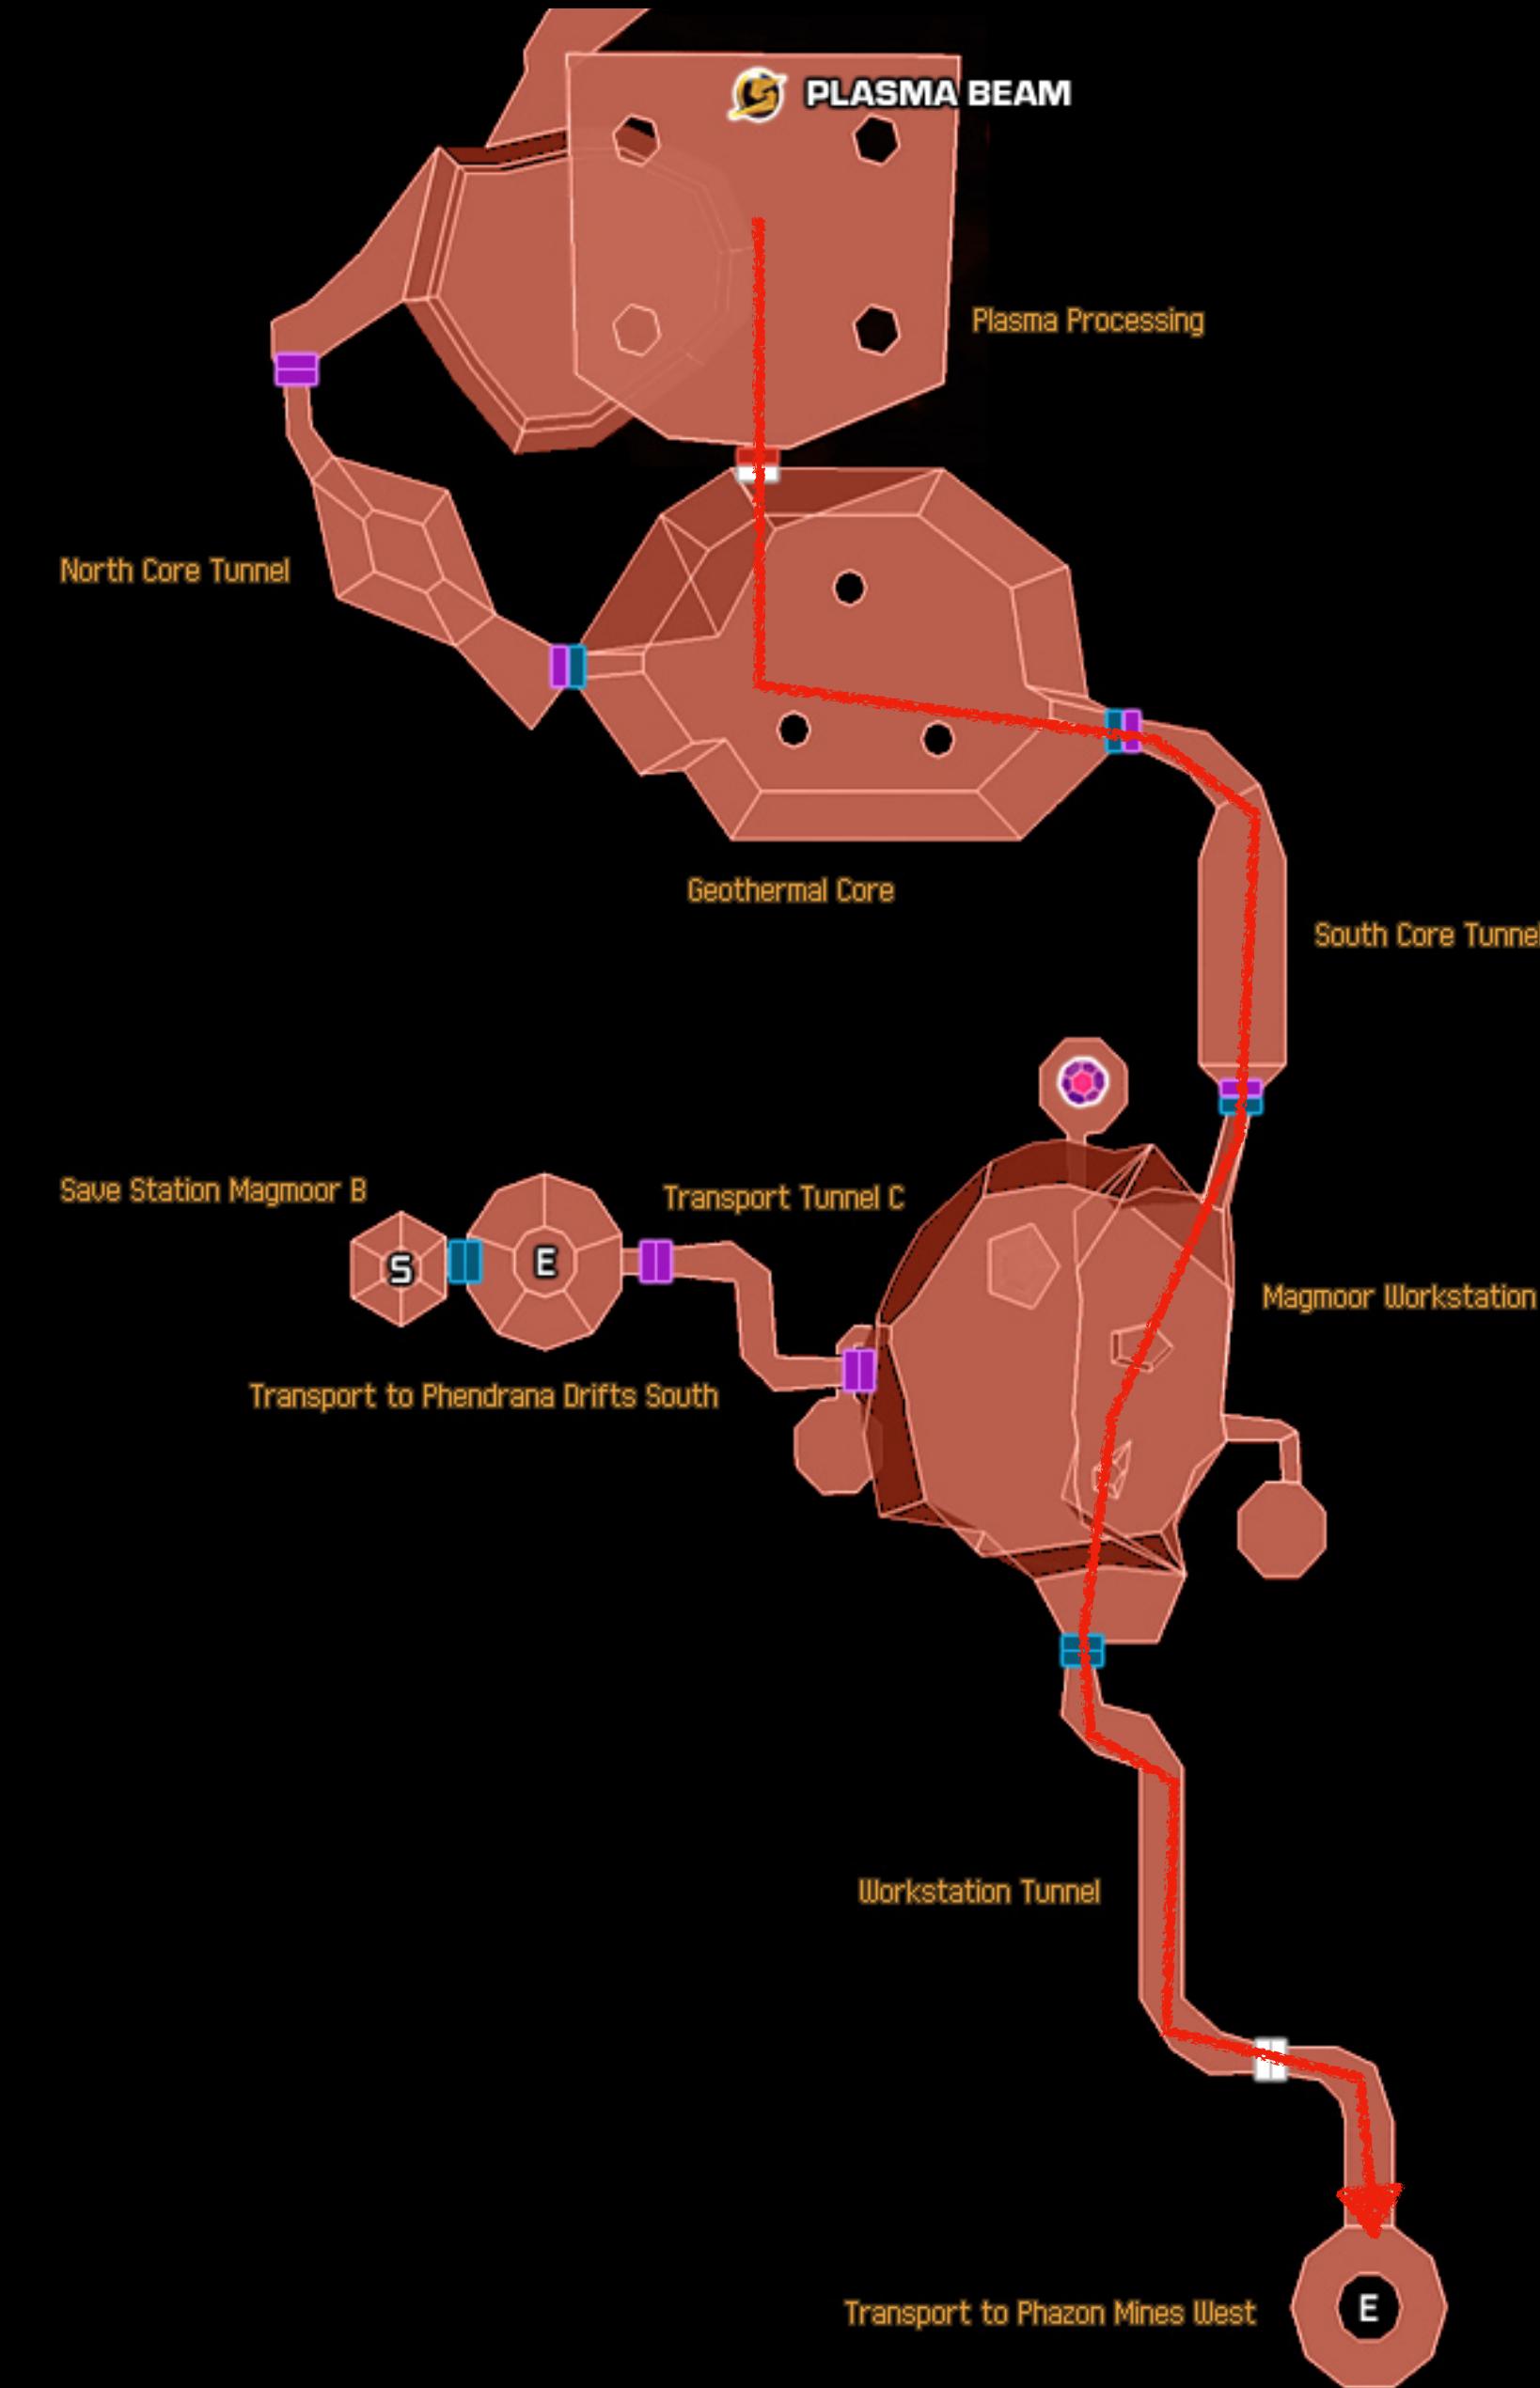

- Take a left from the lift
- Keep going forward until you reach Geothermal Core.
- Use your Grappling Beam and Spider Ball to complete the puzzle in Geothermal Core.
- Use Power Bomb to blow door up and enter to collect Plasma Beam

Phazon Suit

Phazon Suit

- Head down to Magmoor Workstation and take the blue door to the left.
- Use Power Bomb to gain passage through Workstation Tunnel.
- Continue to take the elevator to Phazon Mines West.

Phazon Suit

- Exit from lift and jump to white door to enter Maintenance Tunnel
- Take white ceiling door at the top of the Elite Control room.
- Continue through to Metroid Quarantine A, and take the shield down to move on.
- Do jump Puzzle and fight Metroid until you make it to Elevator B

Phazon Suit

- Exit elevator and fight your way through to Elite Quarters.
- Fight Omega Pirate and collect Phazon Suit.
